The screenshot shows the Gartner IT Symposium/Xpo 2025 registration page. The header includes the Gartner logo, the event name 'SYMPOSIUM Xpo.', the dates 'October 20 - 23, 2025', and the location 'Orlando, FL'. A navigation bar contains links for Overview, Experience, Sessions, Speakers, Exhibitors, Venue, and a Register button. The main content area features a large blue banner with the word 'augmentation' in white. Below the banner, the event title 'Gartner IT Symposium/Xpo 2025' is displayed, followed by the dates and location. A paragraph describes the conference as a place to 'Leading Today. Shaping Tomorrow.' and mentions that attendees will uncover the latest tech insights and solutions. A 'Register Now' button is prominently displayed. Below this, there is a section titled 'Stay up to date on Gartner IT Symposium/Xpo 2025' which offers to get the latest details around the 2025 conference agenda, speakers, and more straight to the inbox. This section includes a 'Work Email' input field and a 'Continue' button. A small disclaimer states: 'By clicking the "Continue" button, you are agreeing to the Gartner Terms of Use and Privacy Policy.' At the bottom of the page, a section titled 'Rewind: Moments from 2024's conference' is partially visible.

The screenshot shows the '2024 conference topics' page. The header is consistent with the previous page, including the Gartner logo, event name, dates, location, and navigation bar. The main heading is '2024 conference topics'. Below this, a paragraph states: 'Explore the topics that were covered at last year's conference, informed by key CIO challenges and emerging trends.' The page is divided into three columns, each representing a topic: 'Artificial Intelligence', 'Emerging Technologies', and 'Cybersecurity'. Each column contains a brief description of the topic. Under 'Artificial Intelligence', it mentions leveraging AI for disruptive innovation, growth, and productivity. Under 'Emerging Technologies', it discusses the struggle of CIOs to keep up with the pace of technology innovation and its impact. Under 'Cybersecurity', it reframes cybersecurity as a business issue in response to changes in the digital world and geopolitics. At the bottom of the topics section, there is a 'View All Tracks' button. The footer of the page features a large, bold statement: 'Gartner IT Symposium/Xpo is an opportunity to connect with your community and our experts. Build and diversify your network. Meet forward-thinking CIOs and IT executives across security, data and analytics, applications, and IT I&O.'
