18. CUSIP Numbers. CUSIP Numbers may be printed on the Bonds, but errors or omissions in the printing of such numbers shall have no effect on the validity of the Bonds.

19. Debt Service Fund; Tax Levy. A special fund to be designated “Fort Bend County, Texas Unlimited Tax <sup>20</sup> Bonds, Series <sup>21</sup> Debt Service Fund” is hereby created, and the proceeds from all taxes levied, assessed and collected for and on account of the Bonds authorized by this Order shall be deposited, as collected, in such Fund. While the Bonds or any part of the principal thereof or interest thereon remain outstanding and unpaid, there is hereby levied and there shall be annually assessed and collected in due time, form and manner, and at the same time as other County taxes are assessed, levied and collected, in each year, a continuing direct annual ad valorem tax, without limit as to rate or amount, upon all taxable property in the County, sufficient to pay the interest on the Bonds as the same becomes due, and to create and provide a sinking fund of not less than 2% of the principal amount of the Bonds or of not less than the amount required to pay each installment of the principal of the Bonds as the same matures, which is greater, full allowance being made for delinquencies and costs of collection, and said taxes are hereby irrevocably pledged to the payment of the interest on and principal of the Bonds and to no other purpose.

To pay the debt service coming due on any Bonds issued prior to receipt of the taxes levied to pay such debt service, there is hereby appropriated from current funds on hand, which are hereby certified to be on hand and available for such purpose, an amount sufficient to pay such debt service, and such amount shall be used for no other purpose.

20. Application of Chapter 1208, Texas Government Code. Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the taxes granted by the County under Section 19 of this Order, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of the taxes granted by the County under Section 19 of this Order is to be subject to the filing requirements of Chapter 9, Texas Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the County agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

21. Further Proceedings. After the Initial Bond has been executed, it shall be the duty of the President of the Commissioners Court and other appropriate officials and agents of the County to deliver the Initial Bond and all pertinent records and proceedings to the Attorney General of the State of Texas, for examination and approval. After the Initial Bond has been approved by the Attorney General, it shall be delivered to the Comptroller for registration. Upon registration of the Initial Bond, the Comptroller (or the Comptroller’s bond clerk or an assistant bond clerk lawfully designated in writing to act for the Comptroller) shall manually sign the

“Yield of”

(1) any Investment shall be computed in accordance with Section 1.148-5 of the Regulations, and

(2) the Bonds shall be computed in accordance with Section 1.148-4 of

the Regulations.

(b) Not to Cause Interest to Become Taxable. The County shall not use, permit the use of or omit to use Gross Proceeds of the Bonds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which, if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the County shall have received a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the County shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the regulations and rulings thereunder, the County shall, at all times after the Issue Date of any Bond and prior to the last stated maturity of the Bonds

(i) exclusively own, operate, and possess all property the acquisition, construction, or improvement of which is to be financed directly or indirectly with Gross Proceeds of the Bonds and not use or permit the use of such Gross Proceeds or any property acquired, constructed, or improved with such Gross Proceeds in any activity carried on by any person or entity other than a state or local government, unless such use is solely as a member of the general public, or

(ii) not directly or indirectly impose or accept any charge or other payment for use of Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with such Gross Proceeds other than taxes of general application and interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan. Except to the extent permitted by Section 141 of the Code and the regulations and rulings thereunder, the County shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, Gross Proceeds are considered to be "loaned" to a person or entity if (1) property acquired, constructed or improved with Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes, (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output, or similar contract or arrangement, or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or such property are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the regulations and rulings thereunder, the County shall not, at any time prior to the earlier of the final stated maturity or final payment of the Bonds, directly or indirectly invest Gross Proceeds of the Bonds in any Investment (or use such Gross Proceeds to replace money so invested),

if as a result of such investment the Yield of all Investments allocated to such Gross Proceeds whether then held or previously disposed of, exceeds the Yield on the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the regulations and rulings thereunder, the County shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the regulations and rulings thereunder.

(g) Information Report. The County shall timely file with the Secretary of the Treasury the information required by Section 149(e) of the Code with respect to the Bonds on such forms and in such place as such Secretary may prescribe.

