

JAG FY2024

\$66,670

- 8 out of 10 departments submitted requests

Office/Department	Requested Amount
Constable Precinct 1	\$4,911.20
Constable Precinct 2	\$6,158.59
Constable Precinct 3	\$5,000.00
Constable Precinct 4	\$9,276.75
County Attorney	\$2,701.72
District Attorney	\$14,881.00
Juvenile Probation	\$4,403.00
Sheriff's Department	\$19,199.00

Total \$66,532.26

- Tough decisions had to be made based on the requested need and the merit of that requested need
- Each department has 5 minutes to present supporting facts about their requests
- We encourage departments to put forth all needs in their requests

Fort Bend County Precinct One Constable's Office

MEMORANDUM

To: Samantha Gulley, Grants Coordinator
From: John Hermann, Chief Deputy JGH
CC: Constable Chad Norvell
Date: October 11, 2024
Re: FY 2024 Edward Byrne Memorial Justice Assistance Grant

On behalf of the Precinct 1 Constable's Office, I respectfully request that the JAG review committee consider the following items for purchase as a part of the 2024 Edward Byrne Memorial Justice Assistance Grant:

10 - Remote Speaker Microphone, IP68 @ \$106.92	= \$ 1,069.20
34 - Batt Impres 2 Liion R IP68 @ \$113.00	= \$ 3,842.00
Total	= \$ 4,911.20

The availability of portable radios and their accessories is imperative to the law enforcement and public safety roles of first responders. Accessories such as remote microphones and batteries succumb to wear and tear during regular use and require periodic replacement.

Attached are copies of supporting documentation and pricing information for the requested items.

Thank you for your consideration.

Fort Bend County, Texas

Daryl L. Smith, Sr.
Constable

Office (281) 403-8019
Fax (832) 471-1824

Below is the line-item detail of the use of \$6,159 funds the Fort Bend County Constable Precinct 2 office is requesting from the Edward Byrne Memorial Justice Assistance Grant for FY24.

The purpose of the anticipated purchases is as follows:

- Bullet Proof Seat Covers to enhance protection in high risk environments for personal safety where safety is a priority but full vehicle armoring is not feasible. Provides mobile flexibility to provide protection against all types of attacks (i.e. knives, firearms, and explosives),
- Traffic Radar Trailer Batteries; to replace the old batteries,
- Medical Tactical Kit, to provide immediate response to medical emergencies in the workplace and community preparedness. To have access to medical supplies where access to medical facilities are limited or delayed,
- Tourniquets, to control life threatening bleeding from an extremity until medical personnel arrive.

Thank you for your consideration and we look forward with anticipation to hearing from you.

Villaloboz, Vincent

From: Coughenour, Jennifer <jcoughenour@kustomsignals.com>
Sent: Wednesday, October 2, 2024 2:54 PM
To: Villaloboz, Vincent
Subject: Kustom Signals Trailer Battery

Assistant Chief Villaloboz,

Good afternoon. I spoke with my Parts Manager, and he said we do not sell spare batteries for trailers, only at time of trailer order. He recommends going to an Auto Parts store and ask for a marine grade group 27 battery. If I can be of further assistance, please let me know. Thanks.

Jenny Coughenour

A little overpriced

For the good of everything that is in the kit I think it was a little overpriced. Could have sold it for \$24.95.

Convenient emergency kit

Incredibly compact and fits perfectly in the back compartment of my vehicle. I also added a tourniquet to place in this bag which had plenty of room so I highly recommend doing that. The fabric used will have longevity. Overall this was a plus purchase, everybody should have this available for any emergency home or vehicle.

Rated 2 out of 5

Decent amount of gear for price

The gear inside the bag contains a decent amount of the things you might expect, and has some wiggle room to add a few smaller items. The bag, however, was very poor quality. The strap on the rear would rip at the top in the same place across several different product versions. If you have a different way of attaching the patch, it might work a little better for you

Response from Galls

Sorry to hear this is taking so long to get to you! Our review requests are triggered based on the purchase date, and we are currently working to get them sent based on when your product arrives. Rest assured that your order will be fulfilled.

I have flagged this for our customer service team to look into and give you an update. If you don't hear from us soon, feel free to reach out to our call center at 866-425-2254. Reference your order number (20384201). We are always looking to improve our inventories & decrease ship time to our customers and feedback like this really helps. Thanks for letting us know!

DETAILS

NORTH AMERICAN RESCUE CAT TOURNIQUET, GEN 7 - COMBAT APPLICATION TOURNIQUET

The Official CAT Tourniquet of the U.S. Army

The patented Combat Tourniquet is the recipient of the "Top 10 Greatest Inventions" Award by the U.S. Army. After undergoing stringent testing from the U.S. Army Institute of Surgical Research, the C-A-T® was found to be 100% effective in stopping blood flow in both the arms and legs. Now, C-A-T Resources has developed the C-A-T® GEN 7.

