**ORDINANCE NO. 185**

**AN ORDINANCE OF THE BOARD OF ALDERMEN OF THE TOWN OF THOMPSONS, TEXAS, CREATING AND DESIGNATING A REINVESTMENT ZONE TO BE NAMED THE "TOWN OF THOMPSONS REINVESTMENT ZONE NUMBER 3" PURSUANT TO CHAPTER 312 OF THE TEXAS TAX CODE; MAKING CERTAIN FINDINGS RELATED TO THE REINVESTMENT ZONE; DIRECTING THE CITY SECRETARY TO FILE ALL REQUIRED DOCUMENTS RELATED TO THE REINVESTMENT ZONE WITH THE TEXAS COMPTROLLER'S OFFICE; PROVIDING FOR SEVERABILITY; AND, PROVIDING AN EFFECTIVE DATE.**

\* \* \* \* \*

**WHEREAS**, the Board of Aldermen (the "Board") of the Town of Thompsons, Texas (the "Town") desires to promote commercial-industrial development within the municipal boundaries of the Town; and

**WHEREAS**, on June 15, 2023, the Board adopted "Guidelines & Criteria for Tax Abatement Agreements"; and

**WHEREAS**, according to Chapter 312 of the Texas Tax Code, the Board desires create a reinvestment zone over a certain area in the taxing jurisdiction of the municipality, with such area being more specifically described and depicted in "Exhibit A" attached to this Ordinance (the "Area"); and

**WHEREAS**, after publishing notice in a newspaper having general circulation in the Town and after delivering in writing to the presiding officer of the governing body of each taxing unit that includes within its boundaries real property that is to be included in the proposed reinvestment zone, the Board held a public hearing on June 20, 2024 and allowed interested persons to speak and present evidence for or against the designation of the reinvestment zone; and

**WHEREAS**, it is the belief of the Board that the improvements sought for the Area are feasible and practical and would be a benefit to the land to be included in the reinvestment zone and to the Town after the expiration of any tax abatement agreement that might relate to the Area; and

**WHEREAS**, it is the belief of the Board that designating a reinvestment zone over the Area would be reasonably likely to contribute to the retention or expansion of primary employment or to attract major investment in the reinvestment zone that would be a benefit to the property and that would contribute to the economic development of the Town; and **NOW, THEREFORE:**

**IT IS HEREBY ORDAINED BY THE TOWN OF THOMPSONS, TEXAS:**

**THAT**, the statements contained in the preceding caption and recitals are true and correct and are incorporated into this Ordinance for all intents and purposes.

**THAT**, after publishing notice in a newspaper having general circulation in the Town of Thompsons, Texas (the "Town") and after delivering in writing to the presiding officer of the governing body of each taxing unit that includes within its boundaries real property that is to be included in the proposed reinvestment zone, the Board of Alderman of the Town (the "Board")

held a public hearing on June 20, 2024 and allowed interested persons to speak and present evidence for or against the designation of the reinvestment zone.

**THAT**, the Board hereby finds that that certain area of land located within the Town that consists of approximately twenty-one (21) acres of primarily undeveloped land generally located on the northwest corner of the intersection of Lockwood Bypass Road and Lou Edwards Road, with such area being more specifically described and depicted in "Exhibit A" attached to this Ordinance (the "Area"), would be reasonably likely, as a result of the designation of the reinvestment zone, to contribute to the retention or expansion of primary employment or to attract major investment in the reinvestment zone that would be a benefit to the property and that would contribute to the economic development of the Town.

**THAT**, the Board hereby finds that the reinvestment zone proposed for the Area satisfies the requirements of Section 312.201 of the Texas Tax Code.

**THAT**, the Board hereby finds that the improvements sought for the Area are feasible and practical and would be a benefit to the land to be included in the reinvestment zone and to the Town after the expiration of any tax abatement agreement entered into under Section 312.204 or 312.211 of the Texas Tax Code that might relate to the Area.

**THAT**, pursuant to Chapter 312 of the Texas Tax Code, the Board hereby creates and designates a reinvestment zone for commercial-industrial tax abatement over the Area, and the reinvestment zone is hereby designated and shall hereafter be designated as the "Town of Thompsons Reinvestment Zone Number 3".

