## AGREEMENT FOR ANIMAL CONTROL A/C TRUCK BODY

This AGREEMENT ("Agreement") is made and entered into by and between FORT BEND COUNTY, TEXAS ("County"), a political subdivision of the State of Texas, and HARTSTRA MANUFACTURING, LLC. ("Contractor"), a company authorized to conduct business in the state of Texas. County and Contractor may be referred to individually as a "Party" or collectively as the "Parties."

**WHEREAS**, County desires that Contractor design, fabricate, and install three (3) Animal Control air-conditioned truck bodies, pursuant to RFP 23-069, to be utilized by Fort Bend County Animal Services; and

**WHEREAS**, Contractor represents that it is qualified and desires to perform such services.

**NOW, THEREFORE**, in consideration of the mutual covenants and agreements contained herein, the Parties do mutually agree as follows:

1. **Recitals.** The recitals set forth above are incorporated herein by reference and made a part of this Agreement.
2. **Scope of Services.** Contractor shall design, supply and install three (3) Animal Control A/C Truck bodies for Fort Bend County Animal Services in accordance with RFP 23-069, (the “Services”), as more fully described in Contractor’s Quote dated August 7, 2023, attached hereto as Exhibit “A” and incorporated by reference for all intents and purposes.
3. **Term.** The Parties agree that this Agreement is effective upon execution by County, and shall terminate on April 30, 2024, unless sooner terminated in accordance with this Agreement. The Parties acknowledge and agree that services were and will be supported by good and valuable consideration during the Term of this Agreement, the sufficiency of which is acknowledged by the Parties.
4. **Compensation and Payment Terms.** Upon the Effective Date, Contractor’s fees for the Services shall be calculated at the rate(s) set forth in Contractor’s Quote attached hereto as Exhibit “A,” which is incorporated by reference. The Maximum Compensation to Contractor for the Services performed under this Agreement is one hundred six thousand, nine hundred seventy-one and 00/100 (\$106,971.00). In no event shall the amount paid by County to Contractor under this Agreement exceed said Maximum Compensation without a County approved change order.

- (a) Contractor understands and agrees that the Maximum Compensation stated is an all-inclusive amount and no additional fee, cost or reimbursed expense shall be added whatsoever to the fees stated in the attached Exhibit "A."
- (b) County does not waive the Service Guarantee provided by Contractor, but that all performance of the Scope of Services above by Contractor including any changes in said Scope of Services and revision of work satisfactorily performed will be performed only when approved in advance and authorized by County.
- (c) County will pay Contractor based on the following procedures: Upon completion of the tasks identified in the Scope of Services above, Contractor shall submit to County two (2) original copies of invoices showing the amounts due for services performed in a form acceptable to County. Contractor may submit electronically via: [apauditor@fortbendcountytexas.gov](mailto:apauditor@fortbendcountytexas.gov). County shall review such invoices and approve them within 30 calendar days with such modifications as are consistent with this Agreement and forward same to the Auditor for processing. County shall pay each such approved invoice within thirty (30) calendar days. County reserves the right to withhold payment pending verification of satisfactory work performed.

- 5. **Limit of Appropriation.** Contractor understands and agrees that the Maximum Compensation for the performance of the Services within the Scope of Services described in Section 2 above is one hundred six thousand, nine hundred seventy-one and 00/100 (\$106,971.00). In no event shall the amount paid by County under this Agreement exceed the Maximum Compensation without a County approved change order. Contractor clearly understands and agrees, such understanding and agreement being of the absolute essence of this Agreement, that County shall have available the total maximum sum of one hundred six thousand, nine hundred seventy-one and 00/100 (\$106,971.00), specifically allocated to fully discharge any and all liabilities County may incur under this Agreement.
- 6. **Non-appropriation.** Contractor understands and agrees that in the event no funds or insufficient funds are appropriated by the County under this Agreement, County shall immediately notify Contractor in writing of such occurrence and the Agreement shall thereafter terminate and be null and void on the last day of the fiscal period for which appropriations were received or made without penalty, liability or expense to the County. In no event shall said termination of this Agreement or County's failure to appropriate said funds be deemed a breach or default of this Agreement or create a debt by County in any amount(s) in excess of those previously funded.