Following extensive field reviews, the C-A-T® GEN 7 has been completely re-designed, making it the most effective Combat Application Tourniquet® to date. The new GEN 7 is simpler to use thanks to a single application protocol, single buckle routing system and further improvements to its components and construction.

SPECS

- Affordable, lightweight and rugged with easy, one-handed application
- Requires minimal cube space
- Single route buckle decreases application time to reduce blood loss; allows rescuer to easily remove slack from tourniquet on initial application to decrease number of turns on the windlass to control bleeding; reduces training confusion as there is only one set of instructions for application, as one-handed and two-handed application are now the same
- Designed for use in ALL weather conditions
- Slightly increased diameter windlass rod to add even more strength and external ribbing for improved grip when twisting rod
- Bilateral buttress added for additional strength to reduce windlass clip flexing under extreme pressures
- Sonic weld to clip for better securing; on the black color C-A-T®, the strap is now gray in color to provide a subdued look; the orange and blue trainer strap remain white
- Stabilization plate is reinforced for additional strength, beveled edges to reduce patient discomfort on application, and the logo and manufacture information is now molded instead of printed on the stabilization plate
- Highly visible security tab with writeable area to record the time of application
- Red Tip Technology™ with red elliptical tab to assist user in locating and threading during application
- Date of Manufacture has been removed and is now included in lot tracking number to reduce customer confusion in thinking that their device has an expiration date
- Open: 37½ "L
- 2-11/16 oz

October 8, 2024

To: Samantha Gulley
Fort Bend County Project Manager, Grants

From: Mike Beard
Fort Bend County Precinct 4 Constable

Ref: Edward Byrne Memorial Justice Assistance Grant Program (JAG) FY 2024-Request

Thank you for extending the opportunity for our agency to apply for funds from the 2024 Edward Byrne Memorial Justice Assistance Grant. In accordance with your email and the grant outline, our agency is requesting the following equipment that will be utilized for increased officer and citizen's safety and general law enforcement purposes.

DESCRIPTION	QTY.	EA. \$	AMT. \$
Stalker RLR-Long Range LIDAR-W/BT, DL & FTC, 2 Batteries	3	\$2,775.00	\$8,325.00
Stalker RLR-Extended Warranty	3	\$317.25	\$951.75
TOTAL:			\$9,276.75

The Fort Bend County Pct. 4 Constable's Office is requesting Three (3) Stalker RLR, long range LIDAR's to better equip the agency in performing their traffic enforcement duties ensuring the overall safety and security of its residents.

LIDAR or Light Detection and Ranging, is a remote sensing technology that uses laser pulses to measure distances to a target or an object. LIDAR is valued for its accuracy, high-resolution data, and ability to operate in various lighting and weather conditions. LIDAR is far superior to RADAR in its accuracy, resolution, performance in various weather conditions (rain, fog, or dust), and targeting capability; meaning its ability to target and distinguish individual objects or surfaces with great precision, even in cluttered environments.

Handheld LIDAR devices provide law enforcement with a highly accurate, portable, and efficient tool for speed enforcement and public safety. Their ability to target individual vehicles with precision, even in heavy traffic, enhances enforcement accuracy and reduces the likelihood of criminal disputes. These devices are easy to deploy, improving officer safety and efficiency by allowing them to monitor traffic from a safe distance. Cost-effective and adaptable to various scenarios, handheld LIDAR strengthens law enforcement's ability to maintain traffic law compliance and public safety.

Numerous studies have indicated that the implementation of handheld LIDAR's can reduce speeding violations up to 20% in targeted areas. Imagine the impact on public safety in your community, especially within local school zones with the addition of these LIDAR's

In accordance with the parameters of the grant, none of the above-mentioned items were requested for in our FY 2022, 2023, or 2024 budget requests. Should you or the JAG Committee have any questions, please feel free to contact me at 281-238-2249 or at cory.hansen@fortbendcountytexas.gov. Thank you for your assistance and consideration on this grant request.

Sincerely,

Cory Hansen
Lieutenant 1403

Constable Mike Beard

This Quote or Purchase Order is subject in all respects to the Terms and Conditions detailed at the back of this document. These Terms and Conditions contain limitations of liability, waivers of liability even for our own negligence, and indemnification provisions, all of which may affect your rights. Please review these Terms and Conditions carefully before proceeding.

