- 1.17 In FBISD, the Kids & Cops program is taught both in the Fall and Spring for 8 weeks at 35 elementary schools. The vehicles are parked in front of the schools and are visible to the public, especially as parents are dropping off their kids each morning. In LCISD, the Kids & Cops program is taught both in the Fall and Spring for 8 weeks at 25 elementary schools. In Stafford MSD and Needville ISD, the Kids & Cops program is taught for 8 weeks in the Fall at 2 middle schools. In FBISD, Kids & Cops deputies teach the Consequences program both in the Fall and Spring semesters for 4 days at 15 middle schools. The same schedule is used for LCISD where it is taught to 5 middle schools and in Needville ISD, it's taught for 2 days. All of these locations have multiple 7th grade teachers, so there may be as many as 3 deputies at each school teaching the same day to different classes or for consecutive weeks like in Needville. In FBISD, Kids & Cops deputies teach the Crossing the Line program at 11 high schools with many different teachers. On any given day, there may be 2 or 3 Mazdas parked at the school while the deputies teach the program. In LCISD, there are 3 high schools getting the same lesson. During the summer, the Mazdas are driven to our summer camp locations throughout Fort Bend County for 6 summer camps that last 4 days each. The vehicles are always parked outside close to where parents are dropping their kids off for camp each day. Kids & Cops is a very popular community-oriented unit. Throughout the year, we receive multiple requests each month to go out in the community to visit with kids and their families. There may be as many as 12 requests some months. These requests come from schools, day cares, businesses, churches, Fort Bend County Fair parade, National Night Out, etc. For each request, the Mazda is parked near our tent and is on full display for all to see. If schools are closed due to situations like the COVID-19 Global Pandemic and the deputies are unable to present the program in schools or provide in person summer camps, the Mazdas will be used to serve the community in other ways. Though Kids & Cops primarily focuses on programs for youth, they will adapt to times when emergencies arise and recognize that the community as a whole may require other types of services. These services will include projects assisting global, national, and local programs. Examples of these are assisting families through the Attack Poverty initiative, meal deliveries for Meals on Wheels, assisting food banks like Second Mile Mission Center, checking on senior citizens who participate in the YANA (You Are Not Alone) program, mentoring youth through the Boys and Girls Club and making supply deliveries to homebound citizens through Fort Bend County Social Services.