(h) Payment of Rebate Amount. Except to the extent otherwise provided in Section 148(f) of the Code and the regulations and rulings thereunder, the County shall:

(i) account for all Gross Proceeds of the Bonds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of such accounting for at least nine years after the final Computation Date. The County may, however, to the extent permitted by law, commingle Gross Proceeds of the Bonds with other money of the County, provided that the County separately accounts for each receipt and expenditure of such Gross Proceeds and the obligations acquired therewith,

(ii) calculate the Rebate Amount with respect to the Bonds not less frequently than each Computation Date, in accordance with rules set forth in Section 148(f) of the Code, Section 1.148-3 of the Regulations, and the rulings thereunder. The County shall maintain a copy of such calculations for at least three years after the final Computation Date,

(iii) as additional consideration for the purchase of the Bonds by the initial purchasers thereof and the loan of the money represented thereby, and in order to induce such purchase by measures designed to ensure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, pay to the United States the amount described in paragraph (2) above at the times, in the installments, to the place, in the manner and accompanied by such forms or other information as is or may be required by Section 148(f) of the Code and the regulations and rulings thereunder, and

(iv) exercise reasonable diligence to assure that no errors are made in the calculations required by paragraph (2) and, if such error is made, to discover and promptly to correct such error within a reasonable amount of time thereafter, including payment to the United States of any interest and any penalty required by the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the

Code and the regulations and rulings thereunder, the County shall not, at any time after the Issue Date of the Bonds and prior to the earlier of the final stated maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Not Hedge Bonds. The County will not invest more than 50 percent of the proceeds of the Bonds, in Nonpurpose Investments having a guaranteed yield for four years or more. On the Issue Date of the Bonds, the County will reasonably expect that at least 85 percent of the Net Sale Proceeds of the Bonds would be used to carry out the governmental purpose of such series within three years after the Issue Date of such series.

23. Continuing Disclosure Undertaking. If the Bonds are sold by public offering or are otherwise subject to SEC Rule 15c2-12, the following provisions shall apply:

(a) Annual Reports. The County will provide annually to the MSRB, (1) within six months after the end of each fiscal year of the County, financial information and operating data with respect to the County of the general type included in this Official Statement, authorized pursuant to Section 24 of this Order, under Tables numbered 1 through 7 and 9 through 15 and (2) if not provided as part such financial information and operating data, audited financial statements of the County, when and if available. Any financial statements to be provided shall be (i) prepared in accordance with the accounting principles described in APPENDIX B of the Official Statement or such other accounting principles as the County may be required to employ from time to time pursuant to state law or regulation, and in substantially the form included in the official statement, and (ii) audited, if the County commissions an audit of such financial statements and the audit is completed within the period during which they must be provided. If the audit of such financial statements is not complete within 12 months after any such fiscal year end, then the County shall file unaudited financial statements within such 12-month period and audited financial statements for the applicable fiscal year, when and if the audit report on such statements becomes available.

If the County changes its fiscal year, it will submit a notice of such change to the MSRB, and the date of the new fiscal year end prior to the next date by which the County otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB).

(b) Event Notices. The County shall submit a notice to the MSRB, in a timely manner (not in excess of ten (10) business days after the occurrence of an event), of any of the following events with respect to the Bonds:

- (i) Principal and interest payment delinquencies;
- (ii) Non-payment related defaults, if material;
- (iii) Unscheduled draws on debt service reserves reflecting financial

- difficulties;
- (iv) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (v) Substitution of credit or liquidity providers or their failure to perform;
- (vi) Adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (vii) Modifications to rights of holders of the Bonds, if material;
- (viii) Bond calls, if material, and tender offers;
- (ix) Defeasances;
- (x) Release, substitution, or sale of property securing repayment of the Bonds, if material;
- (xi) Rating changes;
- (xii) Bankruptcy, insolvency, receivership or similar event of the County;
- (xiii) The consummation of a merger, consolidation, or acquisition involving the County or the sale of all or substantially all of the assets of the County, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (xiv) Appointment of a successor or additional trustee or the change of name of a trustee, if material;
- (xv) Incurrence of a financial obligation of the County, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the County, any of which affect security holders, if material; and
- (xvi) Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the County, any of which reflect financial difficulties.

For these purposes, any event described in (xii) in the immediately preceding paragraph is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the County in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the County, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the County.

As used in clauses (xv) and (xvi) above, the term “financial obligation” means a (a) debt obligation; (b) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (c) guarantee of a debt obligation or any such derivative instrument; provided that “financial obligation” shall not include municipal securities as to which a final official statement (as defined in the Rule) has been provided to the MSRB consistent with the Rule.