Applied Concepts, Inc. (d/b/a Stalker Radar) Product Terms and Conditions

- (1) **Purpose.** The terms set forth herein govern the sale and delivery of the Stalker Radar and other products (collectively "**Products**") sold by Applied Concepts, Inc. (d/b/a Stalker Radar "**we**," "**us**," "**our**," etc.) and purchased by the purchaser ("**you**," "**your**," etc.).
- (2) **Price and Product Changes; Errors.** Prices of Products are subject to change without notice, and all references in sales brochures, technical data sheets and offers on our website or otherwise as to size, weight, and other details of the Products are approximate only. No such term shall be binding on us unless expressly incorporated in a purchase order which is approved and accepted by us in accordance with these terms. In the event that a Product is mistakenly listed at an incorrect price or with other incorrect information, we reserve the right to refuse or cancel any orders placed for a Product listed at the incorrect price or based on incorrect product information. In addition, we are not responsible for any inability to fulfill orders due to reasons beyond our control. We reserve the right to refuse or cancel any such orders whether the order has been confirmed and you have paid for the Product. If you have already paid for the Product and your order is cancelled, we will issue a refund in the amount paid.
- (3) **Cancellation.** Cancellation of an order for standard Products will be accepted without penalty, prior to shipment. Cancellation of an order for non-standard or customized Products will not be accepted once item is in production or shipped.
- (4) **Delivery.** Unless separate arrangements have been agreed upon in writing with you to the contrary, the terms of delivery are F.O.B. our loading dock. We will use commercially reasonable efforts to make your purchased Products available for pick-up and delivery by you within a reasonable time after acceptance of an order from you, or, if you so specify, to place the purchased Products with a common carrier at your expense for delivery to you. You bear the risk of loss or destruction of the purchased Products upon and after the first to occur of (a) pick-up or acceptance of the Products by you or your common carrier at our place of business, or (ii) five (5) days after confirmation from us that the Products are ready for pick-up at our place of business. If we are required to store the Products due to any delay caused by you, you will reimburse us for reasonable storage charges. We reserve the right to make the Products available for pick-up and delivery in installments provided that such installment shall not be less than one Product unit, unless otherwise expressly confirmed in a written communication to the contrary by us. Delay in delivery of any installment shall not relieve you of your obligation to accept remaining deliveries.
- (5) **Returns.** We must authorize all returns and a Return Material Authorization (RMA), prior to shipping. All returns must be made within thirty (30) days after delivery as specified in Section (4). Returns will be shipped at your expense. An RMA number can be obtained by e-mailing Customer Service: csd@appliedconcepts.com. We will not be responsible for, nor guarantee credit or replacement on, any product returned to us without an RMA. Under no circumstances will we accept collect shipments. Products returned must be received by us in re-salable condition. Product that cannot go back to stock as received will not be accepted. Please securely pack the Product and write the RMA number on the outside of the shipping box, not the product box. All returns are subject to a restocking charge of 25% of net price. Specific items may require additional charges.
- (6) **Payment.** You will pay the purchase price and applicable taxes and duties for Products without setoff, deduction, or withholding net 30. You hereby grant us a purchase money security interest in and to the Products until the purchase price and other applicable charges are paid in full. You consent to filing of a UCC-1 or other applicable document that we deem necessary to perfect this security interest and appoint our designee as your attorney-in-fact to execute and file such UCC-1 or other document in our sole discretion.
- (7) **Proprietary Information.** We have and claim various proprietary rights in the Products. You will not directly or indirectly cause any proprietary rights to be violated or any proprietary information to be disclosed to any third party without our prior written consent.
- (8) **Warranty.** We warrant Products to be free of defects and (a) that Products will perform materially in accordance with the user guides, quick reference guides, and other technical and operations manuals and specifications for Products provided by us. At our election, we will repair or replace at our cost all Product hardware components that fail due to defective materials or workmanship during the warranty period specified in your owner's manual or a longer period specified in your quote or invoice. You must return failed Product to the factory or an authorized service center, freight prepaid. Return shipping on any components that fail within 6 months from shipment date, will be paid for by us through a shipping label we provide to you. We will pay standard UPS ground on all return shipping. This warranty excludes normal wear-and-tear such as frayed cords, broken connectors, scratched or broken cases, or physical abuse. The foregoing warranty is exclusive, in lieu of all other warranties, of quality, fitness, or merchantability, whether written, oral, or implied. We will not be liable for any direct, indirect, consequential or incidental damages arising out of the use or inability to use Product even if you have advised us of the possibility of such damages. As a further limit on warranty, and as an expressed warning, you should be aware that harmful personal contact may be made with a Product in the event of violent maneuvers, collisions, or other circumstances, even though said Product is installed and used according to instructions. We specifically disclaim any liability for injury caused by a Product in all such circumstances. ***Any attempt to repair a Product on your own will void this warranty.***
- (9) **Limitations of Liability.** WHETHER IN CONTRACT, TORT OR UNDER ANY OTHER THEORY OF LIABILITY, OUR AND OUR AFFILIATES' AND LICENSORS' AGGREGATE LIABILITY UNDER THIS AGREEMENT WILL BE LIMITED TO THE GREATER OF \$100,000 OR THE AMOUNT YOU ACTUALLY PAID US UNDER THIS AGREEMENT FOR PRODUCTS DURING THE 12 MONTHS PRECEDING THE CLAIM.
- (10) **Miscellaneous**
 - a) **Force Majeure.** We and our partners will not be liable for any delay or failure to perform any obligation under this Agreement where the delay or failure results from any cause beyond our reasonable control, including acts of God, labor disputes or other industrial disturbances, systemic electrical, telecommunications, or other utility failures, earthquake, storms or other elements of nature, blockages, embargoes, riots, acts or orders of government, acts of terrorism, or war.
 - b) **Assignment.** You may not assign or otherwise transfer Products or any of your rights and obligations specified herein without our prior written approval. Subject to the foregoing, these terms and conditions will be binding upon, and inure to the benefit of us, you and our and your respective successors and permitted assigns.
 - c) **Jurisdiction.** Your purchase of Product and these terms and conditions shall be governed by, construed, and enforced in accordance with the laws of the State of Texas without regard to its conflicts of laws provisions. Any controversy or claim arising out of or relating to this agreement, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association under its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof. Such Arbitration shall take place only in Collin or Dallas Counties, State of Texas. There is no recourse beyond the Binding Arbitration mentioned herein and that no civil litigation or action will be brought by either party as a direct result of your purchase or use of Product or these terms and conditions. The non-prevailing party (as exclusively determined by the arbitrator) shall pay all of the prevailing party's arbitration fees, attorneys' fees, costs (including costs of investigation), expert witness fees, and all other related expenses of every kind and nature whatsoever. Notwithstanding the foregoing, we may seek any equitable or injunctive relief in a court having proper jurisdiction to protect our rights under these terms and conditions or to protect any of our proprietary interest or goodwill.
 - d) **Severability.** In the event that any provision of these terms and conditions is held by a court of competent jurisdiction to be unenforceable because it is invalid or in conflict with any law or any relevant jurisdiction, the validity of the remaining provisions shall not be affected, and the rights and obligations of the parties shall be construed and enforced as if these terms and conditions did not contain the particular provisions held to be unenforceable.

