

About the Conference

The National Association of Counties (NACo) Legislative Conference brings together nearly 2,000 elected and appointed county officials to focus on federal policy issues that impact counties and our residents.

Attendees have the opportunity to engage in second-to-none policy sessions, meet the members of the 118th Congress and interact with federal agency officials.

This is a one-of-a-kind advocacy opportunity to strengthen our intergovernmental partnerships for years to come.
