This Tax Abatement Agreement, hereinafter referred to as "Agreement," is executed by and between **FORT BEND COUNTY, TEXAS**, hereinafter referred to as "County," acting by and through its Commissioners Court and **OLD 300 STORAGE CENTER, LLC** hereinafter referred to as "Owner," of the tangible personal property to be located within Fort Bend County Reinvestment Zone No. 26 to be effective as of the date the County signs this Agreement (the "Effective Date").

1. **Authorization:**

- a. This Agreement is authorized by the Property Redevelopment and Tax Abatement Act, Chapter 312 of the TEXAS TAX CODE as it exists on the Effective Date of this Agreement and concerns Property subject to Texas Tax Code Section 23.26, and;
- b. The Guidelines and Criteria for Granting Tax Abatement in Reinvestment Zones created by Fort Bend County, Texas, were approved by the County's Commissioners Court on May 9, 2023. County has determined that the request for Tax Abatement presented by Owner conforms to the criteria established in the Guidelines for Tax Abatement.
- c. No official of County has an interest in the property subject to this Agreement.

2 **Definition:**

As used in this Agreement, the following terms shall have the meanings set forth below:

- h. "FBCAD" means Fort Bend Central Appraisal District.
- i. "Project" means the battery storage facility that Owner proposes to construct on the Real Property in Fort Bend County Reinvestment Zone No. 26.
- j. "Certificate" means a letter, provided by the Owner to the County that certifies that the Project has achieved Commercial Operations (as defined below) and outlines the Eligible Property included in the Project (including those facilities at the Project that are still under construction). Upon receipt of a Certificate, the County may inspect the Eligible Property in accordance with the terms of this Agreement in order to verify that the Eligible Property is constructed as certified in such Certificate. If the Certificate indicates that certain ancillary facilities not required for Commercial Operations are still under construction on the date that the Certificate is delivered, Owner will deliver an amended Certificate to the County within thirty (30) days after all Project construction is complete. Property meeting the definition of "Eligible Property" that is not fully constructed until after the delivery of the Certificate shall still be entitled to the Abatement under this Agreement.
- k. "Commercial Operations" means that the Project has become commercially operational and placed into service for the purpose of storing and distributing electricity for sale on one or more commercial markets.

- l. "Lender" means any entity or person providing, directly or indirectly, with respect to the Project any of (i) senior or subordinated construction, interim or long-term debt financing or refinancing, whether that financing or refinancing takes the form of private debt, public debt, or any other form of debt (including debt financing or refinancing), (ii) a leasing transaction, including a sale leaseback, inverted lease, or leveraged leasing structure, (iii) tax equity financing, (iv) any interest rate protection agreements to hedge any of the foregoing obligations, and/or (v) any energy hedge provider. There may be more than one Lender. Owner, at its election, may send written notice to the County with the name and notice information for any Lender.
 - m. "Term" shall mean the period beginning with the Effective Date and ending on the December 31st of the final year of the ten-year term of the Abatement.
 - n. "Total Project Costs" shall mean the total costs necessary to plan, design, and construct the facility, purchase construction materials, equipment, machinery and make it ready to commence operations, excluding any costs associated with leasing or purchase of the land for the Project.
3. **Subject Property:**
- a. The Fort Bend County Reinvestment Zone No. 26 is an area located in Fort Bend County, Texas, being legally described in Exhibit One attached hereto and incorporated herein for all purposes.
 - b. The base year value for the Eligible Property as of January 1, 2024, is agreed to be zero.
4. **Responsibility of Owner:**
- In consideration of receiving the tax Abatement granted herein, Owner represents and agrees:
- a. That construction of the Eligible Property will commence on or before January 1, 2026.
 - b. That Owner shall have delivered the Certificate to the County certifying that the Project has achieved Commercial Operations no later than June 1, 2027.
 - c. That simultaneous with the delivery of the Certificate, Owner shall provide the County's Tax Assessor/Collector a certified statement evidencing Total Project Costs. Owner's current and best estimate of the Total Project Costs is no less than \$135,000,000, and Owner shall update and provide the final cost estimates for the Total Project Costs to County within 30 days of receipt of final design. The parties agree that the Certified Appraised Value of the Eligible Property on January 1 of the first year after the Certificate is delivered, and on each and every January 1 thereafter during the Term of this Agreement, will be the Certified Appraised Value as determined by FBCAD.