Stalker RLR | Long Range LIDAR

Built for the real world

Easily performs in the harshest conditions.

UPGRADE

Fastest
acquisition time

UPGRADE

Industry-leading
range and
accuracy

Small and
lightweight

IP67 waterproof
and dustproof

Intuitive display

Anti-jamming
capability

Independently tested
and verified to pass
the MIL-STD 810H
drop test.

The RLR takes
rugged to the
next level -
New shock-
absorbing reticle
protector adds an
extra layer of drop
protection.

STALKER®

Power to Enforce.

The R-Series LIDAR solidifies Stalker's place at the head of the LIDAR pack. Weighing in at a mere 2.3 lbs. (1.09 kg), with batteries, the R-Series is lighter than any comparable hand-held device on the market.

The RLR's Li-Ion battery pack snaps instantly into the pistol grip, provides power for at least two shifts, and withstands more than 500 charging cycles. Alternatively, the RLR AA uses six Alkaline or Ni-MH rechargeable AA batteries.

With an average target acquisition time of 1/3 of a second or less, and a range in excess 9,500 feet (on a tripod), there is not a more effective speed enforcement tool.

Full-Character LCD Display

The Stalker RLR LIDAR's new full-character LCD display and simple menu system make it the most user friendly lidar on the market.

Exclusive RLR Features:

■ C-Thru Technology™

Stalker LIDAR RLR's C-Thru Technology™ enables the LIDAR to track targets despite the presence of trees, leaves, bushes, utility poles, and other obstructions between it and the target.

■ Auto Obstruction Mode

Using C-Thru Technology™, the operator can take a position where previously – because of a fence, trees, signage, etc. – continuous tracking of a target was impossible.

■ School Zone / Construction Zone Mode

The RLR can track vehicles only within an operator-defined area. The operator sets a far boundary and near boundary and the RLR will ignore vehicles outside of that zone.

■ Inclement Weather / Obstruction Mode

The Inclement Weather/Obstruction Mode allows the unit to work in rain, snow, blowing dust, fog, as well as through fences, tree branches, etc.

