Why Attend WAHC 2025?

Connected.

The pool, hot tub, and aquatics industries are constantly evolving as we develop new technologies, create and update industry-wide standards and codes, gain a deeper understanding of the science behind water and air quality, and focus on the role we can each play in water and swim safety.

PHTA is thrilled to be hosting the 20th World Aquatic Health Conference January 27-29 in Atlantic City, NJ! For the first time ever, WAHC is co-locating with the Pool & Spa Show, powered by NESPA, one of the largest events in our industry. Co-locating means our WAHC attendees get access to even more educational and networking opportunities than ever before. Plus, your WAHC registration gives you access to the Pool & Spa Show tradeshow floor.

WAHC 2025 will be a celebration of what our industry has achieved and how we will continue to evolve and grow. Educated.

ACCEPT

At the crux of your personal and business success is training and competency. WAHC is the perfect opportunity to gain incredible education and maintain your certification. As an IACET Accredited Provider, PHTA offers CEUs for its programs that qualify under the ANSI/IACET Standard. At WAHC, you'll gain critical knowledge and ideas that you can take home and apply right away, helping you to maintain the trust of your customers and position your business for growth.

Inspired.

Every year, PHTA gathers hundreds of pool operators, environmental health officials, service technicians, aquatic managers, pool builders, and aquatic retailers from across the globe to offer opportunities for networking and collaboration. You will leave WAHC not only armed with the latest information and resources to help you achieve success in the year ahead, but also a network of colleagues who you can rely on to provide guidance and support.
