

The World's Most Important Gathering of CIOs and IT Executives™

21 – 24 October 2024 | Orlando, FL

Explore In-Person Experience

(/en/conferences/na/symposium-us/conference-resources/in-person)

Guiding CIOs and IT executives through the future of technology and business

CIOs and IT leaders came together in Orlando, FL to dive into the technology, insights and trends shaping the future of IT and business, which included accelerating business transformation, cybersecurity, customer experience, data analytics, executive leadership and more. With extensive coverage on the impact of generative AI on every industry and job role.

At the conference, the top 5 sessions that CIOs and IT leaders attended included:

1. Signature Series: Top Strategic Predictions for 2024 & Beyond: The Year Everything Changed
2. Why Won't They Just Change? How Behavioral Science Is the Key to Transformation Success
3. Mastering Strategic Thinking: Three Critical Competencies of an Executive Leader
4. Signature Series: Top Strategic Technology Trends for 2024
5. Signature Series: AI Joins the Team: "Hello World!"

We hope you enjoyed the 2023 Gartner Gartner IT Symposium/Xpo™ 2023 conference in Orlando, Florida!

The program for the Gartner IT Symposium/Xpo™ 2024 conference in Orlando is underway and we look forward to sharing details soon!

+ 2023 Conference Theme

"I have been attending Gartner IT Symposium/Xpo for more than a decade. In an ever-evolving tech landscape, it's almost impossible to keep up with all the change. Gartner IT Symposium/Xpo has been the

one-stop event that has helped me stay in the know, network with peers, learn from other tech leaders and meaningfully predict where tech is heading. ”

Kumar Vuddharaju
Field CTO, Salesforce