■ Anti-Jamming Capability

■ Shoots Through Windshields

■ Calibration Expiration Notice

■ Wireless Connectivity

The RLR can connect with peripherals such as printers or speed display signs. It allows the RLR to connect to a PC for serial data transfers or use with the Data Logging feature.

■ Data Logging

Capturing and logging speed and time data is as easy as releasing the trigger. Storing up to 3,000 data sets in non-volatile memory, the data is either captured automatically or only when accepted by the operator.

■ Following-Too-Close

Easily set up. Taking readings of two vehicles in the same lane shows distance between the vehicles and separation time.

Specifications

Dimensions:	9.1" Height, 5.0" Length, 4.3" Width (23.1 cm Height, 12.7 cm Length, 10.9 cm Width)
Weight:	Including battery 2.3 lbs (1.09 kg)
Housing:	High impact resistant polymer housing
Ingress Protection:	IP67 dust and water proof
Environmental:	-22° to +140° F, operating, (-30° to 60°C) -40° to +185° F, non-operating (-40° to 85°C)
Battery Life:	Typically 500+ charge cycles
Battery Charge:	Li-Ion battery: Approx. 2 - 3 shifts AA batteries: Approx. 2 shifts
Type:	Hand-held LIDAR offering Tracking mode, and Single-Shot mode*
Acquisition Time:	0.33 second
Nominal Range on moving targets	Minimum: - Range mode < 5' (< 1.5 m) Speed mode 49' (15.2 m) Normal: 4,000' (1,219 m) approaching vehicles Maximum: 9,999' (3,047 m)
Range Accuracy:	± 6" (± 15 cm **)
Speed Measure:	299 mph (481 km/h; 260 knots)
Speed Accuracy:	± 1 mph (± 1 km/h; ± 1 knot)
Eye Safety:	FDA/CDRH CLASS 1 (U.S. /Canada eye safe)

* Not available in North America

DISTRICT ATTORNEY'S OFFICE

Fort Bend County, Texas

BRIAN M. MIDDLETON
District Attorney

(281) 341-4460

October 11, 2024

To: Samantha Gulley, Fort Bend County Grants Program Manager
JAG Review Committee

CC: Brian M. Middleton, District Attorney
Edward Gordon, FBCDA Chief Investigator

From: Wesley Wittig, Second Assistant District Attorney

Re: Edward Byrne Memorial Justice Assistance Grant FY2024

Ms. Gulley and JAG Review Committee Members,

On behalf of the Fort Bend County District Attorney's Office Investigations Division, we respectfully request consideration of the following items for purchase as part of the funds available from the FY2024 Edward Byrne Memorial Justice Assistance Grant (JAG). Listed by priority:

1. Digital Forensics Laptop (3)
 - a. 3 x \$3,056 ea. = \$9,168
2. External Hard Drive (21)
 - a. 21 x \$140 ea. = \$2,940
3. Video Editing Desktop (1)
 - a. 1 x \$1,789 ea. = \$1,789
4. Portable Printer + Ink Bundle (4)
 - a. 4 x \$246 ea. = \$984

Total requested: \$ 14,881

Justification

1. Digital Forensics Laptop: Evidence in criminal investigations has rapidly transitioned from physical to digital form. Every person has a cell phone, and most vehicles today have on-board computers. The technology required to extract the evidence contained within demands high-performance computers. This evidence, in addition to massive downloads from social media companies, must then be analyzed

DISTRICT ATTORNEY'S OFFICE

Fort Bend County, Texas

BRIAN M. MIDDLETON
District Attorney

(281) 341-4460

and cataloged. Finally, the digital evidence must be presented to a jury. Smaller computers with less computing power cannot store nor present this evidence, materially damaging the prosecution.

2. External Hard Drive: With the increase in digital evidence, sizeable storage and portability is a necessity. Once a rarity to download a cell phone, it has become a standard tool in criminal investigations. The cell phone dumps are large digital files that cannot claim all our space on the county's network, and flash drives are simply too small and fragile. The county's standard issue laptops do not have the internal storage capacity either. These drives will outfit each investigator with enough space and with an upgraded transmission speed to allow evidence retention and evaluation when not using a digital forensic laptop.
3. Video Editing Desktop: Digital evidence often requires the advanced ability to edit, redact, or amplify audio/video files. This can be ordered by the court before evidence is admissible in trial. A high-end desktop with included graphics card is built beyond the standard machines our investigators use. This Microsoft Windows computer will compliment our Apple computers that run cinematic-grade video-editing software.
4. Portable Printer + Ink Bundle: Our investigators are also mobile, and previous JAG requests have supported MDT laptops to keep them connected on the road. We are attending more crime scenes and initiating investigations – from vehicular crimes to officer-involved shootings, that may require print capability on location.

