Subject AAFS 2025 :: Abstract Accepted
To: Doc@dmhforensics.com <Doc@dmhforensics.com>

Dear Paul,

Congratulations! Your abstract, *Cognitive Bias in Forensic Pathology: Types, Error, and Mitigation*, has been accepted for presentation at the **77th Annual AAFS Scientific Conference**, taking place February 17-22, 2025, in Baltimore, Maryland. We are excited to have you join this event in sharing your expertise with your colleagues!

Below are the initial details regarding your presentation assignment

Presentation: Cognitive Bias in Forensic Pathology: Types, Error, and Mitigation
Presentation Number: 1115

Presentation Type: Oral Presentation

Presentation Date: Friday, February 21
Presentation Time: 2:50 PM - 3:20 PM

Please note: Your scheduled assignment has been made by the individual sections based on their programming needs and goals for this year. Due to the complexity of the scientific program schedules, scheduling change requests generally will not be accommodated.

IMPORTANT NEXT STEPS: PLEASE READ!

1. **Speaker Resource Portal:** Later this week, presenters and authors will receive an email with a link to the Speaker Resource Portal. This is a centralized portal which allows accepted speakers and authors to update their profiles, upload presentation files and attendee resources, and access up to date information and resources to help prepare for February.

Once received, we are asking ALL speakers and authors to immediately log in to confirm their personal profile information, including title, workplace, and other details to be printed in the conference program. We want to ensure we have the most up-to-date information for each of our presenters, **so we are asking everyone to complete this step by November 1**.

2. **Register for the Conference:** All speakers/presenters are required to register for the AAFS Conference. We offer both full registrations as well as single day passes. We encourage you to [register as soon as possible](#) to take advantage of early bird pricing.

3. **Book Your Hotel:** We encourage you to [book your hotel](#) as soon as possible, as we do expect hotels to sell out. For hotel booking information, along with airline travel discounts, please visit our [Ir:aYtl.ea.ge](#).

4. **International Travel:** If you will need a letter of invitation for international travel to the United States, you can find information on our [International Travel Page](#). Please note that AAFS is unable to assist with any travel requirements beyond providing the resources found on our travel page.

Additional information will be provided in the following weeks regarding preparation for the AAFS Conference. Please note that moving forward, all communication will be sent directly to the listed presenters for each presentation or session. To help ensure proper receipt of these communications, we encourage all presenters to add education@aaafs.org and meetings@aaafs.org to your company's email whitelist or allow list.

Congratulations again on being selected for our 2025 event! We are sincerely grateful for your dedication to the forensic sciences.

If you have any questions, please feel free to reach out to the AAFS Meetings Team at education@aaafs.org.

Sincerely,

Karen Rosenbaum, MD
2025 Program Chair
AAFS Scientific Conference

Claire Shepard, MS
2025 Program Co-Chair
AAFS Scientific Conference