- d. THAT OWNER SHALL BE RESPONSIBLE FOR NOTIFYING THE FBCAD OF THE ABATEMENT, INCLUDING FILING WITH THE FBCAD ANY APPLICATION OR OTHER FORMS NECESSARY TO QUALIFY FOR OR RECEIVE THE ABATEMENT GRANTED.
 - e. THAT OWNER SHALL BE RESPONSIBLE FOR REQUESTING FROM COUNTY AN ASSIGNMENT OF THIS AGREEMENT IN THE EVENT THE ELIGIBLE PROPERTY THAT IS THE SUBJECT OF THIS AGREEMENT IS SOLD, TRANSFERRED OR ASSIGNED. EXCEPT AS OTHERWISE PROVIDED HEREIN, ANY ASSIGNMENT IS NOT EFFECTIVE UNTIL APPROVED IN WRITING BY COUNTY.
 - f. That Owner, either on its own or in combination with its parent company (Orsted North America, Inc.) shall, as of January 1, 2026, have the financial ability, through its own assets or through borrowings or fundraising, to construct the Project.
 - g. That Owner shall ensure that taxes on all property owned or leased by it in Fort Bend County are current. Delinquent taxes for any Fort Bend County property owned or leased by Owner is a default of Owner's obligations hereunder and will be grounds for exercising the County's default remedies regardless of whether the delinquent property is subject to Abatement; provided however that this Agreement does not abrogate Owner's right to timely protest property tax assessments in compliance with the Texas Tax Code and applicable law.
5. **Value and Term of Abatement:**
- a. In no event shall this Agreement extend beyond the expiration of the ten year term of the Abatement.
 - b. In each year of the Abatement Term (as defined below), the amount of Abatement shall be an amount equal to the percentage indicated below of all ad valorem taxes assessed by the County on the Eligible Property.
 - c. Subject to the limitations imposed by law and conditioned upon the representations outlined in Section 4 herein above, there shall be granted and allowed hereunder a property tax Abatement for the following years and in the following amounts on the value of the Eligible Property for all categories of ad valorem taxes assessed by the County:

Tax Year	Percentage Abatement of the Value Calculated Under Tax Code 23.26
Year 1	85%
Year 2	85%
Year 3	85%
Year 4	80%
Year 5	80%

Year 6	65%
Year 7	50%
Year 8	30%
Year 9	20%
Year 10	20%

"Year 1" in the table above shall correspond to the calendar year commencing on the first January 1 after Owner delivers the Certificate. The ten-year period (beginning with Year 1) to which the Abatement will apply is sometimes referred to herein as the "Abatement Term."

In the chart above, the total percentage of abatement granted for the Eligible Property for 10 years is 600%, or an average of 60% per year based upon a final Total Project Cost estimate of \$135 million. However, should the final Total Project Cost estimate be less than \$135 million, the total percentage of abatement granted for Eligible Property for the ten year term would be reduced as follows: if the Total Project Cost is less than \$135 million but greater than or equal to \$108 million, a reduction to 500%; if the Total Project Cost is less than \$108 million but greater than or equal to \$77 million, a reduction to 400%; and if the Total Project Cost is less than \$77 million, the percentage will be re-negotiated by the parties. Also, in the event that the final Total Project Cost estimate equals or exceeds \$155 million, the total percentage of abatement granted for the Eligible Property for the Abatement Term would be increased to 650%. In the event that the total Abatement Percentage is adjusted pursuant to this paragraph, then adjusted the total Abatement percentage will be apportioned among the ten years of the Abatement Term in the same proportion that the 600% total Abatement percentage is apportioned among the ten years in the table above.

6. **Taxability:**

During the Abatement Term, the value of taxes shall be payable by the Owner as follows:

- a. The value of all property (Eligible and Ineligible) shall be determined in the Base Year by the FBCAD.
- b. The value of Ineligible Property shall be fully taxable
- c. The value of Eligible Property shall be abated during the Abatement Term as set forth in Section 5(c).
- d. Beginning on January 1 of the first calendar year after the Certificate is delivered, the percentage of property taxes set forth in the table above on the Certified Appraised Value of all Eligible Property shall be abated for the entire ten-year abatement period.

- e. After expiration of the Abatement Term, 100% of the Certified Appraised Value of all property owned by Owner located in the County shall be fully taxable at all times.