These requests enable our investigators to meet the challenges of a rapidly evolving technological landscape, allowing them to perform their responsibilities efficiently and effectively. Quotes are attached. Thank you for your consideration.

Sincerely,

Wesley Wittig
Second Assistant District Attorney

Important Notes

Terms of Sale

This Quote will, if Customer issues a purchase order for the quoted items that is accepted by Supplier, constitute a contract between the entity issuing this Quote ("Supplier") and the entity to whom this Quote was issued ("Customer"). Unless otherwise stated herein, pricing is valid for thirty days from the date of this Quote. All product, pricing and other information is based on the latest information available and is subject to change. Supplier reserves the right to cancel this Quote and Customer purchase orders arising from pricing errors. Taxes and/or freight charges listed on this Quote are only estimates. The final amounts shall be stated on the relevant invoice. Additional freight charges will be applied if Customer requests expedited shipping. Please indicate any tax exemption status on your purchase order and send your tax exemption certificate to Tax_Department@dell.com or ARSalesTax@emc.com, as applicable.

Governing Terms: This Quote is subject to: (a) a separate written agreement between Customer or Customer's affiliate and Supplier or a Supplier's affiliate to the extent that it expressly applies to the products and/or services in this Quote or, to the extent there is no such agreement, to the applicable set of Dell's Terms of Sale (available at www.dell.com/terms or www.dell.com/oemterms), or for cloud/as-a-Service offerings, the applicable cloud terms of service (identified on the Offer Specific Terms referenced below); and (b) the terms referenced herein (collectively, the "Governing Terms"). Different Governing Terms may apply to different products and services on this Quote. The Governing Terms apply to the exclusion of all terms and conditions incorporated in or referred to in any documentation submitted by Customer to Supplier.

Supplier Software Licenses and Services Descriptions: Customer's use of any Supplier software is subject to the license terms accompanying the software, or in the absence of accompanying terms, the applicable terms posted on www.Dell.com/eula. Descriptions and terms for Supplier-branded standard services are stated at www.dell.com/servicecontracts/global or for certain infrastructure products at www.dell.com/en-us/customer-services/product-warranty-and-service-descriptions.htm.

Offer-Specific, Third Party and Program Specific Terms: Customer's use of third-party software is subject to the license terms that accompany the software. Certain Supplier-branded and third-party products and services listed on this Quote are subject to additional, specific terms stated on www.dell.com/offeringspecificterms ("Offer Specific Terms").

In case of Resale only: Should Customer procure any products or services for resale, whether on standalone basis or as part of a solution, Customer shall include the applicable software license terms, services terms, and/or offer-specific terms in a written agreement with the end-user and provide written evidence of doing so upon receipt of request from Supplier.

In case of Financing only: If Customer intends to enter into a financing arrangement ("Financing Agreement") for the products and/or services on this Quote with Dell Financial Services LLC or other funding source pre-approved by Supplier ("FS"), Customer may issue its purchase order to Supplier or to FS. If issued to FS, Supplier will fulfill and invoice FS upon confirmation that: (a) FS intends to enter into a Financing Agreement with Customer for this order; and (b) FS agrees to procure these items from Supplier. Notwithstanding the Financing Agreement, Customer's use (and Customer's resale of and the end-user's use) of these items in the order is subject to the applicable governing agreement between Customer and Supplier, except that title shall transfer from Supplier to FS instead of to Customer. If FS notifies Supplier after shipment that Customer is no longer pursuing a Financing Agreement for these items, or if Customer fails to enter into such Financing Agreement within 120 days after shipment by Supplier, Customer shall promptly pay the Supplier invoice amounts directly to Supplier.

Customer represents that this transaction does not involve: (a) use of U.S. Government funds; (b) use by or resale to the U.S. Government; or (c) maintenance and support of the product(s) listed in this document within classified spaces. Customer further represents that this transaction does not require Supplier's compliance with any statute, regulation or information technology standard applicable to a U.S. Government procurement.

For certain products shipped to end users in California, a State Environmental Fee will be applied to Customer's invoice. Supplier encourages customers to dispose of electronic equipment properly.

Electronically linked terms and descriptions are available in hard copy upon request.

^DELL BUSINESS CREDIT (DBC): Offered to business customers by WebBank, who determines qualifications for and terms of credit. Taxes, shipping and other charges are extra and vary. The Total Minimum Payment Due is the greater of either \$20 or 3% of the New Balance shown on the statement rounded up to the next dollar, plus all past due amounts. Dell and the Dell logo are trademarks of Dell Inc.

ATTN: Samantha Gulley, Project Manager – Grants

FROM: Kyle Dobbs, Chief Juvenile Probation Officer

RE: FY 2024 Edward Byrne Memorial Justice Assistance Grant Program

The Fort Bend County Juvenile Probation Department is respectfully requesting consideration for the following items from the above referenced grant.

