Kristen,

I cannot move from the GSA rate of \$107.00.

Please note that the amount of \$140.22 can be deducted from the expense report or an Commissioner's court exception to the GSA rate will be required for the expense report to be paid in full.

You sent see below.... I never got anything below. And I did not. I called the manager and I called corporate. The manger said it was within their policy to charge government rates. Corporate said hotels in the area are in charge of their own rates and setting daily rates.

Thank you for the additional information. Unfortunately, we are bound by the GSA rate of \$107.00.

The difference can be deducted from the expense report (\$140.22)

Please let me know how you would like to proceed.
