About Us

The South Asian Bar Association of North America's (SABA-NA) Annual Conference is the premier professional development and networking event for South Asian lawyers in North America. This year, our in-person Annual Conference will take place at the Hilton Toronto in Toronto, ON from July 11-14, 2024. The Annual Conference includes several days of activities ranging from professional and networking development, cultural engagement and celebration, to substantive legal programming, all set over a celebratory backdrop of food, entertainment, and social events with a unique South Asian flavor.

The Annual Conference also features programming from the SABA North America Foundation, which was started by SABA members to encourage philanthropy; promote, fund, and encourage the professional growth and development of the South Asian Legal Community in North America; support research on issues relevant to the South Asian Legal Community in North America; and educate the South Asian community in North America on the legal system and access to justice, while fostering confidence in the rule of law.