Items to be utilized by the Detention Center include:

Motorola 2 Way Radio Set: Used by all staff inside the detention center to communicate with one another. Radios make it easier for quick responses to emergencies, programming disruptions and calls for assistance.

Motorola Batteries: All 2-way radios use a lithium ion battery for operation.

Clips for Radios: Clips enable the staff to attach the radios to their belts leaving their hands free.

Motorola 2 Way Radio Set	8 @ \$450.00	\$3,600.00
Motorola Lithium Batteries	10 @ \$47.95	\$479.50
Radio Clips	25 @ \$12.95	<u>\$323.75</u>
		\$4,403.25

The grand total for this request is \$4,403.25. Thank you in advance for your consideration.

Sincerely,

Kyle Dobbs,
Chief Juvenile Probation Officer

Fort Bend County, Texas

ERIC FAGAN
Sheriff

October 11, 2024

(281) 341-4700
Fax (832) 471-2475

Samantha Gulley, Grant Coordinator
Office of the County Judge
301 Jackson St.
Richmond, TX 7469

Re: FY2025 Edward Byrne Justice Memorial Grant

Dear Ms. Samantha Gulley:

The Fort Bend County Sheriff's Office seeks to fund the purchase of a speed trailer as part of the traffic enforcement program under the Edward Byrne Justice Memorial Grant. The total funding amount for this project is \$11,999.00.

A second project involves the effort to fund transmitter bracelets for autistic, persons with intellectual learning disorders, and dementia/ Alzheimer's disease who are prone to wandering. As part of Project Lifesaver, this is a request to purchase transmitters and bracelets at a cost of \$7,200.00.

The total amount requested is \$19,199.00. The Project Lifesaver transmitters and bracelets are scalable.

Problem Statement:

Fort Bend County is reportedly one of the top Texas counties with large numbers of major crashes and fatalities. The Texas Department of Transportation ranks Fort Bend County as the 8th highest County for crashes and fatalities. Between January 1, 2021, and September 1, 2024, 35 fatality crashes were recorded involving DUI/DWI, 22 fatality crashes were recorded in which a seat belt was not used, 26 fatalities involved excessive speed, and 3 fatality crashes resulted from distracted driving.

With respect to commercial motor vehicles, during the same time period, 14 fatalities involved DUI/DWI drivers, 21 fatalities were related to non use of seat belts, 22 involved excessive speed, 35 occurred at intersections, and 2 fatalities resulted from distracted driving.

Speed is also a contributing factor to the many pedestrian and pedestrian cyclist accidents reported in and around school zones. This year, 67 auto-pedestrian accidents were reported, 241 failure to stop and give information, and 4,500 non-injury crashes. The total number of crashes, January 1 through October 1 is 5,662.

A substantial part of the Fort Bend County population manages illnesses related to autism, Alzheimer's/dementia, and intellectual learning disorders. Recently, several children with autism left their homes and drowned in nearby ponds. Persons with Alzheimer's and dementia as well as intellectual learning disorders are also prone to wandering.

SHERIFF'S OFFICE

Fort Bend County, Texas

ERIC FAGAN
Sheriff

(281) 341-4700
Fax (832) 471-2475

The transmitters and bracelets provided by Project Lifesaver enable Sheriff's deputies to locate persons who have wandered by immediately deploying readers to locate signals from their bracelets.

Purpose:

The purpose of the traffic enforcement project is to increase driver awareness of their speed, and to improve public safety.

A direct benefit of the speed trailer is its immediate messaging to approaching drivers with indication of their speed. Given that speeding drivers are also striking pedestrians, such as children on their bicycles or as pedestrians walking to school, the trailer can contribute to reduced speed and improved safety.

The purpose of Project Lifesaver is to locate person who have left their homes before any harm can come to them or before they are subject to exploitation by predators.

Description:

The traffic trailer is described as a speed patrol trailer with two 18" digit speed display with slow down and tuning fork:

Trailer with display, radar, battery charger, support axle	\$7,581.00
50 watt solar panel	\$ 768.00
Additional battery	\$ 206.00
Strobe kit	\$ 465.00
Changeable speed limit signs	\$ 390.00
12 V/ 24 hr timer	\$ 102.00
Speedview with data collection	\$ 837.00
Bluetooth	\$ 150.00
Outbound freight	\$ 1,500.00
TOTAL	\$11,999.00

Project Lifesaver:

Transmitters (3 @ \$1m200 each)	\$ 3,600.00
Bracelets (10 @ 360.00 each)	\$ 3,600.00
TOTAL	\$ 7,200.00

TOTAL Project Funding **\$19,199.00**

Performance Goals:

Measures for traffic enforcement will be greater public awareness of speed and enhanced public safety, with any effect on crashes and fatalities. With respect to school zones, a performance measure will be any reduction in crashes involving vehicles and pedestrian cyclists and pedestrians.

