THE STATE OF TEXAS §
 §
COUNTY OF FORT BEND §

This Interlocal Agreement (“Agreement”) is made and entered into by and between Fort Bend County, Texas (the “County”), a political subdivision of the state of Texas, and Fort Bend County Municipal Utility District No. 165 (the “District”). County and District may be collectively referred to as the “Parties” and each individually a “Party.”

WHEREAS, this Agreement is entered into pursuant to Chapter 791 of the Texas Government Code, the Interlocal Cooperation Act (the “Act”), which authorizes local governments to contract with one another to provide governmental functions, mutual aid, and services under the terms of the Act; and

WHEREAS, the Parties are each local governments and are authorized to provide certain governmental functions, including, but not limited to the provision of road and right-of-way improvements; and

WHEREAS, the County is currently making certain sidewalk improvements under Fort Bend County 2023 Mobility Bonds Project No. 23414 (Sidewalk Safety Program); and

WHEREAS, the Parties desire to enter into this Agreement to establish the rights and responsibilities of the Parties with respect to the repair, maintenance, construction, and operation of certain sidewalks which are located in the District and in Commissioner Precinct 4 of Fort Bend County, and are further described on the list attached as Exhibit “A” and incorporated fully by reference; and

WHEREAS, County and District have determined it would be in the best interest of County and District, and to the inhabitants thereof, that provisions be made for the repair, maintenance, and/or construction of said sidewalks listed in Exhibit A; and

NOW, THEREFORE, in consideration of the mutual promises, covenants, obligations, and mutual benefits, the Parties hereto agree as follows:

1. **Incorporation of Recitals.** The representations, covenants, and recitations set forth in the foregoing recitals are material to this Agreement and are hereby incorporated into this Agreement.

2. **Purpose.** The purpose of this Agreement is to outline the funding and other obligations related to the design, construction, repair, and maintenance of certain sidewalks, as

referenced in Exhibit A, which are located in the District and in Commissioner Precinct 4 of Fort Bend County, Texas (the "Sidewalk Project"). This Agreement explicitly excludes work of any type, including but not limited to any design, repairs, construction, or maintenance of any manholes in the District and any other District facilities. Any County funding provided under this Agreement may only be utilized for the Sidewalk Project and may not be used for work of any type concerning any manholes in the District and any other District facilities.

3. Term.

- (A) Unless sooner terminated as provided herein, the Term of this Agreement shall begin on the date of execution by the last Party hereto and shall expire the sooner of 11:59 p.m. of September 30, 2027 or upon completion of the Sidewalk Project.
- (B) This Agreement may be terminated by either Party, with or without cause, upon thirty (30) calendar days written notice to the other Party.

4. Sidewalk Repairs.

- (A) The District will repair and/or construct the Sidewalk Project in accordance with all applicable State and Federal laws, including obtaining any and all permits required by federal, state, and local laws and regulations. Except as provided by Section 5 below, the District will be responsible for all costs related to the construction, repairs, and/or installation of the Sidewalk Project including costs for any engineering, design, and surveying services. The District will complete work on any District facilities adjacent to any portion of the Sidewalk Project before initiating any repair and/or construction work on said adjoining portion of the Sidewalk Project.
- (B) The District, upon completion of any construction and/or repairs or any subsequent maintenance concerning the Sidewalk Project, will clear away from any sidewalks and roads any debris generated from any associated work and/or any tools, machinery, and equipment.
- (C) The District, upon five business days written notice to the County, may block County streets and roadways, park equipment on County's Right-of-Way, and to do all thing reasonably necessary to perform any construction and/or repair work concerning the Sidewalk Project. Nothing contained in this Agreement shall be construed to limit the County's authority to enforce any applicable traffic or other laws.
- (D) The District will provide the County, including County Commissioner Precinct 4, the County's Road & Bridge Department, and the County's Engineering Department, weekly status updates concerning the progress of the Sidewalk Project. The County, at any time, will have the right to inspect any construction and/or repairs concerning the Sidewalk Project.

(E) The District, for itself, and for its successors and assigns, covenants and agrees to repair and maintain, in perpetuity, and in accordance with all applicable laws, rules, and regulations, the Sidewalk Project at the sole cost and expense of District. County does not agree and is not required, under this Agreement, to incur or reimburse any costs or expenses for any subsequent repair or maintenance of the Sidewalk Project.

(F) Any additional improvements that are not the subject of this Agreement, including landscaping or vegetation, will not be installed or constructed within the County's Right-of-Way without the prior written approval of County.

5. **Costs and Payment.** The Parties estimate the Sidewalk Project will cost \$395,530.45. Within thirty days of execution of this Agreement, the County will pay the District an amount not to exceed fifty percent (50%) of the estimated costs concerning the Sidewalk Project, which specifically will not exceed One Hundred Ninety-Seven Thousand, Seven Hundred Sixty-Five dollars and 23/100 (\$197,765.23) (hereinafter "County Funds"); the District will be responsible for the remaining estimated costs. However, if, within ninety (90) days of execution of this Agreement, the District has not started utilizing any County Funds concerning the Sidewalk Project, then this Agreement will be null and void, and the District must promptly return all County Funds to the County.

6. **Availability of Funds and Limit of Appropriation.** The Parties to this Agreement represent that funds are available from their respective budgets for the current fiscal year for payment of their respective obligations under this Agreement. District understands and agrees that the Maximum Payment for County's portion of the costs associated with the Sidewalk Project is One Hundred Ninety-Seven Thousand, Seven Hundred Sixty-Five dollars and 23/100 (\$197,765.23).