7. **Event of Default:**

- a. County may declare Owner in default of this Agreement if: (i) Owner fails to comply with any Term of this Agreement or (ii) Owner allows County ad valorem taxes on any property owned by it in Fort Bend County to become delinquent during the Term of this Agreement, even if the delinquent taxes are for a property not subject to an Abatement.
- b. County shall notify Owner of any default in writing specifying the default. Owner shall have sixty (60) days from the date of the notice to cure any default. If Owner fails to cure the default within ninety (90) days from receipt of notice, County may terminate this Agreement by written notice.
- c. If this Agreement is terminated by County, as County's sole and exclusive remedy, Owner agrees that it is liable for and will pay to County within thirty (30) days of the termination of this Agreement:
 - i. The amount of all taxes abated for the entire period the uncured default existed during the Term of this Agreement; and
 - ii. Penalties and interest on the abated amount at the rate provided for in the Texas Tax Code for delinquent taxes.
 - iii. The County's reasonable attorneys' fees incurred in connection such termination and in connection with its efforts to collect such penalties and interest.
- d. County shall have a lien against the Eligible Property for the taxes and interest owed because of the recapture of taxes under this paragraph during the time period beginning on the date such payment obligation accrues and continuing until the date is paid, subject to the terms and conditions provided in the Texas Tax Code for the County's lien for property taxes.
- e. This paragraph is required by Chapter 2264, TEXAS GOVERNMENT CODE and governs over any conflicting provisions of this Agreement. Owner is prohibited from knowingly employing undocumented workers as that term is defined in Section 2264.001, TEXAS GOVERNMENT CODE. If Owner is convicted of a violation under 8 U.S.C. Section 1324a(f), the conviction shall be considered default of this Agreement, from which no cure provisions shall apply. In such event, County shall provide written notice to Owner of the default and this Agreement shall automatically terminate on the 30th day after the date of the notice of default from County to Owner. In the event of termination under this paragraph, Owner shall repay the amounts specific in subparagraph c. above.

- f. LIMITATION OF LIABILITY: TERMINATION OF THE AGREEMENT (RESULTING IN A FORFEITURE OF ANY RIGHT TO ABATEMENT HEREUNDER BEYOND THE TERMINATION DATE) AND RECAPTURE OF PROPERTY TAXES ABATED SHALL BE THE COUNTY'S SOLE REMEDY, AND OWNER'S SOLE LIABILITY, IN THE EVENT OWNER FAILS TO TAKE ANY ACTION REQUIRED BY THIS AGREEMENT, INCLUDING ANY FAILURE TO PAY AMOUNTS OWED UNDER THIS AGREEMENT. OWNER AND COUNTY AGREE THAT THE LIMITATIONS CONTAINED IN THIS PARAGRAPH ARE REASONABLE AND REFLECT THE BARGAINED FOR RISK ALLOCATION AGREED TO BY THE PARTIES. IN THE EVENT OF A BREACH OF THIS AGREEMENT, ANY TAXES DUE BY OWNER SHALL BE SUBJECT TO ANY AND ALL STATUTORY RIGHTS FOR THE PAYMENT AND COLLECTION OF TAXES IN ACCORDANCE WITH THE TEXAS TAX CODE.
- g. Any Default Notice delivered to Owner and any Lender under this Agreement shall prominently state the following at the top of the notice:

NOTICE OF DEFAULT UNDER TAX ABATEMENT AGREEMENT

YOU ARE HEREBY NOTIFIED OF THE FOLLOWING DEFAULT UNDER YOUR TAX ABATEMENT AGREEMENT WITH THE COUNTY. FAILURE TO CURE THIS DEFAULT WITHIN THE TIME PERIODS PROVIDED BY THE AGREEMENT SHALL RESULT IN CANCELLATION OF THE TAX ABATEMENT AGREEMENT AND, ACTION TO RECAPTURE OF TAXES ABATED PURSUANT TO THE AGREEMENT.

8. **Administration and Inspection:**

- a. This Agreement shall be administered on behalf of the Fort Bend County Tax Assessor/Collector or her designee. Owner shall allow employees or other representatives of County who have been designated by the Tax Assessor/Collector to have access to the Real Property (during normal business hours) during the Term of the Agreement. All regular inspections shall be made only after two (2) business days prior notice and will be conducted in such a manner as not to unreasonably interfere with the construction or operation of the Project. A representative of Owner may accompany the inspector. County shall cause each of its employees and representatives who conduct such inspections to abide by all of Owner's security, safety and operational rules.
- b. Upon completion of the placement and/or installation of the Eligible Property, County shall annually evaluate any Eligible Property to ensure compliance with the terms and provisions of this Agreement and shall report potential defaults to the Owner.

