Re: Harvest Patch Lane Closure Request
Fort Bend County Municipal Utility District No. 134F
Fort Bend County, Texas
LJA Job No. 2659-2109 (11.0)

Dear Mr. Debaillon:

LJA Engineering, Inc. is requesting to close Harvest Patch Lane located east of Harlem Road, west of Grand Parkway 99, and south of West Airport Boulevard within Fort Bend County. Harvest Patch Lane was recently constructed and opened on October 15, 2024, and majority of traffic currently utilizing the street is construction traffic. The purpose of this request is to provide the contractor with an adequate amount of space to work while repairing the existing median. We are requesting to close the road beginning January 3rd, 2025, and plan to open the road once the work is complete and accepted by Fort Bend County. Work is anticipated to begin on January 6, 2025, and last approximately two weeks.

If you have any questions, please call me at 713.953.5099.

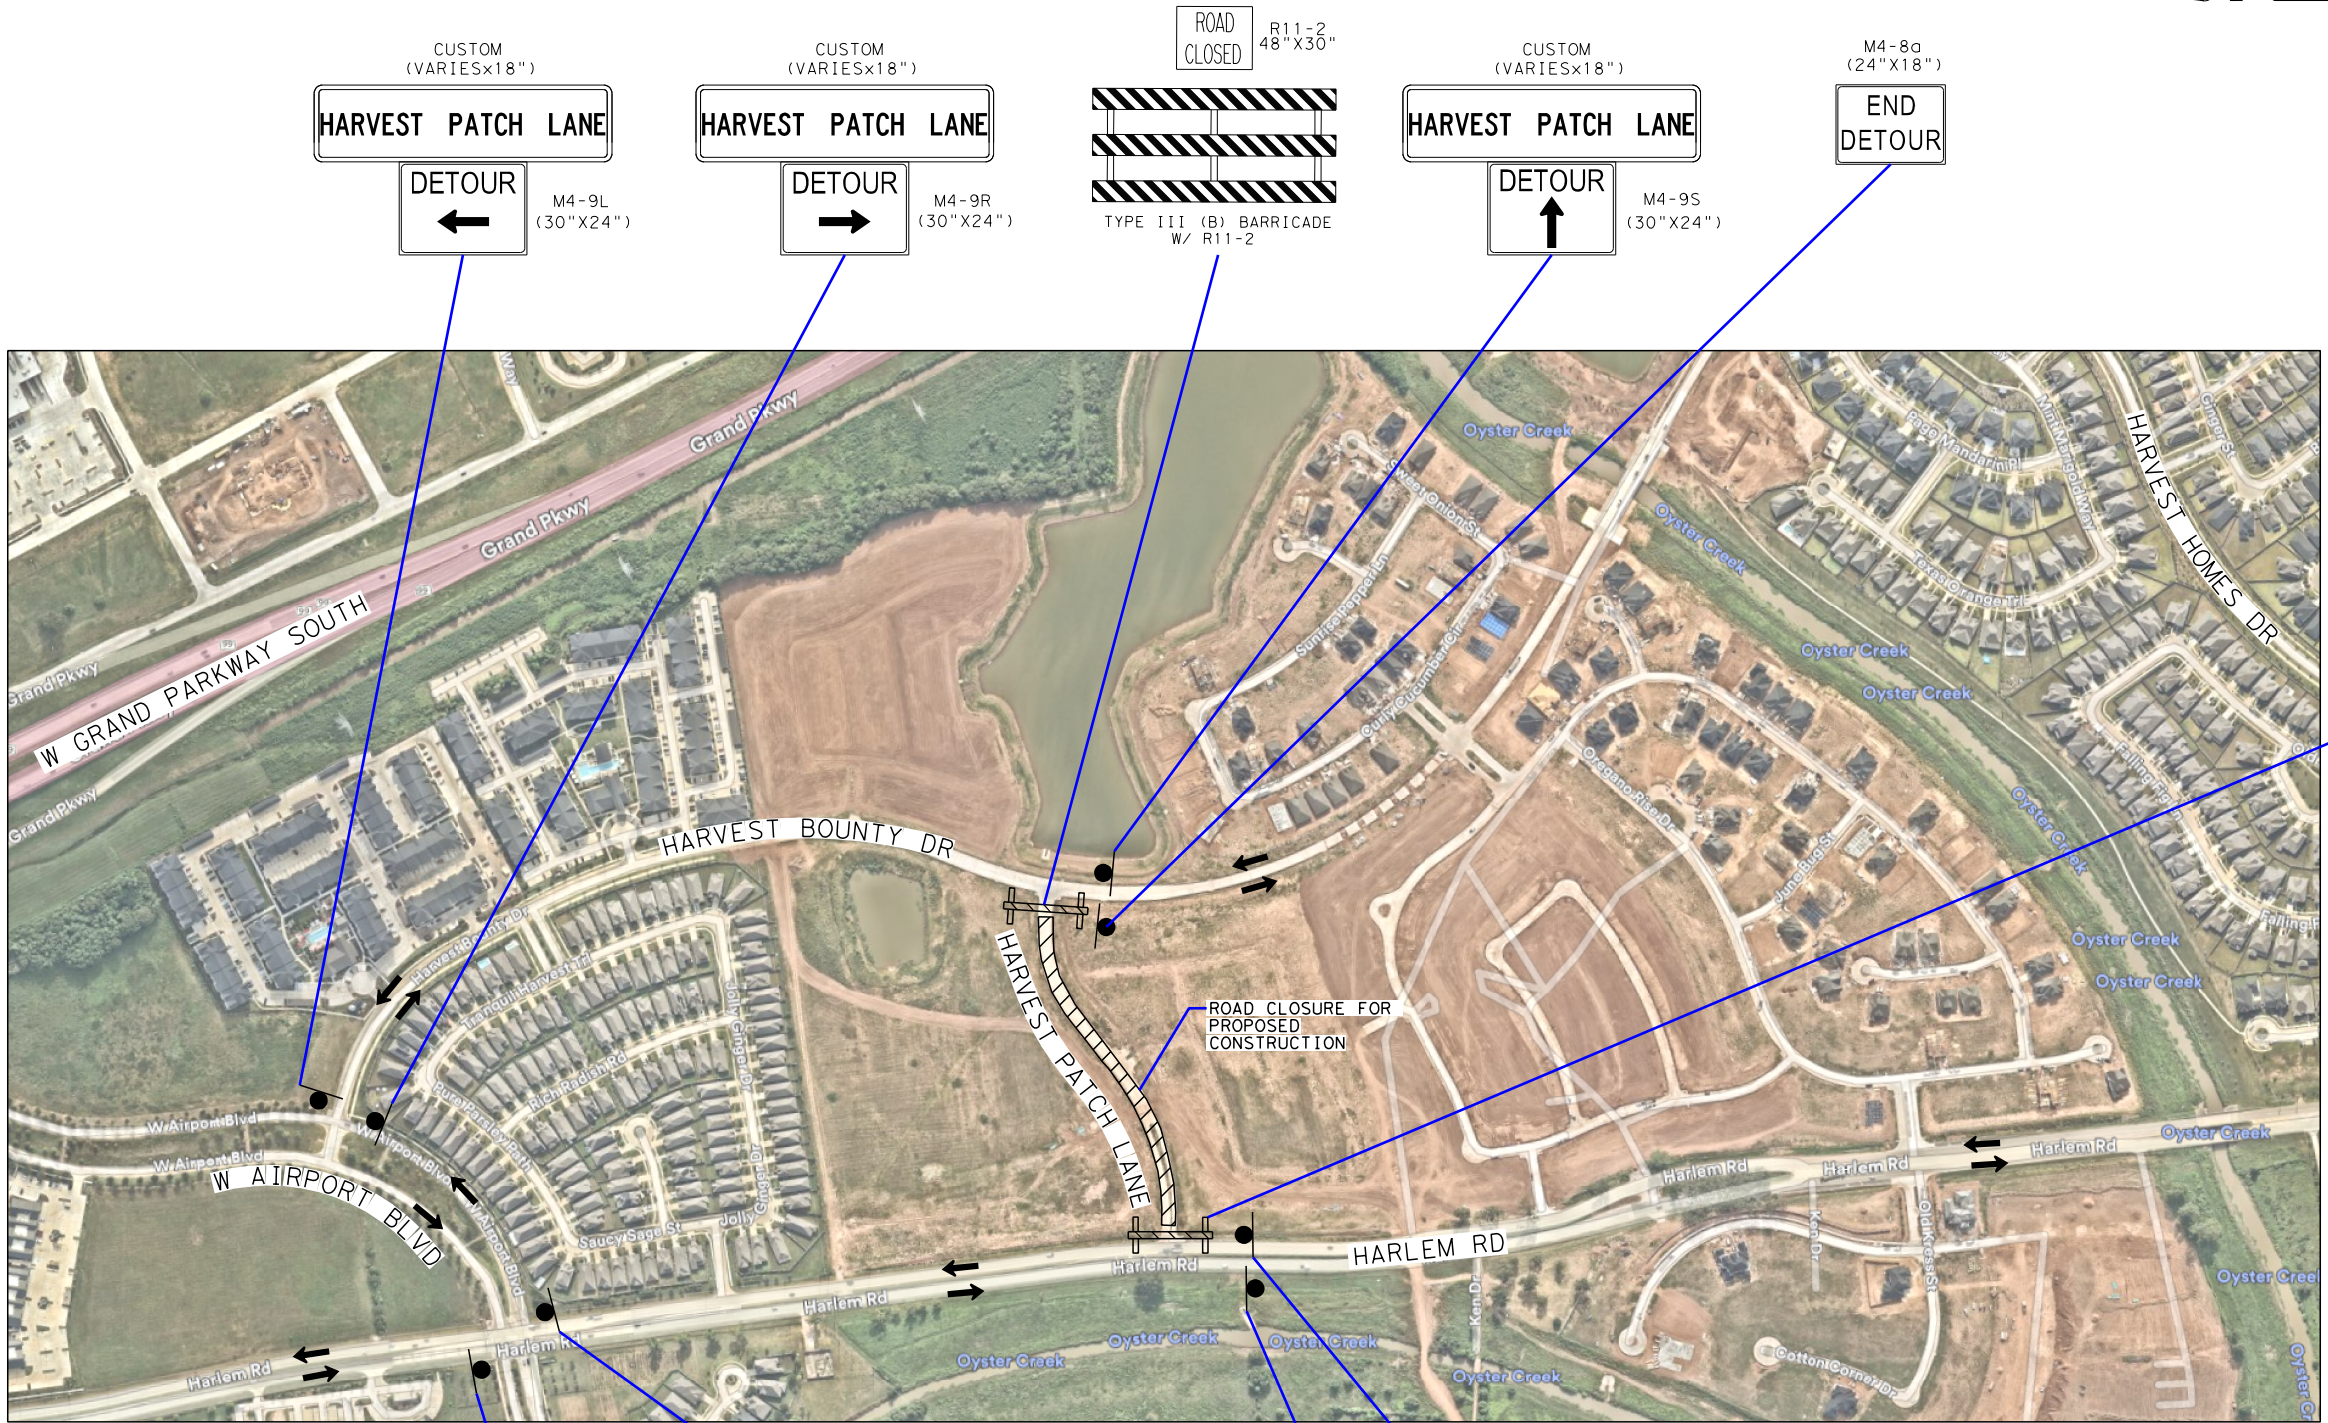

Sincerely,

A handwritten signature in black ink, appearing to read 'Travis Veillon', is written over a light blue horizontal line.
