15. **Captions.** The section captions used in this Agreement are for convenience of reference only and do not affect the interpretation or construction of this Agreement.
16. **Electronic and Digital Signatures.** The parties to this Agreement agree that any electronic and/or digital signatures of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as the use of manual signatures.
17. **Compliance with Laws.** SHI shall comply with all federal, state, and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies or tribunals in any matter affecting the performance of this Agreement, including, without limitation, Worker's Compensation laws, minimum and maximum salary and wage statutes and regulations, licensing laws and regulations. When required by County, SHI shall furnish County with certification of compliance with said laws, statutes, ordinances, rules, regulations, orders, and decrees above specified.
18. **Independent Contractor.** In the performance of work or services hereunder, SHI shall be deemed an independent contractor, and any of its agents, employees, officers, or volunteers performing work required hereunder shall be deemed solely as employees of SHI or, where permitted, of its subcontractors. SHI and its agents, employees, officers, or volunteers shall not, by performing work pursuant to this Agreement, be deemed to be employees, agents, or servants of County and shall not be entitled to any of the privileges or benefits of County employment.
19. **Further Assurances.** Each party further agrees that it shall take any and all necessary steps and sign and execute any and all necessary documents or agreements required to implement the terms of the agreement of the parties contained in this contract, and each party agrees to refrain from taking any action, either expressly or impliedly, which would have the effect to prohibiting or hindering the performance of the other party to this Agreement.

20. **Remote Access.** As applicable to this Agreement, if SHI and/or SHI's Workforce requires remote access to County Systems for support, installation, integrations, configurations, and/or maintenance, except as otherwise agreed by the parties and approved by the County's Director of Information Technology and Chief Information Officer in writing, the below requirements must be met before SHI and/or SHI's Workforce is granted remote access to County Systems:

- a. SHI and/or SHI's Workforce will adhere to the restricted and monitored channels that are provided by the County, or other technologies approved in advanced in writing by the County's Director of Information Technology and Chief Information Officer.
- b. SHI and/or SHI's Workforce will neither implement nor deploy a remote access solution which bypasses and/or is designed to bypass County provided or approved controls. SHI and/or SHI's Workforce will not access County Systems via unauthorized methods.
- c. SHI's and/or SHI's Workforce's remote access to County Systems will only be requested and activated on as-needed basis and disabled when not in use.
- d. Remote access is restricted only to County Systems necessary for SHI and/or SHI's Workforce to provide Services to County pursuant to this Agreement.
- e. SHI will allow only its Workforce approved in advance by County to access County Systems. SHI and SHI's Workforce will supply County with evidence of access logs concerning remote access to County Systems upon written request from County. Such access logs will be provided to County, within three business days from the date of County's request. These requests may be used to confirm compliance with these terms and/or to investigate a security incident.

This is due to the possibility of sensitive information being monitored by video or computer surveillance in public areas.
- g. Failure of SHI and/or SHI's Workforce to comply with this Section may result in SHI and/or SHI's Workforce losing remote access to County Systems. County reserves the right at any time to disable remote access to protect County Systems.
- h. For purposes of this Section, "Workforce" means employees, agents, assignees, subcontractors (where permitted), and/or other persons whose conduct, in the performance of work for SHI, is under the direct control of SHI, whether or not they are paid by SHI and who have direct or incidental access to County Systems.
