Extended Budget Description

Funds will be used for operating expenses including purchase of service, payroll, fuel, etc. The contract amount is \$31,024,370.

Beginning in FY17, agencies may alternatively use program funds up to the amount shown in column "I" for operating assistance under 5307(a)(2)(B), provided that this amount is no greater than 50 or 75 percent of the total amount allocated to them for eligible projects through the local planning process, consistent with the eligible percent factor shown in column "G". Reference Special Operating Rule excel is attached.

The amount of operating assistance is less than 75% of the sub allocation listed in the split letter.

Budget is \$1,351,821 with local amount of \$675,911 in TDCs.

Fort Bend County anticipate the grant to be awarded in the January 2024 timeframe, so operating expenses will cover January 1, 2024 - December 31, 2024.

The time period for operating assistance for this grant application overlaps with other FTA funding below. The funding available for these programs is insufficient to cover eligible expenses within the period. Funds are needed from FY21 and FY22 5307 to cover operating expenses during the same time period.

Project Environmental Findings

Finding: Class II(c) - Categorical Exclusions (C-List)

Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

Categorical Exclusion Description

Type 07: Acquisition, installation, rehabilitation, replacement, and maintenance of vehicles or equipment, within or accommodated by existing facilities, that does not result in a change in functional use of the facilities, such as: equipment to be located within existing facilities and with no substantial off-site impacts; and vehicles, including buses, rail cars, trolley cars, ferry boats and people movers that can be accommodated by existing facilities or by new facilities that qualify for a categorical exclusion.

We have an internal directive to begin implementing this standard. General guidance is below. I will return the grant for edits."
