**RE: Addition of STOP sign on Richmond Foster Road**

Dear Commissioner:

Fort Bend County Engineering Department has completed the traffic control plan to establish traffic control at the intersections of McCrary Road at Richmond Foster Road. The existing northbound yield sign, which was never included on a Commissioners Court-approved traffic control plan, will be removed and a stop sign will be added on eastbound Richmond Foster Rd. This, along with proposed striping improvements, will clarify traffic operations at the intersection. The public hearing date for acceptance for the plan will be scheduled on the next available Commissioner's Court Agenda.

A copy of the traffic control plan is attached for your review. If we can be of further assistance please do not hesitate to contact me at 281-633-7528 or [chris.debaillon@fortbendcountytexas.gov](mailto:chris.debaillon@fortbendcountytexas.gov).

Sincerely,

Chris Debaillon, PE, PTOE
