RE: Addition of Intersection Lane Control signs on Oilfield Road in The Crossing at Riverstone Section 2

Dear Commissioner:

Fort Bend County Engineering Department has completed the traffic control plan to allow left turns from the northwest-bound center lane of Oilfield Road at University Boulevard. The center lane will become a shared thru-left lane and signal phasing will be adjusted to improve operations at the intersection. The public hearing date for acceptance for the plan will be scheduled on the next available Commissioner's Court Agenda.

A copy of the traffic control plan is attached for your review. If we can be of further assistance please do not hesitate to contact me at 281-633-7528 or chris.debaillon@fortbendcountytx.gov.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris Debaillon".

Chris Debaillon, PE, PTOE
