Call for Proposals

On behalf of the SWALL Program Committee, we invite you to submit proposals for the 2025 SWALL Annual Meeting.

2025 THEME – LAW LIBRARIANS: THE “SOONER” THE BETTER FOR IMPACT

We are looking for programs that cover a wide range of interesting and relevant topics, and we encourage proposals that appeal to the many types of law librarians and information professionals that make up our broad organization. With session lengths ranging from “Ignite Talks” (~7 mins) to

extensive “Deep Dives” (two 45 min sessions with a break), you can find the format that best fits your program. With the ability to host at least two simultaneous sessions, the committee is committed to creating a program that has something for everyone much of each day. We strongly encourage proposals from every library type (especially firm and government law libraries) to help us build an *impactful* program of diverse ideas and projects. We welcome individual and panel presentations.

SUBMIT YOUR PROPOSALS HERE

Please submit your program proposal by **December 15, 2024**, and you will hear back on your proposal in January.