**THAT**, the Board hereby declares that, upon designation of the reinvestment zone, the Town may provide, on a case-by-case basis, tax abatement incentives in accordance with Chapter 312 of the Texas Tax Code and the Town's "Guidelines & Criteria for Tax Abatement Agreements".

**THAT**, the Board directs the Town Secretary to file all required documents regarding the reinvestment zone with the Texas Comptroller's Office and with any other entity required to be notified by law.

**THAT**, it is the intention of the Board that the phrases, clauses, sentences, paragraphs, and sections of this Ordinance are severable and, if any phrase, clause, sentence, paragraph, or section of this Ordinance shall be declared unconstitutional by the valid judgment or decree of any court of competent jurisdiction, then such unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs, or sections of this Ordinance, since the same would have been enacted by the Board without the incorporation in this Ordinance of any such unconstitutional phrase, clause, sentence, paragraph, or section.

**THAT**, this Ordinance shall become effective upon its passage by the Board, and the reinvestment zone shall be created on the effective date of this Ordinance and shall remain in effect for five (5) years from that date, unless a longer period is authorized by law.

- A. Fort Bend County is authorized to provide Tax Abatement benefits in accordance with the State of Texas Property Redevelopment and Tax Abatement Act, Chapter 312 of the Texas Tax Code, as amended (the "Act"). Said Act requires the establishment of these Guidelines and Criteria for the governing of tax Abatement Agreements between Fort Bend County and eligible entities.
- B. The Act furthermore permits the designation of "reinvestment zones" in accordance with specific criteria which the County may create for property not located within a municipality.
- C. Creation of New Value: An Abatement may only be granted for the additional value of eligible Improvements made subsequent to and specified in an Abatement Agreement between the County and the property owner or lessee, subject to such limitations as the County may require. The term of the Abatement shall not extend past ten (10) years.
- D. Projects seeking economic incentives must provide written assurance that 'but for' the incentive sought, the proposed project will not occur, or would otherwise be substantially altered so that the economic returns or other associated public purpose secured by the County's incentive would be reduced.
- E. Standards for Tax Abatement: It is within the sole discretion of Commissioners Court to grant an Abatement to an Applicant. The below standards will be considered in determining the percentage of value to be abated and the duration of the Agreement, unless otherwise required by Reinvestment Zone.
  - 1. Size, scope, and location of the capital investment.
  - 2. Creation of new jobs or prevention of job loss; as well as improved working conditions for employees without simply transferring employment from one part of the County to another.
  - 3. Impact on existing business and the local economy.
  - 4. Whether the business will provide a long-term source of revenue to local government when Abatement ends, and the business is subject to full taxation.
  - 5. Whether granting the Abatement will be an economic development tool anticipated to encourage infrastructure improvements or other building ventures in the area.
  - 6. How the area may benefit from community benefit programs that are identified by Commissioners Court for participant contribution under the Abatement program; and/or
  - 7. Any factor determined by Commissioners Court (collectively or by Precinct) to be relevant to economic development in Fort Bend County.

1. The company must offer a health benefit plan to its full-time employees which allows access to the plan by the employees' dependents; and Meet at Least One of the below business values:

- I. An Applicant may seek a variance from a Basic Qualification by submitting a request in written form along with the required standard application. Such requests shall include a complete description of the circumstances explaining why the Applicant**

However, the County may assign different percentages of Abatement per project by the same Owner within the Zone.
  - 2. Incremental Incentives: Any owner of property applying for Tax Abatement in a County created Reinvestment Zone may negotiate up to three additional percentage points to be added to the base Abatement percentage established for the Zone as a condition of agreeing to following business practices that have been determined to be of significant social value to the area in which the project will be located.

- E. Reinvestment Zone Creation Orders shall comply with the requirements of the Tax Code and shall set out the abatement percentage established for the Zone. In the event that a Property Owner receives abatement on additional projects in the Zone, the Order shall be appended to reflect a schedule of percentages that will likewise be available to other Abatees in the Zone.
