7. **Indemnity.** The parties agree that under the Constitution and laws of the State of Texas, County cannot enter into an agreement whereby County agrees to indemnify or hold harmless another party; therefore, all references of any kind to County defending, indemnifying, holding or saving harmless Esri for any reason are hereby deleted.
8. **Applicable Law; Arbitration; Attorney Fees.** The laws of the State of Texas govern all disputes arising out of or relating to this Agreement. The parties hereto acknowledge that venue is proper in Fort Bend County, Texas, for all legal actions or proceedings arising out of

or relating to this Agreement and waive the right to sue or be sued elsewhere. Nothing in the Agreement shall be construed to waive the County's sovereign immunity. County does not agree to submit disputes arising out of the Agreement to binding arbitration. Therefore, any references to binding arbitration or the waiver of a right to litigate a dispute are hereby deleted. County does not agree to pay any and/or all attorney fees incurred by Esri in any way associated with the Agreement.

ENTERPRISE AGREEMENT

This Enterprise Agreement ("EA") is by and between the organization identified in the signature line below with its principal place of business at the address provided below ("**Customer**") and **Environmental Systems Research Institute, Inc. ("Esri")**.

This EA sets forth the terms and conditions for Customer's use of EA Products, Rolled-In Software, Unit-Priced Items, provision of Esri User Conference registrations, Training, and Services as specified herein and in the Proposal Letter. The rights granted in this EA apply only to the EA Products listed in the Proposal Letter.

This EA is comprised of the Proposal Letter and this Enterprise Agreement E512N document and incorporates by reference the Master Agreement. This EA constitutes the sole and entire agreement of the parties as to the subject matter set forth herein and supersedes any previous agreements, proposals, presentations, understandings, and arrangements between the parties relating to the licensing of the EA Products, Training, and Services. Any modifications or amendments to this EA must be in writing and signed by an authorized representative of Customer and Esri.

4.0—ORDERING, ADMINISTRATIVE PROCEDURES, DELIVERY, AND DEPLOYMENT

4.1 Orders, Delivery, and Deployment

- a. Upon the Effective Date, Esri will invoice Customer and provide Authorization Codes to activate the nondestructive copy protection program that enables Customer to download, operate, or allow access to the EA Products. Delivery of updates/new versions of EA Products will be made in the same manner. Customer will establish a single point of contact who will be responsible for Deployment. Esri may invoice the EA Fee up to thirty (30) calendar days before (i) the payment dates identified in the Proposal Letter; or (ii) if no payment dates are identified, the annual anniversary date for each year of the EA.
- b. Undisputed invoices will be due and payable within thirty (30) calendar days from the date of invoice. Esri reserves the right to suspend Customer's access to and use of EA Products if Customer fails to pay any undisputed amount owed on or before its due date. Esri may charge Customer interest at the lesser of one percent (1.0%) per month or the maximum monthly rate permitted by applicable law on any overdue fees plus all expenses of collection for any overdue balance that remains unpaid ten (10) days after Esri has notified Customer of the past-due balance.
- c. Esri's federal ID number is 95-2775-732.
- d. If requested, Esri will ship backup media to the ship-to address identified on the Ordering Document, FOB destination, with shipping charges prepaid by Customer. Customer acknowledges that should sales or use

taxes become due as a result of any shipments of tangible media, Esri has a right to invoice and Customer will pay any such applicable sales or use tax associated with the receipt of tangible media.

4.2 Order Requirements. Esri does not require Customer to issue a purchase order. Customer may submit a purchase order in accordance with its own internal process, provided that if Customer issues a purchase order, Customer will submit its initial purchase order on the Effective Date. Customer will submit subsequent purchase orders to Esri at least thirty (30) calendar days before (i) the payment dates identified in the Proposal Letter; or (ii) if no payment dates are identified, the annual anniversary date for each year of the EA. Any purchase orders that Customer issues will reference, incorporate, and be subject to the terms and conditions of the EA. Additional or conflicting terms in any purchase orders, invoices, or other documents exchanged during the ordering process, other than the terms of this EA, Product or Services descriptions, quantities, pricing, and delivery instructions, are void and of no effect.

- a. All orders pertaining to this EA will be processed through Customer's centralized point of contact on the Proposal Letter. Customer can send order processing questions to Customer Service at Esri 380 New York Street Redlands, CA 92373-8100; send emails to service@esri.com; or call Esri at 888-377-4575.

5.0—TERM, TERMINATION, AND EXPIRATION

5.1 Term. This EA and all licenses hereunder will commence on the Effective Date and continue for the duration identified in the Proposal Letter. Except as otherwise authorized in this Section 5, this EA is for the committed duration identified in the Proposal Letter. If the Proposal Letter includes optional years, Customer may exercise each optional year by providing written notice to Esri Customer Service sixty (60) calendar days prior to the end of the then-current year. If more than one optional year is identified in the Proposal Letter, then each optional year must be exercised consecutively, or the EA will expire at the end of the then-current year. An optional year may be a duration other than twelve (12) months and will be identified in the Proposal Letter. If the Proposal Letter includes Training Pass days, unused Training Pass days do not rollover to subsequent years and expire at the end of each annual term.

5.2 Use upon Expiration. Upon full payment of the EA Fee and expiration of this EA, the Master Agreement will survive, and Customer and Authorized Entities may continue to use the perpetual licenses of Deployed EA Products included in the final Deployment Report and Rolled-In Software in accordance with the terms and conditions set forth in the Master Agreement. Customer shall notify Esri of the quantity and type of licenses for which Customer and Authorized Entities, as may be applicable, elect to purchase standard maintenance. If maintenance is not ordered for Rolled-In Software or EA Products upon expiration of the EA, it lapses. If, at a later date, Customer or Authorized Entities decide to reinstate maintenance, Customer or Authorized Entity, as may be applicable, must pay maintenance reinstatement fees from the date the EA expired (i.e., back maintenance fees). Customer and Authorized Entities may only purchase standard maintenance or reinstate maintenance on licenses that were included in the final Deployment Report. Customer shall not Deploy additional copies of the EA Products beyond the quantities in use upon termination or as of the date of expiration. All term licenses and subscription licenses of Deployed EA Products terminate upon expiration of the EA. Esri User Conference registrations, Advantage Program Learning and Services credits, and Training Pass days terminate upon expiration.

5.3 Term Enterprise Agreement. If the EA Products are all term licenses and subscription licenses, Customer and Authorized Entities are only authorized to use EA Products during the term identified in the Proposal Letter and all EA Products, all Maintenance, and Esri User Conference registrations terminate upon termination of the EA.

- 5.4 Termination of a Particular Authorized Entity.** If Authorized Entities are included in the Proposal Letter, Esri may elect to terminate the license rights of a particular Authorized Entity for material breach without terminating this EA with Customer or other Authorized Entities. The breaching Authorized Entity will be given a period of ten (10) business days from date of written notice to cure any material breach. Upon termination of Authorized Entity, all Deployed EA Products provided to Authorized Entity will also terminate. Customer shall reasonably cooperate with Esri in termination of an Authorized Entity in material breach of this EA, including enforcement of the EA with respect to such Authorized Entity. There will be no reduction in the EA Fee if an Authorized Entity's rights are terminated. The terminated Authorized Entity will have no further access to any benefits, entitlements, rights, or other items included in or otherwise related to this EA.
- 5.5 Termination for a Material Breach.** Either party may terminate this EA for a material breach by the other party. The breaching party will have thirty (30) days from the date of written notice to cure any material breach. Upon termination of this EA by Esri for a material breach by Customer, all licenses Deployed will also terminate, and the full amount of unpaid EA Fee will be due and payable by Customer within thirty (30) days from the date of termination.
- 5.6 Termination for Lack of Funds.** For an EA with government or government-owned entities, either party may terminate this EA before any subsequent year if Customer is unable to secure funding through the legislative or governing body's approval process.
- 5.7 Termination for Convenience.** Neither Customer nor Esri may terminate the EA for convenience.
- 5.8 Use Upon Termination.** For termination under Sections 5.3 – 5.6, Customer and Authorized Entities shall uninstall, remove, and destroy all EA Products; training materials; and any whole or partial copies, modifications, or merged portions in any form. Upon request, Customer shall deliver evidence of such destruction to Esri (e.g., certification letter). Except in the event that the Master Agreement has been terminated for Customer's uncured material breach, Customer and Authorized Entities may continue to use Rolled-In Software, provided Customer and Authorized Entities comply with the terms and conditions of the Master Agreement. Further, Esri agrees that Customer and Authorized Entities are not required to pay a maintenance reinstatement fee for lapsed maintenance for Rolled-In Software if Customer and Authorized Entities, as may be applicable, order maintenance at time of EA termination. Other items that may be included in this EA—such as Advantage Program, Training Pass days, access codes, and Esri User Conference registrations—will also terminate if this EA is terminated.

6.0—CONFIDENTIALITY

- 6.1 Esri Confidential Information.** The EA Fee and list of EA Products are confidential and proprietary information of Esri. Except as provided herein, Customer shall not publish or disclose the EA Fee or list of EA Products to any third party without Esri's prior written consent. OEM partners' business model, licensing terms and conditions, and pricing are independent of this EA. Customer and Authorized Entities will not seek any discount from the OEM partner or Esri based on the availability of EA Products under this EA. Customer and Authorized Entities will not decouple Esri products or services from the OEM partners' application or service. Esri products or services embedded in third-party products or services are not EA Products.
- 7.2 Annual Report of Deployments.** At each anniversary date and ninety (90) calendar days prior to the expiration of this EA, Customer will provide Esri with a written report, in a form acceptable to Esri, detailing all Deployments (each a "Deployment Report"). Such items can be made available to Customer or Authorized Entities on a limited-quantity basis or as unit-priced items.
- 7.5 Relationship of the Parties.** This EA will not be construed or interpreted as an exclusive dealings agreement. This EA does not constitute a partnership, joint venture, or agency between Esri and Customer. Neither Esri nor Customer will hold itself out as such, nor shall Esri or Customer be bound or become liable because of any representation, action, or omission of the other.
- 7.6 GIS Standard.** Either party may publicize the existence of this EA. Customer shall officially name Esri as its GIS standard and act as a reference for other Esri customers and potential customers as long as the EA remains in effect.

There will be no decrease in the EA Fee as a result of any Ownership Change.

- 8.1** Customer may not transfer or Deploy EA Products to any third party in connection with a divestiture, merger, or sale of Customer or its assets, in whole or in part. If an Ownership Change results in a divestiture or a transfer or sale of a portion of Customer's or an Authorized Entity's organization or its assets, that portion of Customer's or the Authorized Entity's organization will return the EA Products to Customer or the applicable Authorized Entity or uninstall, remove, and destroy all copies of the EA Products.
- 8.2** This EA may not be assigned to a successor entity as a result of an Ownership Change unless approved by Esri in writing in advance. If the assignment to the new entity is not approved, Customer and Authorized Entities will require any successor entity to uninstall, remove, and destroy the EA Products. This Agreement will terminate upon such Ownership Change.
- 8.3** If Customer or an Authorized Entity merges with or acquires part of another entity or its assets, Esri reserves the right to increase the EA Fee in proportion to the anticipated increase in Deployments or terminate this EA and the parties will negotiate a new agreement. If Customer or an Authorized Entity acquires another entity and Customer would like to Deploy EA Products to that entity, Esri and Customer must first sign an amendment to this EA adding the new entity as an Authorized Entity and agree to an increase in the EA Fee.

Esri will invoice ODCs, including travel-related expenses incurred, plus a 15 percent burden.
 - 2. Esri may reallocate the budget between activities, labor categories, and ODCs as necessary to facilitate the work effort, provided the overall price is not exceeded. If Esri reaches the funded not-to-exceed Task Order value and the activities are not completed, Customer may increase the order funding to allow additional work to be performed, or Esri may stop work without further obligation or liability.

B.5.3 General Indemnity. Esri will defend and hold all Indemnitees harmless from, and indemnify any Loss arising out of, any Claim for bodily injury, death, or tangible or real property damage brought against any of the Indemnitees to the extent arising from any negligent act or omission or willful misconduct by Esri or its directors, officers, employees, or agents performing Services while on Customer's site.

B.5.4 Conditions for Indemnification. As conditions for indemnification, but for those defined as Infringement Claims (see B.5.2 c.), Indemnatee will (i) promptly notify Esri in writing of the Claim, (ii) provide all available documents describing the Claim, (iii) give Esri sole control of the defense of any action and negotiation related to the defense or settlement of any Claim, and (iv) reasonably cooperate in the defense of the Claim at Esri's request and expense.

ARTICLE B.7—SECURITY AND COMPLIANCE

B.7.1 Security. Esri publishes its security capabilities at <https://trust.arcgis.com>. Customer may give Esri personnel access to Customer systems or to Customer or third-party personal information, controlled information, or sensitive data if access is essential for Esri's performance of Services and if Esri expressly agrees to such access. Esri will use reasonable administrative, technical, and physical safeguards to protect such data and guard against unauthorized access. Customer bears responsibility to (i) confirm that Esri's published security and privacy controls meet all applicable legal requirements for protection of Customer Content and (ii) upload or share Customer Content through Cloud Services only when it is legal to do so. Esri is not responsible to review Customer Content to ensure compliance with applicable laws and regulations. Customer must contact Esri at securesupport@esri.com for further instruction before providing any Customer Content that requires security measures other than Esri's published security capabilities.

B.7.2 Malicious Code. Esri will use commercially reasonable efforts to ensure that Esri Offerings will not transmit any Malicious Code to Customer. Esri is not responsible for Malicious Code that Customer introduces to Esri Offerings or that is introduced through Third-Party Content.

B.7.3 Export Compliance. Each party will comply with all applicable export and trade sanctions laws and regulations, including the US Department of Commerce's Export Administration Regulations (EAR), the US Department of State's International Traffic in Arms Regulations (ITAR), the US Department of Treasury, Office of Foreign Assets Control (OFAC) Regulations, and other applicable export laws. Customer will not export, reexport, transfer, release, or otherwise dispose of, in whole or in part, or permit access to or transfer or use of Services or Esri Offerings to any United States embargoed countries currently including Iran, Syria, North Korea, Cuba, Crimea region of Ukraine, the Donetsk People's Republic (DNR) and Luhansk People's Republic (LNR), or denied entities or persons except in accordance with all then-current applicable US government export laws and regulations. Customer will not export, reexport, transfer, or use Services or Esri Offerings for certain missile, nuclear, chemical, or biological activities or end uses without proper authorization from the US government. Customer shall immediately notify Esri in writing if any US government entity or agency denies, suspends, or revokes Customer's export privileges. Customer will not upload, store, or process in Cloud Services any Customer Content that (i) has an Export Control Classification Number (ECCN) other than EAR99 or (ii) is controlled for export from the United States under ITAR. Customer will notify Esri in advance if Esri's performance

of any Services or provision of any Esri Offerings is related to any defense article, defense service, or technical data, as defined under the ITAR Sections 120.31, 120.32, and 120.33, respectively; Esri will not perform any such Services or provide any such Esri Offerings until Esri obtains any necessary export license from the US government. Customer will reasonably assist Esri in applying for and obtaining an export license if needed.

B.7.4 Privacy. Esri will process personal data according to the terms of the Data Processing Addendum available at <https://www.esri.com/en-us/privacy/overview>.

ARTICLE B.8—CLOUD SERVICES

B.8.1 Prohibited Uses. Customer shall not provide Customer Content or otherwise access or use Cloud Services in a manner that

- a. Creates or transmits spam, spoofings, or phishing email or offensive, hate-related or defamatory material; or stalks or makes threats of physical harm;
- b. Stores or transmits any Malicious Code;
- c. Violates any law or regulation;
- d. Infringes or misappropriates the rights of any third party;
- e. Probes, scans, or tests the vulnerability of Cloud Services or breach any security or authentication measures used by Cloud Services without written approval from Esri's Product Security Officer; or
- f. Benchmarks the availability, performance, or functionality of Cloud Services.

B.8.2 Service Interruption. System failures or other events beyond Esri's reasonable control may interrupt Customer's access to Cloud Services. Esri may not be able to provide advance notice of such interruptions.

B.8.3 Customer Content.

- a. Customer grants Esri and its subcontractors a nonexclusive, nontransferable, worldwide right to host, run, modify, and reproduce Customer Content as needed to provide Cloud Services to Customer. Esri will not access, use, or disclose Customer Content without Customer's written permission except as reasonably necessary to support Customer's use of Cloud Services. Except for the limited rights granted to Esri under this Agreement, Customer retains all its rights, title, and interest in the Customer Content.
- b. If Customer accesses Cloud Services with an application provided by a third party, Esri may disclose Customer Content to such third party as necessary to enable interoperation between the application, Cloud Services, and Customer Content.
- c. Esri may disclose Customer Content if required to do so by law or regulation or by order of a court or other government body, in which case Esri will reasonably attempt to limit the scope of disclosure.
- d. When Customer's use of Cloud Services ends, Esri will either
 1. Make Customer Content available to Customer for download for a period of 30 days unless Customer requests a shorter window of availability or Esri is legally prohibited from doing so; or
 2. Download all Customer Content in Esri's possession to a medium of Customer's choosing and deliver such Customer Content to Customer.

Esri will have no further obligations to store or return Customer Content at the conclusion of the Cloud Services.

B.8.4 Removal of Customer Content. Esri may remove or delete Customer Content if there is reason to believe that uploading Customer Content to or using it with Cloud Services materially violates this Agreement. If reasonable under these circumstances, Esri will notify Customer before removing Customer Content. Esri will respond to any Digital Millennium Copyright Act takedown notices in accordance with Esri's copyright policy, available at www.esri.com/legal/dmca_policy.

B.8.5 Service Suspension. Esri may suspend access to Cloud Services (i) if Customer materially breaches this Agreement and fails to timely cure the breach; (ii) if Esri reasonably believes that Customer's use of Cloud Services will subject Esri to immediate liability or adversely affect the integrity, functionality, or usability of the Cloud Services; (iii) for scheduled maintenance; (iv) to enjoin a threat or attack on Cloud Services; or (v) if Cloud

Services become prohibited by law or regulated to a degree that continuing to provide them would impose a commercial hardship. When feasible, Esri will notify Customer of any Cloud Services suspension beforehand and give Customer reasonable opportunity to take remedial action.

Esri is not responsible for any damages, liabilities, or losses that may result from any interruption or suspension of Cloud Services or removal of Customer Content as described above.

B.8.6 Notice to Esri. Customer will promptly notify Esri if Customer becomes aware of any unauthorized use of Customer's subscription or any other breach of security regarding Cloud Services.

ARTICLE B.9—GENERAL PROVISIONS

B.9.1 Payment. Customer will pay each correct invoice no later than 30 days after receipt and will remit payment to the address stated on the invoice. Customers outside the United States will pay the authorized distributor's invoices in accordance with the authorized distributor's payment terms.

B.9.2 Feedback. Esri may freely use any feedback, suggestions, or requests for Product improvement that Customer provides to Esri.

B.9.3 Patents. Customer may not seek, and may not permit any other user to seek, a patent or similar right worldwide that is based on or incorporates any Products. This express prohibition on patenting will not apply to Customer's software and technology except to the extent that Products, or any portion thereof, are part of any claim or preferred embodiment in a patent application or a similar application.

B.9.4 Restrictions on Solicitation. Neither party will solicit for hire any employee of the other party who is associated with the performance of Services during the performance of the Services and for a period of 1 year thereafter. This does not restrict either party from publicly advertising positions for hire in newspapers, professional magazines, or Internet postings.

B.9.5 Taxes and Fees; Shipping Charges. Pricing of Esri Offerings and Services that Esri quotes to Customer is exclusive of any and all applicable taxes or fees including, but not limited to, sales tax, use tax, or value-added tax (VAT); customs, duties, or tariffs; shipping and handling charges; and vendor enrollment fees. Esri will add any fees that it is required to pay to the total amount of its invoice to Customer. Esri may include estimated taxes and shipping and handling charges in its quotations but may adjust these fees on invoicing. For Customers outside the United States, the authorized distributor may quote taxes or fees in accordance with its own policies.

B.9.6 Compliance Review. Customer will keep accurate and complete records and accounts pertaining to its compliance with its obligations under this Agreement. Esri or its authorized distributor may conduct a compliance review of these records and accounts with no less than 14 business days' written notice or may appoint an independent third party to conduct such a compliance review on its behalf. Customer will promptly correct any noncompliance identified during the compliance review. Neither Esri nor Esri's authorized distributor may conduct a compliance review of Customer within 12 months after the conclusion of any prior compliance review that does not reveal any material Customer noncompliance.

B.9.7 No Implied Waivers. The failure of either party to enforce any provision of this Agreement is not a waiver of the provisions or of the right of such party thereafter to enforce that or any other provision.