- c. The Chief Appraiser of the FBCAD shall annually determine (i) the taxable Certified Appraised Value under the terms of the tax Abatement of the Eligible Property provided for in this Agreement and (ii) the full taxable Certified Appraised Value without the Abatement. The Chief Appraiser shall record both abatement taxable value and full taxable value in the appraisal records. The full taxable value figure listed in the appraisal records shall be used to compute the amount of abated taxes subject to recapture when this Agreement is terminated in a manner that results in recapture of abated taxes.
- d. On or before September 1 of each year of this Agreement, Owner shall certify in writing to the Fort Bend County Tax Assessor/Collector Owner's compliance with each term of this Agreement by completion and submission of the form attached as Exhibit Four to this Agreement. No substitutions are allowed.
- e. Owner shall furnish the Chief Appraiser annually such information as provided for under Chapter 22 of the Texas Tax Code. Such information shall also be provided annually to the County Tax Assessor/Collector in preparation of its annual evaluation for compliance with the terms and provisions of this Agreement.

9. **Assignment:**

- a. The rights and responsibilities of Owner hereunder may be assigned, in whole or in part, to an Affiliate without County's prior consent. Owner shall provide notice to the County of any assignment to an Affiliate. Owner's assignment of the Agreement to an Affiliate shall be final only after the execution of a formal assignment document between Owner and the assignee and the delivery of notice of the execution of such assignment agreement to the County.
- b. The rights and responsibilities of Owner hereunder may be assigned to a party other than an Affiliate only after obtaining the County's prior consent, which consent shall not be unreasonably withheld, conditioned, or delayed. Any assignment by Owner to a party other than an Affiliate without first obtaining the consent of the County shall be a default under this Agreement subject to the notice provisions, cure provisions, remedies, and other terms and conditions of Section 7 above. Owner shall give the County forty-five (45) days' written notice of any intended assignment to a party other than an Affiliate, and the County shall respond with its consent or refusal within thirty-five (35) days after receipt of Owner's notice of assignment. If the County responds to Owner's notice of assignment with a refusal, the parties agree to work together in good faith to resolve the County's objections to the assignment. Owner's assignment of the Agreement shall be final only after the execution of a formal assignment document between Owner and

the assignee and the delivery of notice of the execution of such assignment agreement to the County. Neither Owner's notice of an intended assignment nor the County's formal consent to an intended assignment shall constitute an assignment of the Agreement, and Owner's request for a consent to assignment shall not obligate owner to assign the Agreement. In no event shall the County's failure to timely respond to Owner's written notice of an intended assignment be deemed to be the County's consent to the intended assignment.

- c. No assignment shall be effective or approved if County has declared a default hereunder which has not been cured or the assignee is delinquent in the payment of any ad valorem taxes owed to County.
- d. Any and all assignments shall contain the same terms and conditions as set out in this Agreement and shall be granted for the remaining term of the original Agreement only.
- e. The parties agree that a transfer of all or a portion of the corporate ownership interests in Owner shall not be considered an assignment under the terms of this Agreement and shall not require any consent of the County. If the name of the Owner is changed, Owner will promptly notify County in writing of such change of name; this sentence is not intended to diminish the requirements of Section 9.a. above in the event of an actual assignment of the Agreement. The "corporate ownership interests" for purposes of this Section 9.d. include limited liability company, corporation, or partnership ownership interests.
- f. Notwithstanding the provisions of subparagraph a. above, Owner may, without obtaining the County's consent, mortgage, pledge, or otherwise encumber (a "Mortgage") its interest in this Agreement or the Project to a Lender for the purpose of financing the operations of the Project or constructing the Project or acquiring additional equipment following any initial phase of construction. Owner's encumbering its interest in this Agreement may include an assignment of Owner's rights and obligations under this Agreement for purposes of granting a security interest in this Agreement (a "Security Agreement") to a Lender. In the event Owner takes any of the actions permitted by this subparagraph to grant a Mortgage or a Security Agreement in this Agreement, it shall promptly provide written notice of such action to the County with such notice to include the name and notice information of the Lender. If Owner provides the name and contact information of a Lender to the County, then the County shall be required to provide a copy to such Lender of all notices (including default notices) delivered to Owner at the same time that the Notice is delivered to Owner. If Owner does not provide the name and contact information of a Lender to the County, then such Lender shall not have the notice rights nor any other rights of a Lender under this Agreement. If a Lender forecloses its Mortgage or Security Agreement rights in this Agreement, such Lender shall promptly notify the County of such foreclosure and promptly provide the County with the name and

notice information for the company that succeeded to the rights of Owner under the Agreement pursuant to such foreclosure. Nothing in any Mortgage or Security Agreement shall be construed or interpreted to have the effect of changing any of the terms and conditions of this Agreement.

