

In no event shall the amount paid by County under this Agreement exceed the Maximum Compensation without a County approved change order. Cummins clearly understands and agrees, such understanding and agreement being of the absolute essence of this Agreement, that County shall have available the total maximum sum of Four Hundred Eighty-Five Thousand, Eight Hundred Fifty-Two Dollars and 86/100 (\$485,852.86) specifically allocated to fully discharge any and all liabilities County may incur under the Agreement.

Cummins does further understand and agree, said understanding and agreement also being of the absolute essence of the Agreement, that the total Maximum Compensation that Cummins may become entitled to and the total maximum sum that County may become liable to pay to Cummins under the Agreement shall not under any conditions, circumstances, or interpretations thereof exceed Four Hundred Eighty-Five Thousand, Eight Hundred Fifty-Two Dollars and 86/100 (\$485,852.86).

4. **Conflict.** In the event there is a conflict between this Third Amendment and Exhibit A-3, then this Third Amendment controls as to the conflict. In the event there is a conflict between this Third Amendment, the Agreement or any Exhibit attached thereto, the most recently executed document controls to the extent of the conflict.

{EXECUTION PAGE FOLLOWS}

{REMAINDER OF PAGE INTENTIONALLY LEFT BLANK}

IN WITNESS WHEREOF, this Third Amendment is signed, accepted, and agreed to by all Parties by and through the Parties or their agents or authorized representatives. All Parties hereby acknowledge that they have read and understood this Addendum and the exhibits hereto. All Parties further acknowledge that they have executed this legal document voluntarily and of their own free will. This Third Amendment is effective upon execution by all Parties.

Exhibit A: Additional Planned Equipment Maintenance Proposals

EXHIBIT A-3

**Planned Equipment
Maintenance Proposal to
FORT BEND COUNTY**

To the attention of: FORT BEND COUNTY

Cummins provides best in class products and related services worldwide with the highest quality in the industry. We service more than Cummins engines and generators, and we're pleased to offer you the following planned equipment maintenance proposal.

Cummins Available Planned Maintenance Services:

Cummins offers the following services - based on your selected packages these may or may not be included:

System Inspections: Batteries, controls, fuel systems, cooling systems, intake and exhaust systems, controls and accessories, aftertreatment basic run testing included in all Inspection Services.

Oil & Coolant Analysis: Sampling, included in all Inspection + Services, provides an overall snapshot of the equipment condition.

Planned Maintenance: Clean filters and oil changes included in Full Service keeps your product ready to run.

Load Bank Testing: Prevents wet stacking in diesel engines. In all units load bank testing applies controlled load to the equipment to test for proper operation providing peace of mind.

Transfer Switch & Switchgear: Cummins takes care of your whole system.

Cummins Branded Parts: Maintenance always includes Cummins Genuine Parts where applicable.

Warranty: Best-in-Industry warranty is always included, with a variety of extended warranty options available on Cummins equipment.

Digital Monitoring: Cummins Acumen is a best in class remote monitoring solution for your products to ensure availability and minimize unexpected costs.

Additional Available Services: Winterization, oil extension programs, training and more can all be customized to your needs.

For additional information regarding Cummins available products and services, please contact your Sales Representative.

Pricing for Services:

This 3 year proposal has been customized for your equipment and operations as described here:
