

HEARD IT THROUGH THE GRAPEVINE:
**Public Health Partnerships,
Collaboration, and Innovation**

JULY 23-26, 2024
DETROIT, MICHIGAN

Registration Open!

Annually, NACCHO360 is the largest convening of local health department leaders and public health professionals in the United States, offering the opportunity to learn, network, and share experiences and best practices across local health departments. In 2024, the public health community will gather in Detroit, Michigan, July 23-26, to explore our conference theme, "***Heard it Through the Grapevine: Public Health Partnerships, Collaboration, and Innovation.***"

Attendees, both on-site at the [Huntington Place Convention Center](#) and watching via livestream, will learn how to adopt effective practices, engage with federal and state partners, and gain insights from public health experts.

[Subscribe to the NACCHO360 e-newsletter](#) to get the latest news on 2024.

Stay tuned for abstract notifications to be released the week of March 11!

What is PHI*con?

PHI*con is NACCHO's Conference specifically focusing on Public Health Informatics, Surveillance, and IT. **PHI*con 2024** is a separate conference from NACCHO360 and will take place from July 22 to July 23, ahead of NACCHO360.

Registrations for PHI*con and NACCHO360 can be purchased separately or bundled together at a discounted rate. Learn more on the [PHI*con website](#) and be sure to check out our "[Bring a PHRriend Promotion](#)."