7. **Taxes.** County is a political subdivision of the state of Texas and as such, is exempt from sales and use taxes. County shall furnish evidence of its tax-exempt status upon written request by Contractor.
8. **Indemnity.** CONTRACTOR HEREBY AGREES THAT IT WILL INDEMNIFY AND HOLD COUNTY HARMLESS FROM ANY AND ALL CLAIMS, DEMANDS, LOSSES, SUITS, OR CAUSES OF ACTION, WHETHER FOR PERSONAL INJURY OR PROPERTY DAMAGE, ARISING OUT OF OR RELATED TO ANY ACTION OR FAILURE TO ACT BY CONTRACTOR, ITS OFFICERS, AGENTS, EMPLOYEES, SUCCESSORS, OR ASSIGNS WITH RESPECT TO CONTRACTORS PERFORMANCE OF THE SERVICES UNDER THIS AGREEMENT. CONTRACTOR FURTHER AGREES TO PROCURE AND MAINTAIN LIABILITY INSURANCE WITH COVERAGE AND LIMITS OF LIABILITY AS PROVIDED IN SECTION 11 OF THIS AGREEMENT.
9. **Applicable Law.** The laws of the state of Texas govern all disputes arising out of or relating to this Agreement. Contractor further acknowledges and agrees that the terms and conditions of this Agreement are not proprietary or confidential information.
11. **Insurance.** Prior to the commencement of the Services under this Agreement, Contractor shall furnish County with properly executed certificates of insurance which shall evidence all insurance required and provide that such insurance shall not be canceled, except on 30 days' prior written notice to County. Contractor shall maintain such insurance coverage from the time Services commence until Services are completed and provided replacement certificates, policies, and/or endorsements for any such insurance expiring prior to completion of Services. - (d) Business Automobile Liability insurance with a combined Bodily Injury/Property Damage limit of not less than \$1,000,000 each accident. The policy shall cover liability arising from the operation of licensed vehicles by policyholder.

County shall be named as additional insured to all required coverage except for Workers' Compensation. All Liability policies including Workers' Compensation written on behalf of Contractor shall contain a waiver of subrogation in favor of County and members of Commissioners Court. For Commercial General Liability, the County shall be named as an Additional Insured on a Primary & Non-Contributory basis.

If required coverage is written on a claims-made basis, Contractor warrants that any retroactive date applicable to coverage under the policy precedes the effective date of the contract; and that continuous coverage will be maintained or an extended discovery period will be exercised for a period of two years beginning from the time that work under the Agreement is completed.

12. **Compliance with Laws.** Contractor shall comply with all federal, state, and local laws, statutes, ordinances, rules, regulations, and the orders and decrees of any courts or administrative bodies or tribunals in any matter affecting the performance of this Agreement, including, without limitation, Worker's Compensation laws, minimum and maximum salary and wage statutes and regulations, licensing laws and regulations. Contractor in providing all services hereunder, further agrees to abide by the provisions of any applicable Federal or State Data Privacy Act.
13. **Independent Contractor.** In the performance of the Services hereunder, Contractor shall be deemed an independent Contractor, and any of its agents, employees, officers, or volunteers performing work required hereunder shall be deemed solely as employees of Contractor or, where permitted, of its subcontractors. ## **EXECUTIVE SUMMARY**

Hartstra Manufacturing is the premier manufacturer of custom animal transport vehicles. Our vehicles come standard with a full aluminum body made from welded square tubing for maximum strength and durability. All aluminum construction means you can expect years of reliable, corrosion free service.

We recognized the need to ensure environmental safety and comfort of the animals you transport. That's why we've engineered our climate control system from the ground up. Our doors feature vent free, solid aluminum construction sealed with rubber weather stripping. Each compartment has independent supply and return vents, just like a properly designed home cooling and heating system. The roof mounted A/C unit is run by your vehicles engine, but features an independent compressor and condenser for performance and reliability. The compartments in a Hartstra animal transport vehicle will remain in the 70's even when it is over 110 degrees Fahrenheit outside.

And with our custom designed monitoring system, you'll know exactly what temperature it is in every compartment. We've designed a central control panel that allows you to set the temperature in the compartments. The system will turn on and off automatically to ensure the temperature stays in the optimal range for your animals.

Every cage can be outfitted with either an aluminum or stainless-steel door. Our slam lock latches provide a secure and tamper free latch. Cage doors have a convenient catch pole opening that allow you to safely close the door while the animal is restrained. Hold backs and gas springs keep the exterior doors open while you maneuver an animal, for safe hassle-free operation.

Hartstra animal transport means custom animal transport. Because we work with our clients to design every vehicle, you are never limited to 3 or 4 models or layouts. We can configure the number, size and location of the cages to your department's needs.
