The Series 2024A Bonds are subject to optional [and mandatory] redemption prior to stated maturity at the dates, upon the terms and in the manner provided in the Form of Bond set forth in Exhibit A attached hereto, the Indenture and as hereinafter further provided:

(a) All redemption notices shall be sent by the Trustee and must contain the information required by the Indenture and any conditions to such redemption.

(b) Redemption notices must be sent by the Trustee to all registered Owners of the Series 2024A Bonds to be redeemed at least 30 days and no more than 60 days prior to the redemption date.

If less than all the Series 2024A Bonds within the same stated maturity are called for redemption, the particular Series 2024A Bonds or portion of Series 2024A Bonds to be redeemed will be selected randomly by the Trustee using such method as the Trustee in its discretion may deem proper; provided, however, that the portion of any Series 2024A Bonds to be redeemed will be in authorized denominations and that, in selecting Series 2024A Bonds for redemption, the Trustee will treat each Series 2024A Bond as representing that number of Series 2024A Bonds which is obtained by dividing the amount of such Series 2024A Bond by \$5,000.

If it is determined that one or more, but not all, of the \$5,000 units represented by any such Series 2024A Bond is to be called for redemption, then, upon notice of intention to redeem such \$5,000 unit or units, the registered Owner of such Series 2024A Bond will forthwith surrender such Series 2024A Bond to the Paying Agent or the Registrar for (i) payment of the redemption price (including the redemption premium, if any, and interest to the date fixed for redemption) of the \$5,000 unit or units called for redemption, and (ii) exchange for a new Series 2024A Bond or Series 2024A Bonds of the aggregate amount of the unredeemed balance of such Series 2024A Bond, and such new Series 2024A Bond or Series 2024A Bonds will be numbered corresponding to the numbers of the \$5,000 units of principal amount not called for redemption. If the registered Owner of such Series 2024A Bond of a denomination greater than \$5,000 fails to present such Series 2024A Bond, such Series 2024A Bond will, nevertheless, become due and payable on the date fixed for redemption to the extent of the \$5,000 unit or units called for redemption (and to that extent only).

(c) The County reserves the right to give notice of its election or direction to redeem Series 2024A Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys or Investment Securities, in an amount equal to the amount necessary to effect the redemption, with the Trustee no later than the redemption date or (ii) that the County retains the right to rescind such notice at any time prior to the scheduled redemption date if the County delivers a certificate of an Authorized Officer of the County to the Trustee instructing the Trustee to rescind the redemption notice, and such notice and redemption shall be of no effect if such moneys or Investment Securities are not so deposited or if the notice is rescinded. The Trustee shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Series 2024A Bonds subject to conditional redemption where redemption has been rescinded shall remain Outstanding, and the rescission shall not constitute an Event of Default. Further, in the case of a conditional redemption, the failure of the County to make funds available in part or in whole on or before the redemption date shall not constitute an Event of Default.

SECTION 210. Appointment of Authenticating Agent, Paying Agent and Registrar. Zions Bancorporation, National Association, is hereby appointed as the Authenticating Agent, Paying Agent and Registrar to act on behalf of the Trustee for the Series 2024A Bonds. Amounts on deposit in the Series 2024A Construction Fund Account shall be used in accordance with the terms of Section 5.03 of the Indenture.

SECTION 212. Reserved.

SECTION 213. Redemption of Refunded Bonds.The Refunded Bonds are hereby called for redemption prior to maturity on the dates and at the redemption prices set forth in the Pricing Certificate. The delivery of this Sixth Supplemental Indenture to the paying agent/registrar for the Refunded Bonds shall constitute the giving of notice of redemption to the paying agent/registrar for the Refunded Bonds, and such paying agent/registrar is hereby authorized and directed to give notice of redemption to the owners of the Refunded Bonds in accordance with the requirements of the Indenture. Following the deposit of a portion of the proceeds with the Paying Agent, the Refunded Bonds shall be payable solely from and secured by the cash and securities on deposit in such account for the purpose of refunding the Refunded Bonds and shall case to be payable from any other source.

ARTICLE III. FEDERAL INCOME TAX MATTERS

SECTION 301. Federal Income Tax Covenants. (a) General. In furtherance thereof, the City covenants to comply with sections 103 and 141 through 150 of the Code and the provisions set forth in the Federal Tax Certificate executed by the City in connection with the Series 2024A Bonds.

