Re: Public Road Connection for Juliff-Manvel at FM 521 on behalf of Brazoria County Municipal Utility District No 87 – Sponsorship

Honorable Judge George:

Fort Bend County Engineering Department has received and reviewed a request (letter attached) from LJA Engineering on behalf of Brazoria County MUD No. 87 for Fort Bend County to sponsor a project for a public road connection for Juliff-Manvel at FM 521. The road connection will modify the existing street connection to a wider pavement section.

Any and all cost involved with the project will be borne by Brazoria County MUD No 87. There will be no cost to Fort Bend County.

The Texas Department of Transportation requests that an agency, such as Fort Bend County, act as a sponsor for the project. This means that the permit for the work will be issued in the name of Fort Bend County and the County accepts responsibility for the terms and conditions of the permit.

We recommend acceptance of the sponsorship and request that this item be placed on the 5/28/2024 Commissioners Court agenda. We have prepared a letter to Texas Department of Transportation for the County Judges' signature.

If there are any questions please do not hesitate to call.

Sincerely,
