REVIEW FORM

On January 31, 2025, the County Attorney's Office reviewed the following:

SHI Government Solutions, Inc.'s Pricing Proposal (Quotation #: 25702823) for the purchase of specified software products/subscriptions with a coverage term from March 31, 2025-March 31, 2026, utilizing DIR Contract #DIR-CPO-5241, in the amount of \$50,184.00 (OnBase Contract #21-IT-100867-A3).

Comments: **Approved as to legal form provided that the Purchase Order contains the following:**

1. **Certain State Law Requirements for Contracts: The contents of this Section are required by Texas Law and are included by County regardless of content. For purposes of Sections 2252.152, 2271.002, and 2274.002, Texas Government Code, as amended, Contractor hereby verifies that Contractor and any parent company, wholly owned subsidiary, majority-owned subsidiary, and affiliate:**
 - A. Unless affirmatively declared by the United States government to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization, is not identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 806.051, 807.051, or 2252.153 of the Texas Government Code.
 - B. If employing ten (10) or more full-time employees and this Agreement has a value of \$100,000.00 or more, Contractor does not boycott Israel and is authorized to agree in such contracts not to boycott Israel during the term of such contracts. "Boycott Israel" has the meaning provided in § 808.001 of the Texas Government Code.
 - C. If employing ten (10) or more full-time employees and this Agreement has a value of \$100,000.00 or more, Contractor does not boycott energy companies and is authorized to agree in such contracts not to boycott energy companies during the term of such contracts. "Boycott energy company" has the meaning provided in § 809.001 of the Texas Government Code.
 - D. If employing ten (10) or more full-time employees and this Agreement has a value of \$100,000.00 or more, Contractor does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and is authorized to agree in such contracts not to discriminate against a firearm entity or firearm trade association during the term of such contracts. "Discriminate against a firearm entity or firearm trade association" has the meaning provided in §

2274.001(3) of the Texas Government Code. “Firearm entity” and “firearm trade association” have the meanings provided in § 2274.001(6) and (7) of the Texas Government Code.

2. **Human Trafficking.** BY ACCEPTANCE OF PURCHASE ORDER, CONTRACTOR ACKNOWLEDGES THAT FORT BEND COUNTY IS OPPOSED TO HUMAN TRAFFICKING AND THAT NO COUNTY FUNDS WILL BE USED IN SUPPORT OF SERVICES OR ACTIVITIES THAT VIOLATE HUMAN TRAFFICKING LAWS.
3. **Non-Renewal.** No goods or services procured via this Purchase Order will automatically renew, but may be subsequently renewed in writing upon agreement of the parties.
4. **Remote Access.** By acceptance of Purchase Order, Contractor understands and agrees that, as applicable, if Contractor requires remote access to County Systems for support, installation, integrations, configurations, and/or maintenance of Contractor’s product and/or services, except as otherwise agreed by the parties and approved by the County’s Director of Information Technology and Chief Information Officer in writing, the below requirements must be met before Contractor is granted remote access to County Systems:
 - A. Contractor will adhere to the restricted and monitored channels that are provided by the County, or other technologies approved in advanced in writing by the County’s Director of Information Technology and Chief Information Officer.
 - B. Contractor will neither implement nor deploy a remote access solution which bypasses and/or is designed to bypass County provided or approved controls. Contractor will not access County Systems via unauthorized methods.
 - C. Contractor’s remote access to County Systems will only be requested and activated on as-needed basis and disabled when not in use.
 - D. Remote access is restricted only to County Systems necessary for Contractor to conduct their services and/or provide applicable product to County pursuant to this Agreement.
 - E. Contractor will allow only its Workforce approved in advance by County to access County Systems. Contractor will promptly notify County whenever an individual member of Contractor’s Workforce who has access to County Systems leaves its employ or no longer requires access to County Systems. Contractor will keep a log of access when its Workforce remotely accesses County Systems. Contractor will supply County with evidence of access logs concerning remote access to County Systems upon written request from County. Such access logs will be provided to County, within three business days from the date of County’s request. These requests may be used to confirm compliance with these terms and/or to investigate a security incident.
 - F. If any member(s) of Contractor’s Workforce is provided with remote access to County Systems, then Contractor’s Workforce will not remotely log-in to County Systems from a public internet access device (e.g., airport computer terminal, or Internet café). This is due to the possibility of sensitive information being monitored by video or computer surveillance in public areas.
 - G. Failure of Contractor to comply with this Section may result in Contractor and/or Contractor’s Workforce losing remote access to County Systems. County reserves the right at any time to disable remote access to protect County Systems.
 - H. For purposes of this Section, “Workforce” means employees, agents, subcontractors (where permitted), and/or other persons whose conduct, in the

performance of work for Contractor, is under the direct control of Contractor, whether or not they are paid by Contractor and who have direct or incidental access to County Systems.

- I. For purposes of this Section, "Systems" means any: (i.) computer programs, including, but not limited to, software, firmware, application programs, operating systems, files and utilities; (ii.) supporting documentation for such computer programs, including, without limitation, input and output formats, program listings, narrative descriptions and operating instructions; (iii.) data and/or media; (iv.) equipment, hardware, servers, and/or devices; and/or (v.) network(s).