(b) No Private Activity Bonds. The County covenants that it will use the Proceeds of the Series 2024A Bonds (including investment income) and the property financed, directly or indirectly, with such Proceeds so that the Series 2024A Bonds will not be “private activity bonds” within the meaning of section 141 of the Code. Furthermore, the County will not take a deliberate action (as defined in section 1.141-2(d)(3) of the Regulations) that causes the Series 2024B Bonds to be “private activity bonds” unless it takes a remedial action permitted by section 1.141-12 of the Regulations.

(c) No Federal Guarantee. The County covenants not to take any action, or omit to take any action that, if taken or omitted, would cause the Series 2024A Bonds to be “federally guaranteed” within the meaning of section 149(b) of the Code, except as permitted by section 149(b)(3) of the Code.

(d) No Hedge Bonds. The County covenants not to take any action, or omit to take any action that, if taken or omitted, would cause the Series 2024A Bonds to be “hedge bonds” within the meaning of section 149(g) of the Code.

(e) No Arbitrage Bonds. The County covenants that it will make such use of the proceeds of the Series 2024A Bonds, including interest or other investment income derived from Series 2024A Bond proceeds and regulate the investments of proceeds of the Series 2024A Bonds, and take such other and further action as may be required so that the Series 2024A Bonds will not be “arbitrage bonds” within the meaning of section 148(a) of the Code.

(f) Required Rebate. The County covenants that, if the County does not qualify for an exception to the requirements of section 148(f) of the Code, the County will comply with the requirement that certain amounts earned by the County on the investment of the Gross Proceeds of the Series 2024A Bonds, be rebated to the United States.

The County will not take a deliberate action (as defined in section 1.141-2(d)(3) of the Regulations) that causes the Series 2024A Bonds to fail to meet any requirement of section 141 of the Code after the Issuance Date of the Series 2024A Bonds unless an appropriate remedial action is permitted by section 1.141-12 of the Regulations, such remedial action is taken by the City, and an opinion of Counsel is obtained that such remedial action cures any failure to meet the requirements of section 141 of the Code.

(i) Record Retention. The County covenants to retain all material records relating to the expenditure of the proceeds (including investment income) of the Series 2024A Bonds and the use of the property financed, directly or indirectly, thereby until three years after the last bond of the relevant issue is redeemed or paid at maturity (or such other period as provided by subsequent guidance issued by the Department of the Treasury) in a manner that ensures their complete access throughout such retention period.

(j) Registration. The Series 2024A Bonds will be issued in registered form.

(k) Favorable Opinion of Bond Counsel. Notwithstanding the foregoing, the County will not be required to comply with any of the federal tax covenants set forth above if the County has received an opinion of nationally recognized bond counsel or tax counsel that such noncompliance will not adversely affect the excludability of interest on the relevant issue of the Series 2024A Bonds from gross income for federal income tax purposes.

(l) Continuing Obligation. Notwithstanding any other provision of this Sixth Supplemental Indenture, the County’s obligations under the federal tax covenants set forth above

will survive the defeasance and discharge of the Series 2024A Bonds for as long as such matters are relevant to the excludability of interest on the Series 2024A Bonds from gross income for federal income tax purposes.

SECTION 502. No Recourse on Series 2024A Bonds. No recourse shall be had for payment of the principal of or interest on the Series 2024A Bonds or for any claim based thereon or on this Sixth Supplemental Indenture or the Indenture against the County Judge or any Commissioner or officer of the County or any person executing the Series 2024A Bonds and neither the County Judge or any Commissioner or officer of the County nor any person executing the Series 2024A Bonds of the County shall be liable personally on the Series 2024A Bonds by reason of the issuance thereof.

SECTION 503. Execution in Several Counterparts. This Sixth Supplemental Indenture may be simultaneously executed in several counterparts, all of which shall constitute one and the same instrument and each of which shall be, and shall be deemed to be, an original.

SECTION 504. [Insurance Provisions. Notwithstanding anything to the contrary in the Indenture, so long as the Insurance Policy remains in effect and the Insurer is not then in payment default thereunder, the following provisions shall govern provided, however, that the Insurer shall retain its rights of subrogation to the extent that it has previously made payment of principal or interest on the Series 2024A Bonds:

- (a) The prior written consent of the Insurer shall be a condition precedent to the deposit of any credit instrument provided in substitution of the Reserve Policy or lieu of a cash deposit into the 2024 Debt Service Reserve Account. Notwithstanding anything to the contrary set forth in the Indenture, amounts on deposit in the 2024 Debt Service Reserve Account shall be applied solely to the payment of debt service due on the Series 2024A Bonds.

