Take advantage of the opportunities of NIOA membership. Click the Membership link to learn more.

# Serving through networking and education

We are involved as Information Officers, Public Information Officers, Spokespersons, Government Spokespersons and Government Communicators in Media Relations, Public Affairs, Community Affairs and Public Relations.

## Membership

NIOA membership is open to anyone actively employed by any local, county, state or federal government agency, or any public safety or emergency services organization, whose primary responsibilities include managing or disseminating public information.

## Vision

The **NIOA** exists to serve the needs of the professional information officer through professional networking and ongoing educational opportunities.

## Core Values

Professionalism, Ethics, Education, Networking

## NIOA News

Members receive a bi-monthly newsletter full of best practices, recent trend highlights, and association news. Members can also [view the news online](#).