The County shall notify the MSRB, in a timely manner, of any failure by the County to provide financial information or operating data in accordance with Section 27(a) of this Order by the time required by such Section.

All information and notices shall be provided to the MSRB in an electronic format, as prescribed by the MSRB, and all documents provided to the MSRB pursuant to this Section shall be accompanied by identifying information, as prescribed by the MSRB.

(c) Limitations, Disclaimers, and Amendments. The County shall be obligated to observe and perform the covenants specified in this Section for so long as, but only for so long as, the County remains an “obligated person” with respect to the Bonds within the meaning of the Rule, except that the County in any event will give notice of any deposit made in accordance with Texas law that causes Bonds no longer to be outstanding.

The provisions of this Section are for the sole benefit of the holders and the beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The County undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the County’s financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The County does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE COUNTY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE COUNTY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the County in observing or performing its obligations under this Section shall comprise a breach of or default under this Order for purposes of any other provision of this Order.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the County under federal and state securities laws.

The provisions of this Section may be amended by the County from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, or status or type of principal payment of the County, if (1) the agreement, as so amended, would have permitted an underwriter to purchase or sell Bonds in the initial primary offering in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the holders of a majority in aggregate amount of the outstanding Bonds consent to such amendment or (b) a person unaffiliated with the County (such as nationally recognized bond counsel) determines that the amendment will not materially impair the interests of the holders and beneficial owners of the Bonds. The County may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds. If any such amendment is made, the County will include in its next annual update an explanation in narrative form of the reasons for the change and its impact on the type of operating data or financial information being provided.

(d) The provisions of this Section may be amended by the County from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the County, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell the Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the registered Owners of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the County (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the registered Owners and beneficial owners of the Bonds. If the County so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with this Section an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided. The County may also amend or repeal the provisions of this Section if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, and the County also may amend the provisions of this Section in its discretion in any other manner or circumstance, but in any case only if and to the extent that the provisions of this sentence would not have prevented an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds, giving effect to (a) such provisions as so amended and (b) any amendments or interpretations of the Rule.

24. Official Statement. The County hereby approves the form and content and distribution of the Preliminary Official Statement prepared in the initial offering and sale of the Bonds and hereby authorizes the preparation of a final Official Statement reflecting the terms of

the Purchase Agreement and other relevant information. The use of such final Official Statement by the Underwriters is hereby approved and authorized and the proper officials of the County are authorized to sign such Official Statement. In the event the Bonds are sold pursuant to a competitive sale, the Pricing Officer is hereby authorized to approve, in the name and on behalf of the County, in connection with the sale of the Bonds, the preparation and distribution of a Notice of Sale.

25. Power to Revise Form of Documents. Notwithstanding any other provision of this Order, the County Judge is hereby authorized to make or approve such revisions, additions, deletions, and variations to this Order, in the judgment of the County Judge, and in the opinion of Bond Counsel to the County, may be necessary or convenient to carry out or assist in carrying out the purposes of this Order, the Preliminary Official Statement, the final Official Statement, or as may be required for approval of the Bonds by the Attorney General of Texas; provided, however, that any changes to such documents resulting in substantive amendments to the terms and conditions of the Bonds or such documents shall be subject to the prior approval of the Commissioners Court.

25. Related Matters. To satisfy in a timely manner all of the County's obligations under this Order and the Purchase Agreement, the County Judge, the Pricing Officer, the County Clerk or the Deputy County Clerk, and all other appropriate officers and agents of the County are hereby authorized and directed to take all other actions that are reasonably necessary to provide for the issuance of the Bonds, including, without limitation, executing and delivering on behalf of the County all certificates, consents, receipts, requests, and other documents as may be reasonably necessary to satisfy the County's obligations under the Purchase Agreement and this Order and to direct the application of funds of the County consistent with the provisions of this Order.

26. Registrar. The form of agreement setting forth the duties of the Registrar is hereby approved, and the appropriate officials of the County are hereby authorized to execute such agreement for and on behalf of the County.

27. No Personal Liability. No recourse shall be had for payment of the principal of or interest on any Bonds or for any claim based thereon, or on this Order, against any official or employee of the County or any person executing any Bonds.

28. Open Meeting. It is hereby officially found and determined that the meeting at which this Order was adopted was open to the public, and that public notice of the time, place and purpose of said meeting was given, all as required by the Texas Open Meetings Act.