- (b) The Insurer shall be deemed to be the sole Owner of the Series 2024A Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the Owners of the Series 2024A Bonds are entitled to take pursuant to the Indenture pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Trustee. In furtherance thereof and as a term of the Indenture and each Series 2024A Bond, each Owner of the Series 2024A Bonds appoints the Insurer as its agent and attorney-in-fact with respect to the Series 2024A Bonds and agrees that the Insurer may at any time during the continuation of any proceeding by or against the County under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an “Insolvency Proceeding”) direct all matters relating to such Insolvency Proceeding, including without limitation, (A) all matters relating to any claim or enforcement proceeding in connection with an Insolvency Proceeding (a “Claim”), (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment. In addition, each Owner of the Series 2024A Bonds delegates and assigns to the Insurer, to the fullest extent permitted by law, the rights of each Owner of the Series 2024A Bonds in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding. The Trustee acknowledges such appointment, delegation and assignment by each Owner of the Series 2024A Bonds for the Insurer’s benefit, and agrees to cooperate with the Insurer in taking any action reasonably necessary or appropriate in connection with such appointment, delegation and assignment. Remedies granted to the Owners shall expressly include mandamus.
- (c) No grace period for a covenant default shall exceed thirty (30) days or be extended for more than sixty (60) days, without the prior written consent of the Insurer. No grace period shall be permitted for payment defaults.
- (d) The Insurer is a third-party beneficiary of the Indenture.
- (e) The exercise of any provision of the Indenture which permits the purchase of Series 2024A Bonds in lieu of redemption shall require the prior written approval of the Insurer if any Series 2024A Bond so purchased is not cancelled upon purchase.
- (f) Any amendment, supplement, modification to, or waiver of, the Indenture or any other transaction document, including any underlying security agreement (each a “Related Document”), that requires the consent of Owners or adversely affects the rights and interests of the Insurer shall be subject to the prior written consent of the Insurer.
- (g) Unless the Insurer otherwise directs, upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default, amounts on deposit in the Series 2024A Construction Fund Account shall not be disbursed, but shall instead be applied to the payment of debt service or redemption price of the Series 2024A Bonds.

- (h) The rights granted to the Insurer under the Indenture or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Owners and such action does not evidence any position of the Insurer, affirmative or negative, as to whether the consent of the Owners or any other person is required in addition to the consent of the Insurer.
- (i) Only (1) cash, (2) non-callable direct obligations of the United States of America (“Treasures”), (3) evidences of ownership of proportionate interests in future interest and principal payments on Treasures held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying Treasures are not available to any person claiming through the custodian or to whom the custodian may be obligated, (4) subject to the prior written consent of the Insurer, pre-refunded municipal obligations rated in the then highest rating category by S&P and Moody’s for such obligations, or (5) subject to the prior written consent of the Insurer, any other type of security or obligation which S&P and Moody’s have determined to be permitted defeasance securities, shall be used to effect defeasance of the Series 2024A Bonds unless the Insurer otherwise approves.

To accomplish defeasance of the Series 2024A Bonds, the County shall cause to be delivered to the Insurer (i) other than with respect to a current refunding that is gross funded, a report of either a nationally-recognized verification agent or a firm of independent, nationally-recognized certified public accountants as shall be acceptable to the Insurer verifying the sufficiency of the escrow established to pay the Series 2024A Bonds in full on the maturity or redemption date (“Verification”), (ii) an escrow deposit agreement or other irrevocable written instructions (which shall be acceptable in form and substance to the Insurer), (iii) an opinion of nationally-recognized bond counsel to the effect that the Series 2024A Bonds are no longer “Outstanding” under the Indenture and (iv) a certificate of discharge of the Trustee with respect to the Series 2024A Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the County, the Trustee and the Insurer. The Insurer shall be provided with final drafts of the above-referenced documentation not less than five (5) Business Days prior to the funding of the escrow. Series 2024A Bonds shall be deemed “Outstanding” under the Indenture unless and until they are in fact paid and retired or the above criteria are met.

