

## TRIPLE R LOAN PROGRAM

Regional | Revolving | Resilience

*"Triple R Loan impacted my business tremendously.*

*I started my business in the middle of 2019, right before COVID. Then COVID hit and we had the lockdown. I could not see any clients and my business got crushed. I could not take a salary, and I used all of my savings for rent and utilities. Finally, I maxed out my credit card to keep up with office supplies.*

*Thanks to the Triple 'R' Loan, I was able to pay off my business credit card and other small loans. Now I am able to reinvent my business and invest in advertising. My business is doing well. I can focus on providing therapeutic care to the community without worrying about overhead bills."*

- Dieula Joseph, Gallant Counseling Services
