Hi Cheryl,
Unfortunately, the parts are not available anymore due to the age of the equipment.

Thank you,

Chris Hott

Received. Thank you. And at this point, email correspondence is best as I'll use it as backup/support for our request for a replacement copier (if needed).

Is there any way you could simply replace the developer unit on our current machine? If so, what is the cost for that?

Please advise. Thank you.

Good Morning Cheryl,

Here is the quote to replace the copier at Extension Services. Sorry for the delay on getting this to you, and I will call you shortly to make sure you got this and see if you had any other questions. Thanks.

Thank you,

Chris Hott
