If County does not dispute the invoice(s), then County shall pay each such approved invoice(s) within thirty (30) calendar days. It is specifically understood and agreed that in the event no funds or insufficient funds are appropriated by Fort Bend County under this Agreement, Fort Bend County shall notify all necessary parties that this Agreement shall thereafter terminate and be null and void on the last day of the fiscal period for which appropriations were made without penalty, liability or expense to Fort Bend County. County is a body corporate and politic under the laws of the State of Texas and claims exemption from sales and use taxes. A copy of a tax-exempt certificate will be furnished upon request. Interest resulting from late payments by County shall be governed by Chapter 2251, TEXAS GOVERNMENT CODE.
5. **Limit of Appropriation.** OCV clearly understands and agrees, such understanding and agreement being of the absolute essence of this Agreement, that County shall have available the total maximum sum of Eighty-Two Thousand, One Hundred Thirty-Five dollars and 50/100 (\$82,135.50), specifically allocated to fully discharge any and all liabilities County may incur. OCV does further understand and agree, said understanding and agreement also being of the absolute essence of this Agreement, that the total maximum compensation that OCV may become entitled to and the total maximum sum that County may become liable to pay to OCV shall not under any conditions, circumstances, or interpretations thereof exceed Eighty-Two Thousand, One Hundred Thirty-Five dollars and 50/100 (\$82,135.50). In no event will the amount paid by the County for all Services under this Agreement exceed this Limit of Appropriation without an amendment executed by the parties.

GOV'T CODE ANN. §§ 552.001 *et seq.*, as amended, and notwithstanding any provision in the Agreement to the contrary, County will make any information related to the Agreement, or otherwise, available to third parties in accordance with the Texas Public Information Act. Any proprietary or confidential information marked as such provided to County by OCV shall not be disclosed to any third party, except as directed by the Texas Attorney General in response to a request for such under the Texas Public Information Act, which provides for notice to the owner of such marked information and the opportunity for the owner of such information to notify the Attorney General of the reasons why such information should not be disclosed. The terms and conditions of the Agreement and this Addendum are not proprietary or confidential information.

OCV expressly acknowledges that County is subject to the Texas Open Meetings Act, TEX. GOV'T CODE ANN. §§ 551.001 *et seq.*, as amended, and notwithstanding any provision in the Agreement to the contrary, County will comply with the provisions of the Texas Open Meetings Act in relation to the Agreement.

7. **Indemnity.** The parties agree that under the Constitution and laws of the State of Texas, County cannot enter into an agreement whereby County agrees to indemnify or hold harmless another party; therefore, all references of any kind to County defending, indemnifying, holding or saving harmless OCV for any reason are hereby deleted.
8. **Applicable Law; Arbitration; Attorney Fees.** The laws of the State of Texas govern all disputes arising out of or relating to this Agreement. The parties hereto acknowledge that venue is proper in Fort Bend County, Texas, for all legal actions or proceedings arising out of or relating to this Agreement and waive the right to sue or be sued elsewhere. Nothing in the Agreement shall be construed to waive the County's sovereign immunity. County does not agree to submit disputes arising out of the Agreement to binding arbitration. Therefore, any references to binding arbitration or the waiver of a right to litigate a dispute are hereby deleted. County does not agree to pay any and/or all attorney fees incurred by OCV in any way associated with the Agreement.
9. **Certain State Law Requirements for Contracts.** The contents of this Section are required by Texas Law and are included by County regardless of content. No failure or delay in exercising any right or remedy or requiring the satisfaction of any condition under this Agreement, and no course of dealing between the parties, operates as a waiver or estoppel of any right, remedy, or condition. The rights and remedies of the parties set forth in this Agreement are not exclusive of, but are cumulative to, any rights or remedies now or subsequently existing at law, in equity, or by statute.

OCV will, at its expense, defend any suit brought against County and will indemnify County against an award of damages and costs (including reasonable attorney fees, court costs and appeals), made against County by settlement or final judgment of a court that is based on a claim that the use of OCV's Product infringes an intellectual property right of a third party. Such defense and indemnity shall survive termination or expiration of the Agreement and OCV's liability for the above is not limited by any limitation of liability clauses that may appear in any document executed by the parties.
14. **Performance Warranty.** OCV warrants to County that OCV has the skill and knowledge ordinarily possessed by well-informed members of its trade or profession practicing in the greater Houston metropolitan area and OCV will apply that skill and knowledge with care and diligence to ensure that the Services provided hereunder will be performed and delivered in accordance with the highest professional standards.