- (j) Amounts paid by the Insurer under the Insurance Policy shall not be deemed paid for purposes of the Indenture and the Series 2024A Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the County in accordance with the Indenture. The Indenture shall not be discharged unless all amounts due or to become due to the Insurer have been paid in full or duly provided for.
- (k) The County covenants and agrees to take such action (including, as applicable, filing of UCC financing statements and continuations thereof) as is necessary from time to time to preserve the priority of the pledge of the Trust Estate under applicable law.

(1) Claims Upon the Insurance Policy and Payments by and to the Insurer.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date (“Payment Date”) there is not on deposit with the Trustee, after making all transfers and deposits required under the Indenture, moneys sufficient to pay the principal of and interest on the Series 2024A Bonds due on such Payment Date, the Trustee shall give notice to the Insurer and to its designated agent (if any) (the “Insurer’s Fiscal Agent”) by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Series 2024A Bonds due on such Payment Date, the Trustee shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer’s Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Series 2024A Bonds and the amount required to pay principal of the Series 2024A Bonds, confirmed in writing to the Insurer and the Insurer’s Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

The Trustee shall designate any portion of payment of principal on Series 2024A Bonds paid by the Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Series 2024A Bonds registered to the then current Owner of the Series 2024A Bonds, whether DTC or its nominee or otherwise, and shall issue a replacement Series 2024A Bond to the Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee’s failure to so designate any payment or issue any replacement Series 2024A Bond shall have no effect on the amount of principal or interest payable by the County on any Series 2024A Bond or the subrogation rights of the Insurer.

The Trustee shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Series 2024A Bond. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of Owners of the Series 2024A Bonds referred to herein as the “Policy Payments Account” and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Insurance Policy in trust on behalf of Owners of the Series 2024A Bonds and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to Owners of the Series 2024A Bonds in the same manner as principal and interest payments are to be made with respect to the Series 2024A Bonds under the sections of the Indenture regarding payment of Series 2024A Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such

payments. Notwithstanding anything in the Indenture to the contrary, the County agrees to pay to the Insurer, solely from the Trust Estate, (i) a sum equal to the total of all amounts paid by the Insurer under the Insurance Policy (the “Insurer Advances”); and (ii) to the extent permitted by law and subject to appropriation, interest on such Insurer Advances from the date paid by the Insurer until payment thereof in full, payable to the Insurer at the Late Payment Rate per annum (collectively, the “Insurer Reimbursement Amounts”). “Late Payment Rate” means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Series 2024A Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The County hereby covenants and agrees that the Insurer Advances are secured by a lien on and pledge of the Trust Estate and payable from such Trust Estate on a parity with debt service due on the Series 2024A Bonds.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. The Trustee shall notify the Insurer of any funds remaining in the Policy Payments Account after the Trustee has made the payments for which a claim was made to the Owners of the Series 2024A Bonds and shall, at the written direction of the Insurer, promptly remit such funds remaining to the Insurer.

- (m) The Insurer shall, to the extent it makes any payment of principal of or interest on the Series 2024A Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Insurance Policy (which subrogation rights shall also include the rights of any such recipients in connection with any Insolvency Proceeding). Each obligation of the County to the Insurer under the Related Documents shall survive discharge or termination of such Related Documents.
- (n) To the extent permitted by law and subject to appropriation, the County shall pay or reimburse the Insurer, solely from the Trust Estate, any and all charges, fees, costs and expenses that the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document; (ii) the pursuit of any remedies under the Indenture or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Indenture or any other Related Document whether or not executed or completed, or (iv) any litigation, proceeding (including any Insolvency Proceeding) or other dispute in connection with the Indenture or any other Related Document or the transactions contemplated thereby, other than costs resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Indenture or any other Related Document. Amounts payable by the County hereunder shall bear interest at the Late Payment Rate from the date such amount is paid or incurred by the Insurer until the date the Insurer is

paid in full. The obligation to reimburse the Insurer shall survive discharge or termination of the Related Documents.

- (o) After payment of reasonable expenses of the Trustee, the application of funds realized upon default shall be applied to the payment of expenses of the County or rebate only after the payment of past due and current debt service on the Series 2024A Bonds and amounts required to restore the 2024A Debt Service Reserve Account to the Debt Service Reserve Fund Requirement.
- (p) The Insurer shall be entitled to pay principal or interest on the Series 2024A Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Insurance Policy) and any amounts due on the Series 2024A Bonds as a result of acceleration of the maturity thereof, whether or not the Insurer has received a Notice of Nonpayment (as such terms are defined in the Insurance Policy) or a claim upon the Insurance Policy.
- (q) Notices to the Insurer shall be sent to the following address (or such other address as the Insurer may designate in writing):

[_____]

In each case in which the notice or other communication refers to a claim on the Insurance Policy, the Reserve Policy or an Event of Default, such notice or other communication shall be marked “URGENT MATERIAL ENCLOSED” and a copy shall also be sent to the attention of the General Counsel at the above address and at [_____].

