Re: Renewal of Property & Casualty Insurance Programs for Policy Year 4/1/2024-2025

Dear Honorable Court Members:

Attached you will find a Property & Casualty Insurance renewal summary for Fort Bend County. The Brit Global, USA Premier Public Entity "Package" (Brit Insurance), the Crum & Forster Specialty Cyber insurance, the Midwest Employers Casualty Company Excess Workers Compensation coverage, the Admiral Insurance Company Medical Professional Liability insurance, the QBE Insurance Corporation Aviation Insurance, Virtue Guard pollution coverage and Excess Property & Equipment Breakdown coverage (provided as a layered and quote a share program with multiple carriers).

Following a review with our Insurance Broker, McGriff Seibels & Williams and considering options, this is the recommended program submitted for your approval.

Quotes were based on increased exposures (property values, payroll, personnel and claims experience) and market trends.

Respectfully,

Wyatt Scott

Director of Risk Management