15. **Conflict.** In the event there is a conflict between this Addendum and the Agreement, this Addendum controls to the extent of the conflict.
16. **Understanding, Fair Construction.** By execution of this Addendum, the parties acknowledge that they have read and understood each provision, term and obligation contained in this Addendum. This Addendum, although drawn by one party, shall be construed fairly and reasonably and not more strictly against the drafting party than the nondrafting party.
17. **Captions.** The section captions used in this Agreement are for convenience of reference only and do not affect the interpretation or construction of this Agreement.
18. **Electronic and Digital Signatures.** The parties to this Agreement agree that any electronic and/or digital signatures of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as the use of manual signatures.
19. **County Data.** Nothing in this Agreement will be construed to waive the requirements of § 205.009 of the Texas Local Government Code. For the avoidance of doubt, County owns all right and title to its data under this Agreement. Upon termination of this Agreement or upon request by County, the County will be able to retrieve a copy of County data from OCV in a standard industry format, at no additional cost to County. Nothing in this Agreement will be construed to waive the requirements of any record retention laws applicable to County.
20. **Compliance with Laws.** OCV shall comply with all federal, state, and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies or tribunals in any matter affecting the performance of this Agreement, including, without limitation, Worker's Compensation laws, minimum and maximum salary and wage statutes and regulations, licensing laws and regulations. When required by County, OCV shall furnish County with certification of compliance with said laws, statutes, ordinances, rules, regulations, orders, and decrees above specified.
21. **Confidential Information.** OCV acknowledges that it and its employees or agents may, in the course of performing their responsibilities under this Agreement, be exposed to or acquire information that is confidential to County. Any and all information of any form obtained by OCV or its employees or agents from County in the performance of this Agreement shall be deemed to be confidential information of County ("Confidential Information"). Any reports or other documents or items (including software) that result from the use of the Confidential Information by OCV shall be treated with respect to confidentiality in the same manner as the Confidential Information. OCV shall use its best efforts to assist County in identifying and preventing any unauthorized use or disclosure of any Confidential Information. Without limitation of the foregoing, OCV shall advise County immediately in the event OCV learns or has reason to believe that any person who has had access to Confidential Information has violated or intends to violate the terms of this Agreement and OCV will at its expense cooperate with County in seeking injunctive or other equitable relief in the name of County or OCV against any such person. OCV agrees that, except as directed by County, OCV will not at any time during or after the term of this Agreement disclose, directly or indirectly, any Confidential Information to any person, and that upon termination of this Agreement or at County's request, OCV will promptly turn over to County all documents, papers, and other matter in OCV's possession which embody Confidential Information.

OCV acknowledges that a breach of this Section, including disclosure of any Confidential Information, or disclosure of other information that, at law or in equity, ought to remain confidential, will give rise to irreparable injury to County that is inadequately compensable in damages. Accordingly, County may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. OCV acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interest of County and are reasonable in scope and content.

3. ***TERM AND TERMINATION:** The term of this agreement shall begin as of the effective date (date of signatures of both parties) and shall continue thereafter for a period of 3 years.

*At the end of the initial contract period, Host will contact the customer for a renewal confirmation. Confirmation is typically communicated through email or other electronic means. Host will also send a renewal invoice 30 days prior to the expiration of this agreement. Receiving the invoice without renewal confirmation does not lock the customer into renewal. Customer will have 30 days to decline renewal. Host retains ownership of all intellectual property rights associated with the services, its technology and any enhancements or modifications thereof.

4. **AMENDMENTS:** This Agreement may be supplemented, amended, or modified only by the mutual agreement of the parties. No supplement, amendment, or modification of this Agreement shall be binding unless it is in writing and signed by all parties.

5. **ACCEPTANCE OF TERMS:** Use of services provided by Host constitutes acceptance of the terms and conditions contained in this agreement and any amendments thereto.

3 OCV, LLC TERMS AND CONDITIONS

1. **MOBILE APP CREATION AND REVIEW PERIOD:** Upon execution of this contract, the OCVapps team will go to work on designing and building your app(s). At the design phase, we will solicit your initial design ideas, existing graphics and logos and use any other existing asset that you have to set the direction. A mock up / prototype will be developed using graphics and be sent to you for approval/ review. This will happen prior to the start of coding. Upon electronic approval of the prototype images, OCV, LLC will begin coding your app (contingent on having all information from the customer).

Upon completion of the code, OCV will review and test the app at all levels. Once the app passes our internal review and processes, we will upload it to the Apple iTunes Store/Google Play store for official App review and release.

Upon acceptance of the app within the iTunes store/ Google Play store, we will notify you via email/phone. After the App is released in the stores we will train you how to use the control panel and how to update your app. Total elapsed time estimate: ~ 45 - 60 days after all information is provided to Host project management staff.

2. **OCV, LLC Features:** Features will be solidified after contract acceptance.

3. **CUSTOMER/OCV CONTROL:** An OCVapp exists in two parts: the “features” and “content”. The features remain static in nature. The “content” is the update-able features that the client can update. OCV will work with your team to ensure that you can edit the “content” via RSS feeds and a custom web accessible control panel. Unless requested of OCV by the client, only the client can make changes to the content within the control panel.

