Re: Waters Lake Boulevard Phase 5 Street Dedication  
Mount Logan Proposed Road Closure  
Sienna Municipal Utility District No. 5  
LJA Job No. 1415-1605B (6.1)

Dear Commissioner Prestage:

LJA is requesting permission to close Waters Lake Boulevard between the intersections at Vineyard Shore Drive (Sienna Section 64) and Crescent Spring Drive (Sienna Section 53). During the Fort Bend County Inspection, it was determined that an area within these limits of the roundabout at Waters Lake Boulevard and Crescent Spring Drive would need the pavement to be removed and replaced. Due to the size of the repair, only not enough drivable area is provided for the roundabout to operate safely. The proposed closure will not cut off access to any of the existing neighborhoods along this roadway. Detour signage will be placed as per the attached traffic control plan.

We are anticipating to begin repairs on this roadway the week of January 22<sup>nd</sup>. The Sienna Property Association will begin informing the community of the upcoming closure and timeline for repairs. These signs will be prior to commencing the repairs and will stay up until the construction is complete and the roadway has met the required strength. We are requesting that the road closure start around January 24<sup>th</sup> and anticipate the roadway will remain closed for two weeks or until the repairs are complete.

Should you have any questions or need any additional information concerning these plans, please call me at 713.953.5230.

Sincerely,

A handwritten signature in blue ink that reads 'Amanda Carriage'.

Amanda Carriage, PE, CFM  
Vice President