SHERIFF'S OFFICE

Fort Bend County, Texas

ERIC FAGAN
Sheriff

(281) 341-4700
Fax (832) 471-2475

With respect to Project Lifesaver, performance goals are to reduce the likelihood that persons prone to wandering can be located before any harm can come to them and before they can be subject to inclement weather and predators.

The Traffic Enforcement Program and Project Lifesaver fit with the BJA Solicitation's requirement for acceptable use of JAG funding, to include law enforcement and public safety purposes.

Thank you for any consideration you and the Committee may provide to these important public safety programs for Fort Bend County.

Please contact me at 281.341.4700 if I may provide any additional information.

Sincerely,

A handwritten signature in blue ink that reads "Eric Fagan".

Speed Patrol™ 18

Speed Calming Trailer

Built to Handle the Job!

MPH

Speed Patrol™ 18

Non-Folding Enclosure with 18" LED Display

Shown with
Optional 50 Watt Solar Panel

Speed Patrol™ 18 features MPH's new
DS-4 Ranging Directional Radar

Trailer

- Easily towed at highway speeds
- Frame Dimension: 4 ft. x 7.5 ft.
- Overall Dimension: 6 ft. x 7.5 ft.
- Overall Height with standard 14 in. wheels: 5 ft. 6 in.
- Overall Weight: 620 lbs.
- Material: 11 gauge 2 in. square steel tube
- Coating: A. rust-proof undercoat B. graffiti-resistant White powder-coated top coat
- All wiring is concealed in frame, utility box, or run through a steel-braided protected line
- Steel utility box is 28 in. deep x 43 in. wide x 15 in. high and provides a weatherproof enclosure for batteries, charger, speed sign storage, and will accept an optional statistical traffic package
- 2 in. ball hitch continuously welded on a non-removable 2 in. square tube tongue
- 14x185R17 automotive radial tires
- Leaf spring suspension for superior cushioning
- Choice of Group 27 or heavy-duty Group 31 deep-cycle batteries. 110 volt battery charger. Base model ships with 1 battery
- 1 screw-type jack on the tongue with 2 stabilizer jacks on the rear bumper.

Display

- Enclosure Dimension: 32.5 in wide x 31.5 in high x 9 in. deep
- Enclosure Access Door opens from the front and has 2 lockable handles. Clear window is durable, vandal-resistant Lexan®
- Enclosure is weatherproofed to NEMA 4 rating.
- Two 18 in. high Digits show approach-only speeds. Speeds shown in MPH. KPH is available.
- Assembled with super-bright, wide angle LED's. Choice of Red or Amber.
- Viewing distance of at least 1,000 ft.
- Automatic dimming for best viewing in day and night.
- Battery Status indicator displays battery charge level in the main display window.

Radar

- New MPH DS-4 Approach-Only Radar—Rejects speeds of all opposing lane traffic.
- 1,000 ft. range (for typical vehicle)
- 25 mW transmitter power
- 12° Antenna Beamwidth
- Type accepted under FCC Part 90
- Operating Temperature Range: - 22° F to +160° F

Warranty

- 2 Year Parts and Labor on the radar and speed display
- 1 Year Parts and Labor on the balance of the trailer
- Additional warranties may apply to accessory equipment

Options

- **Overspeed Alert** causes the displayed speed to flash when that speed exceeds your pre-set limit
- **High Speed/Maximum Speed Cutoff** works with Overspeed Alert to blank the display when the violator's speed is 20 mph or more over the Overspeed Alert.
- **Speed Limit Sign** with Changeable Numbers
- **School Zone Sign**
- **Traffic Statistics Computer**
- **Anti-Theft Equipment**
 - > Wheel Bar Lock
 - > Steel Security Cable with Lock
 - > Ball Hitch Lock
 - > Anti-Theft Motion Alarm with Remote Control
- **Additional Batteries** (trailer can handle a total of 4)
- **Spare Tire, Wheel and Mount**
- **Flashing Strobes** (add 2 batteries if you order strobes)
 - > White
 - > Amber
 - > Red
 - > Blue

SpeedView™ Traffic Data Analysis System

Built upon the unique operating characteristics of MPH's newest *Ranging Directional Radar*, the **DS-4**, SpeedView™ accurately counts individual vehicles once and only once. No other radar-based traffic computer offers SpeedView's accuracy without the use of road tubes. SpeedView's ample memory can hold more than a year's worth of traffic data.
