Dear Commissioner McCoy:

This letter serves to respectfully request a variance request to section 5.8 in the Fort Bend County Engineering Subdivision Regulations regarding sidewalks. The approved Harvest Green Section 38 construction plans included a sidewalk that was anticipated to be constructed in a loop around the entire Reserve C. However, Reserve C remained as open space with plantings along the edges and the sidewalk that was constructed directs pedestrians from the constructed wheelchair ramps to a sitting area within Reserve C as shown in the revised drawing.

Should you have any questions or need any additional information concerning these plans, please call me at 713.953.5099.

Sincerely,