10. **Indemnity:**

It is understood and agreed between the parties that Owner, in performing obligations hereunder, is acting independently, and County assumes no responsibilities or liabilities in connection therewith to third parties. OWNER AGREES TO DEFEND, INDEMNIFY AND HOLD HARMLESS COUNTY AND THE FBCAD FROM ANY AND ALL NON-OWNER CLAIMS, SUITS, AND CAUSES OF ACTION OF ANY NATURE WHATSOEVER ARISING OUT OF OWNER'S BREACH OF ITS OBLIGATIONS HEREUNDER EXCEPT THAT THE INDEMNITY SHALL NOT APPLY TO THAT PORTION OF RESPONSIBILITIES AND LIABILITIES RESULTING FROM THE FAULT OR NEGLIGENCE OF COUNTY OR TAXING UNITS, THEIR RESPECTIVE OFFICERS, AGENTS OR EMPLOYEES. OWNER'S INDEMNIFICATION OBLIGATIONS INCLUDE THE PAYMENT OF REASONABLE ATTORNEYS FEES AND EXPENSES INCURRED IN THE DEFENSE OF ANY SUCH CLAIMS, SUITS, AND CAUSES OF ACTION WHICH ARE NOT DUE TO COUNTY'S, THE DISTRICT'S OR THEIR REPRESENTATIVES' INTENTIONAL CONDUCT OR NEGLIGENCE. OWNER SHALL BE RESPONSIBLE FOR ALL FEES INCURRED BY COUNTY IN THE DEFENSE OF ANY SUCH CLAIMS, SUITS, OR CAUSES OF ACTION SO LONG AS DEFENSE COUNSEL AND COURSES OF ACTION ARE DETERMINED SOLELY BY OWNER. NOTHING IN THIS AGREEMENT SHALL BE INTERPRETED TO PROHIBIT COUNTY FROM INCURRING INDEPENDENT REPRESENTATION OF ANY SUCH CLAIM, SUIT OR CAUSE OF ACTION; PROVIDED, HOWEVER, THAT OWNER SHALL NOT BE RESPONSIBLE FOR ANY SUCH COSTS AND OR FEES SO INCURRED.

11. **Force Majeure:**

If by reason of force majeure, Owner is unable to perform any obligation of this Agreement, it shall give notice of the force majeure to County in writing within thirty (30) calendar days after Owner first becomes aware or should have become aware of the occurrence relied upon. By doing so, the obligation of Owner, to the extent and for the period of time affected by the force majeure, shall be suspended. The County shall not declare a default, and no default will be deemed to have occurred, when the circumstances giving rise to such declaration are the result of force majeure. Owner shall endeavor to remove or overcome the inability with all reasonable effort. For purposes of this provision, "force majeure" shall include, but not be limited to acts of God, landslides, lightning, earthquakes, hurricanes, storms, floods, or other natural occurrences; strikes, lockouts, insurrections, riots, wars or other civil or industrial disturbances; orders

of any kind of the federal or state government or of any civil or military authority; explosions, fires, breakage or accidents to machinery, lines, or equipment, or the failure or lack of capacity of the wastewater system or water supply system; governmental delays in granting approvals or issuance of permits; or any other cause not reasonably within the control of the Owner.

12. **Commissioners Court Approval:**

This Agreement is conditioned entirely upon the approval of the Commissioners Court by the affirmative vote of a majority of the members present at a duly scheduled meeting of the Commissioners Court.

13. **Compliance with State and Local Regulations:**

This Agreement shall not be construed to alter or affect the obligations of Owner to comply with any city ordinance or federal or state law or regulation.

14. **Changes in Laws/Vested Rights:**

The Tax Abatement provided in this Agreement is conditioned upon and subject to any changes in the state tax laws during the Term of this Agreement, but only the extent required by law to be enforceable and after giving Owner all vesting, nonconforming and/or "grandfather" rights, contained in and applicable to this Agreement and allowed by law.