B.9.8 Severability. If any provision of this Agreement is held to be unenforceable for any reason, (i) such provision will be reformed only to the extent necessary to make the intent of the language enforceable, and (ii) all other provisions of this Agreement will remain in effect.

B.9.9 Successor and Assigns. Customer will not assign, sublicense, or transfer Customer's rights or delegate Customer's obligations under this Agreement without Esri's and its authorized distributor's prior written consent, and any attempt to do so without consent will be void. This Agreement will be binding on the respective successors and assigns of the parties to this Agreement. Notwithstanding, a contractor under contract to the government to deliver Products may assign this Agreement and Products acquired for delivery to its government

customer upon written notice to Esri, provided the government customer assents to the terms of this Agreement. Upon mutual agreement, Esri's Affiliates may provide Services under the terms of this Agreement; in such cases, the Ordering Documents will identify the Affiliate as the party that provides the Services. Esri's authorized distributors are not Affiliates of Esri.

B.9.10 Survival of Terms. The Glossary of Terms and provisions of the following Articles of these General Terms and Conditions will survive the expiration or termination of this Agreement: "Limited Warranties and Disclaimers," "Limitation of Liability," "Indemnifications," and "General Provisions."

B.9.11 US Government Customer. The Products are commercial items, developed at private expense, provided to Customer under this Agreement. If Customer is a US government entity or US government contractor, Esri licenses or provides subscriptions to Customer in accordance with this Agreement under FAR Subparts 12.211/12.212 or DFARS Subpart 227.7202. Esri Data and Online Services are licensed or subscribed under the same DFARS Subpart 227.7202 policy as commercial computer software for acquisitions made under DFARS. Products are subject to restrictions, and this Agreement strictly governs Customer's use, modification, performance, reproduction, release, display, or disclosure of Products. Agreement provisions that are inconsistent with federal law regulation will not apply. A US government Customer may transfer Software to any of its facilities to which it transfers the computer(s) on which it has installed such Software. If any court, arbitrator, or board holds that a US government Customer has greater rights to any portion of Products under applicable public procurement law, such rights will extend only to the portions affected. ArcGIS Online has been granted FedRAMP tailored low authorization but does not meet higher security requirements including those found in DFARS 252.239-7010.

B.9.12 Governing Law. This Agreement is not subject to the United Nations Convention on Contracts for the International Sale of Goods.

- a. **Government Entities.** If Customer is a government entity, the applicable laws of Customer's jurisdiction govern this Agreement.
- b. **Nongovernment Entities.** US federal law and the law of the State of California exclusively govern this Agreement, excluding their respective choice of law principles.

B.9.13 Dispute Resolution. The parties will use the following dispute resolution processes:

- a. **Equitable Relief.** Either party will have the right to seek an injunction, specific performance, or other equitable relief in any court of competent jurisdiction without the requirement of posting a bond or proving injury as a condition for relief.
- b. **US Government Agencies.** This Agreement is subject to the Contract Disputes Act of 1978, as amended (41 USC 601–613).
- c. **Other Government Entities.** Esri will comply with mandatory dispute resolutions under applicable law.
- d. **Arbitration.** Except as noted above, the parties will submit to binding arbitration to resolve any dispute arising out of or relating to this Agreement that cannot be settled through negotiation. If Customer is in the United States or one of its territories or outlying areas, the Commercial Arbitration Rules of the American Arbitration Association will govern the arbitration proceedings. If Customer is outside the United States, the Rules of Arbitration of the International Chamber of Commerce will govern the proceedings. The parties will select a single arbitrator in accordance with the applicable arbitration rules. The language of the arbitration will be English. Arbitration will be at an agreed-upon location. Either party will, at the request of the other, make available documents or witnesses relevant to the major aspects of the dispute.

B.9.14 Force Majeure. A party will not be liable for any failure of or delay in the performance of this Agreement for the period that such failure or delay is due to causes beyond the party's reasonable control. Such causes may include, but are not limited to, acts of God, war, strikes, labor disputes, cyber attacks, laws, regulations, government orders, or any other force majeure event.

B.9.15 Independent Contractor. Esri is and at all times will be an independent contractor. Nothing in this Agreement creates an employer/employee, principal/agent, or joint venture relationship between Esri or its authorized distributor and Customer. No party has any authority to enter into contracts on behalf of another party or otherwise act on behalf of another party.
