**Construction Material Testing of Sub-Base, Concrete Pavement, Asphalt, Driveways,
Sidewalks, and Related Items on the Madden Road Project #17416 for Fort Bend County
Pct. 4.**

Dear Mr. McBride:

B2Z Engineering, LLC. appreciates the opportunity to submit an addendum for construction materials testing and engineering services. The proposed deadline for this project is December 31, 2023, and due to a walkthrough of the project, there were multiple cracks in the pavement on certain segments of roadway. B2Z Engineering would like to request an extension through to December 31, 2024 in order to provide additional material testing for any and all repair work that is requested.

We look forward to working with you. If you have any questions, please contact us at your convenience.

Very truly yours,
B2Z Engineering, LLC.