15. **Representations and Warranties of the County:**

The County represents that (a) the County has formally elected to be eligible to grant property tax abatements under Chapter 312 of the Tax Code; (b) Fort Bend County Reinvestment Zone No. 26 has been designated and this Agreement has been approved in accordance with Chapter 312 of the Texas Tax Code and the Guidelines and Criteria as both exist on the Effective Date of this Agreement; (c) the County's execution of this Agreement has been duly authorized by a vote of the County Commissioners Court, (d) County properly published, posted, and delivered all public notices required by Tax Code chapter 312 prior to designating Fort Bend County Reinvestment Zone No. 26 and approving this Agreement, and (e) the property within the Reinvestment Zone and the Real Property is located within the legal boundaries of the County.

16. **Miscellaneous:**

- a. This Agreement and the rights and obligations of each party shall be construed and enforced under and in accordance with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Fort Bend County, Texas.
- b. In the event of one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision hereof and this Agreement shall be construed as if such

invalid, illegal, or unenforceable provision had never been contained herein. c. The waiver by either party of a breach of any provision of this Agreement shall not operate as or be construed as a waiver of any subsequent breach.

- c. Any amendments of this Agreement shall be of no effect unless in writing and signed by both parties hereto.

17. **Notices:**

- a. Any notice required to be given under the provisions of this Agreement shall be in writing and shall be duly served when it shall have been hand delivered, deposited with a nationally recognized overnight courier or deposited, enclosed in a wrapper with the proper postage prepaid thereon, and certified, return receipt requested, in a United States Post Office, addressed to County and Owner at the mailing address as hereinafter set out. If mailed, any notice of communication shall be deemed to be received three (3) business days after the date of deposit in the United States Mail.

Fort Bend County & Fort Bend County Drainage District Tax Abatement Joint Application

Fort Bend County and Fort Bend County Drainage District are separate taxing entities under Texas Law, and each are eligible to enter into Tax Abatement Agreements under **Tax Code Chapter 312**. PROJECT DETAILS:

1. List other communities (outside of Fort Bend County) that are being considered for the project. If no communities outside of Fort Bend County are being considered, please describe how without an incentive the project would not occur or would be otherwise substantially altered:

The applicant is a national solar, wind, and BESS developer with the ability to locate projects of this type in other states within the United States and other regions within Texas with favorable solar characteristics. The Applicant is actively assessing and developing other projects outside of Texas that are competing for limited investment funds. In addition to its projects in Texas, the developer is assessing or developing projects in California, Nevada, Colorado, Texas, Nebraska, Illinois, Mississippi, Michigan, Missouri, Indiana, Florida, New York, Maryland, and Virginia. The County 312 Agreement is

critical to the ability of the Project to move forward in Fort Bend County.

Without the available tax incentives, the economics of the Project become far less attractive. The Applicant for this project is competing against other developers who have been offered or are in the process of applying for County Tax Abatement Agreements. Obtaining the tax abatement agreement is critical to the economic and competitive viability of this Project. Without the County Tax Abatement Agreement, the Applicant would likely terminate the Project, including the aforementioned contracts, leases, and limited improvements, in order to reallocate resources in areas with more favorable economics.

2. Indicate any incentives sought or received from other Fort Bend County taxing entities in connection with this project.

No other incentives are being explored.

3. Describe the project, including size and scope of Improvements and Real Property to be undertaken, the facility's use, and the product or service to be produced.

24. Provide an assessment of the project's environmental impact, and any remediation and/or compliance plan associated with the project, which would have the effect of minimizing the negative impact of the project on the environment.

The project is expected to have minimal environmental impacts due to its very small footprint of approximately fewer than 10 acres and minimal environmental impacts of the BESS technology. The project is located on a previously-disturbed site that features a solar energy production facility and existing electrical substation. Wetland delineations have been performed on-site and the project infrastructure avoids all wetlands. The project will implement Texas Parks and Wildlife Department and U.S. Fish and Wildlife Service-recommended best management practices to avoid and minimize impacts to wildlife and the environment. Finally, the project will implement a Spill Prevention, Control, and Countermeasure Plan (SPCC) as required under the federal Clean Water Act and a Stormwater Pollution Prevention Plan (SWPPP) as required under the Texas Pollutant Discharge Elimination System (TPDES) Stormwater General Permit for Construction Activities that will be obtained prior to construction.