4. **PUSH NOTIFICATION AND OTHER ALERT NOTIFICATIONS:** An OCVapp may be instrumented with a Push notification or other Alert terminology. OCV does not warranty, suggest, or advertise that an OCVapp is designed for life saving immediate warnings. The OCVapp push notification and alert systems are simply intended to give a central location for end users to see the latest information. While it will be the intent of a push notification to be delivered to your OCVapp, it is not something that can be guaranteed. Due to the technical limitations, multiple internet connections and outside factors that are out of the control of OCV, we suggest that our warnings will almost always be delivered in less than a minute. Some instances will show quicker and others slower. There is a chance that during a storm or other emergency, information may slow due to power outages, mobile phone network shortages or outages and many other factors. In severe situations, the feed may not happen at all.

Note: Never assume that the end user has received the push notification. Due to the requirements of the marketplace, push notifications are opt-in services. A user can turn off the notifications at any time or uninstall the app.

5. **Warranties Disclaimer:** Due to the many links in the overall national and regional communication networks and infrastructure (national/regional cellular/mobile communication networks and their traffic management, land-phone lines and regional switching networks, power grids, etc.) all of which are completely outside the control or monitoring of OCV, OCV disclaims any and all warranties with respect to the Client’s use of an App developed by OCV, direct or indirect, including but not limited to warranties of merchantability and fitness for a particular purpose. In no event shall OCV, its affiliates, business partners, service providers, employees, agents, representatives, or shareholders be liable to customer for any incidental, consequential, indirect, special, or punitive damages (including damages due to: service failures, business or service interruptions, etc.) for any aspect of its service outside of OCV’s direct control.

IN WITNESS WHEREOF, the parties have executed this Agreement by their duly authorized representatives.

This Agreement, together with the following Attachments, constitute the entire Agreement between the parties with respect to the subject matter hereof, and as of the date this Agreement is executed by both Parties, shall supersede any

previous agreements or understandings, written or oral, between the Parties. All modifications to the applicable Compensation arrangement shall be in writing and signed by both Parties and shall not supersede the terms of this Agreement.

The Agreement shall commence on date of customer signature.

The total cost of the agreement is outlined in Section One (1) - Your Investment.

RE: Sole Source Products/Services

To Whom It May Concern:

This letter is to confirm that TheSheriffApp.com and myEMAApp.com mobile smartphone apps are Sole Source products/services, created and sold exclusively by OCV,LLC.

OCV,LLC is the only app development company that specializes in Public Safety Mobile App Development with downloadable native iPhone and Android mobile apps. Although there are other custom app developers, OCV, LLC is the only company that has specialized in serving the unique needs of Sheriffs' Offices and Public Safety for the past ten years, and now serves over eight hundred public safety agencies in more than 40 states. 100% of our design and development is in the U.S.

OCV mobile apps are custom created - from design to engineering - and tailored to serve the unique needs of each agency.

Sole Source Features

OCV, a developer of mobile applications, has built an app for the Fort Bend County Sheriff's Office in Texas. A notable sole source feature we have is the ability to send push notifications to two different apps developed by OCV: the Sheriff's Office app and the Emergency Management app. This unique functionality enables seamless communication and notifications between the two apps, enhancing the efficiency and responsiveness of both departments.

Additionally, OCV has the ability to implement deep linking in each respective app, allowing users to easily navigate between the Fort Bend County Sheriff and Emergency Management apps. This unique functionality enhances communication, efficiency, and user experience for both departments.

A very specific and Sole Source feature allows OCV / TheSheriffApp.com to connect via an API with Appriss/Equifax (Vinelink) that allows users to search current inmates and request status change notifications in APP. Status change requests can be made in APP for individual inmates, once complete

the citizen can choose to be alerted of these changes via email, phone (voice), or text message. We are the only custom app developer with direct access to this inmate data and the ability to register for alerts and notifications when an inmate status is changed.

In addition to our Sole Source Feature listed above, the following is a list of Proprietary Systems available to the agencies we serve include:

- 1) OCV,LLC creates a custom-tailored Administrative Control Panel for each agency to allow for the fluid updating of content and for sending push notifications (alerts) to the phone, website, and social media.
 - a) Scheduled Push Notifications - Allow administrators to schedule future alerts and notifications.
 - b) Scheduled "Hide" capability of alerts/push notifications
 - c) Permission based administrative controls - Allows the agency to have several administrators with different levels of control and access. This allows the agency to engage more staff and target their specific focus in providing information to the citizens they protect.

OCV's custom native mobile apps are a unique resource and solution. They allow for innovative communications with the public, by sharing important alerts, news, emergency communications, inmate information, and much more.

This product must be purchased directly by institutions from OCV,LLC/TheSheriffApp.com at the address listed above.

Sincerely,

Kevin Cummings
