Janet,

Please take a look at the following communication from the CERT Association for the 2024 CERT conference. Charles Ryan Moffitt is the new Fort Bend County UASI Regional CERT Coordinator, and he attended as a regional CERT and Fort Bend County CERT. I authorized him to attend this crucial meeting beyond the CERT Conference but in alignment with the conference's coordination for future planning to align with National Priorities.

Please accept this approval and documentation that he was approved to attend the meeting and travel accordingly to meet the required date.

Please seek guidance for auditing and any requirement for ratification of the court agenda.

Thank you  
Greg Babst

**Subject:** 2024 National CERT Conference

Hello Hidro,

Per our conversation, many CERT coordinators waited until Saturday afternoon to depart from DC at this year's conference. Many coordinators arrange to meet at the end of the conference. Normally, the conference ends at noon on the last day, allowing for coordinators to meet after the conference ends before flying home. This year, the conference ended at 5pm. Due to this, many coordinators opted to meet on Saturday morning before heading home.

Please let me know if you have any other questions.

Thanks