- (r) The Insurer shall be provided with the following information by the County or the Trustee, as the case may be:
 1. To the extent not otherwise filed with the Municipal Securities Rulemaking Board’s EMMA system, annual audited financial statements within the filing deadline specified in the County’s continuing disclosure agreement, covenant or undertaking with respect to the Series 2024A Bonds (together with a certification of the County that it is not aware of any default or Event of Default under the indenture), and, upon request, the County's annual budget within thirty (30) days after the approval thereof together with such other information, data or reports as the Insurer shall reasonably request from time to time;
 2. Notice of any draw upon the 2024A Debt Service Reserve Account within two (2) Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Debt Service Reserve Fund Requirement and (ii) withdrawals in connection with a refunding of Series 2024A Bonds;
 3. Notice of any default or Event of Default under the Indenture known to the Trustee or the County within five (5) Business Days after knowledge thereof;
 4. Prior notice of the advance refunding or redemption of any of the Series 2024A Bonds, including the principal amount, maturities and CUSIP numbers thereof;

5. Notice of the resignation or removal of the Trustee and Bond Registrar and the appointment of, and acceptance of duties by, any successor thereto;
 6. Notice of the commencement of any Insolvency Proceeding (as defined in subsection (b) above);
 7. Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Series 2024A Bonds;
 8. A full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Related Documents;
 9. All reports, notices and correspondence to be delivered to Owners under the terms of the Related Documents; and
 10. To the extent not otherwise filed with the Municipal Securities Rulemaking Board's EMMA system, all information required to be furnished pursuant to a continuing disclosure agreement, covenant or undertaking with respect to the Series 2024A Bonds.
- (s) The Insurer shall have the right to receive such additional information as it may reasonably request.
- (t) The County will permit the Insurer to discuss the affairs, finances and accounts of the County or any information the Insurer may reasonably request regarding the security for the Series 2024A Bonds with appropriate officers of the County and will use commercially reasonable efforts to enable the Insurer to have access to the facilities, books and records of the County on any Business Day upon reasonable prior notice.
- (u) The Trustee shall notify the Insurer of any known failure of the County to provide notices, certificates and other information under the Related Documents that are required to be delivered to the Owners of the Series 2024A Bonds.
- (v) Notwithstanding satisfaction of the other conditions to the issuance of an additional Series of Bonds set forth in the Indenture, no such issuance may occur (1) if an Event of Default (or any event which, once all notice or grace periods have passed, would constitute an Event of Default) exists unless such default shall be cured upon such issuance and (2) unless the 2024A Debt Service Reserve Account is fully funded at the Debt Service Reserve Fund Requirement (including the proposed issue) upon the issuance of such additional Series of Bonds, in either case unless otherwise permitted by the Insurer.
- (w) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Indenture would adversely affect the security for the Series 2024A Bonds or the rights of the Owners, the effect of any such amendment, consent, waiver, action or inaction shall be considered as if there were no Insurance Policy.

- (x) No contract shall be entered into or any action taken by which the rights of the Insurer or security for or sources of payment of the Series 2024A Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.
- (y) The County shall not enter into any interest rate exchange agreement or any other interest rate maintenance agreement secured by and payable from the Trust Estate without the prior written consent of the Insurer.

SECTION 505. Provisions Relating to Reserve Policy. Notwithstanding anything to the contrary in the Indenture, so long as the Reserve Policy is in effect and the Insurer is not then in payment default thereunder, the following provisions shall govern provided, however, that the Insurer shall retain its rights of reimbursement to the extent that it has previously made payment of principal or interest on the Series 2024A Bonds:

(a) The County shall repay any draws under the Reserve Policy and pay all related reasonable expenses incurred by the Insurer and shall pay interest thereon from the date of payment by the Insurer at the Late Payment Rate. “Late Payment Rate” means the lesser of (x) the greater of (i) the per annum rate of interest, publicly announced from time to time by [JPMorgan Chase Bank] at its principal office in the City of New York, as its prime or base lending rate (“Prime Rate”) (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 5%, and (ii) the then-applicable highest rate of interest on the Series 2024A Bonds and (y) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event [JPMorgan Chase Bank] ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such national bank as the Insurer shall specify. If the interest provisions of this subparagraph (a) shall result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question shall, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the limit of the usury or such other laws, and any excess shall be applied upon principal immediately upon receipt of such moneys by the Insurer, with the same force and effect as if the County had specifically designated such extra sums to be so applied and the Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event shall any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

Repayment of draws and, to the extent permitted by law and subject to annual appropriation, payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, “Policy Costs”) shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs paid to the Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Insurer on account of principal due, the coverage under the Reserve Policy will be increased by a like amount, subject to the terms of the Reserve Policy. The obligation to pay Policy Costs, other than expenses and accrued interest, shall be secured by a valid lien on the Trust Estate (subject only to the priority of payment provisions set forth under the Indenture).

All cash and investments in the 2024A Debt Service Reserve Account shall be transferred to the Debt Service Fund for payment of debt service on Bonds before any drawing may be made on the Reserve Policy or any other credit facility credited to the 2024A Debt Service Reserve Account in lieu of cash (herein, a "Credit Facility"). Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all Credit Facilities (including the Reserve Policy) on which there is available coverage shall be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the 2024 Debt Service Reserve Account. Payment of Policy Costs and reimbursement of amounts with respect to other Credit Facilities shall be made on a pro-rata basis prior to replenishment of any cash drawn from the 2024A Debt Service Reserve Account. Repayment of all Policy Costs and the replenishment of the 2024A Debt Service Reserve Account shall be made on a pari passu basis with payments and replenishments required to be made under the Indenture with respect to debt service reserve funds, if any, securing any outstanding parity obligations. For the avoidance of doubt, "available coverage" means the coverage then available for disbursement pursuant to the terms of the applicable alternative credit instrument without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

(b) If the County shall fail to pay any Policy Costs in accordance with the requirements of subparagraph (a) hereof, the Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Indenture other than (i) acceleration of the maturity of the Bonds or (ii) remedies which would adversely affect owners of the Bonds.

(c) The Indenture shall not be discharged until all Policy Costs owing to the Insurer shall have been paid in full. The County's obligation to pay such amounts shall expressly survive payment in full of the Bonds.

(d) The County shall include any Policy Costs then due and owing the Insurer in the calculation of (i) the test for an additional Series of Bonds in Section 3.02 of the Indenture and (ii) the toll covenant in Section 7.18 of the Indenture.

(e) The Trustee shall ascertain the necessity for a claim upon the Reserve Policy in accordance with the provisions of subparagraph (a) hereof and provide notice to the Insurer in accordance with the terms of the Reserve Policy at least five Business Days prior to each date upon which interest or principal is due on the Bonds. Where deposits are required to be made by the County with the Trustee to the Debt Service Fund for the Bonds more often than semi-annually, the Trustee shall give notice to the Insurer of any failure of the Issuer to make timely payment in full of such deposits within two Business Days of the date due.

SECTION 506. Verifications of Statutory Representations and Covenants. The Trustee makes the following representations, verifications and covenants pursuant to Chapters 2252, 2271, 2274, and 2276, Texas Government Code (the “Government Code”), as heretofore amended, in entering into this Supplemental Indenture. As used herein, “affiliate” means an entity that controls, is controlled by, or is under common control with the Trustee within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. Liability for breach of any such verification during the term of this Supplemental Indenture shall survive until barred by the applicable statute of limitations and shall not be liquidated or otherwise limited by any provision of this Supplemental Indenture, notwithstanding anything in this Supplemental Indenture to the contrary.

(a) Not a Sanctioned Company. The Trustee represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153, Government Code, or Section 2270.0201, Government Code. The foregoing representation excludes the Trustee and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

(b) No Boycott of Israel. The Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Supplemental Indenture. As used in the foregoing verification, “boycott Israel” has the meaning provided in Section 2271.001, Government Code.

(c) No Discrimination Against Firearm Entities. The Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Supplemental Indenture. As used in the foregoing verification, “discriminate against a firearm entity or firearm trade association” has the meaning provided in Section 2274.001(3), Government Code.

(d) No Boycott of Energy Companies. The Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Supplemental Indenture. As used in the foregoing verification, “boycott energy companies” has the meaning provided in Section 2276.001(1), Government Code.
