**RE: Tamarron Parkway at Coles Canyon – All-Way Stop Control**

Dear Commissioner:

The Fort Bend County Engineering Department has completed a review of the operational conditions at the intersection of Tamarron Parkway at Coles Canyon in response to a request for all-way stop control. The intersection currently operates with stop control on Coles Canyon. Tamarron Parkway has a posted speed of 35 mph and is identified as a Major Thoroughfare in the 2015 Fort Bend County Major Thoroughfare Plan. Coles Canyon has a posted speed of 30 mph and is identified as a Local Street.

Traffic counts were collected and used to evaluate the intersection for all-way stop control based on the warrants specified in the Texas Manual on Uniform Traffic Control Devices. Based on the data collected, traffic volumes warrant all-way stop control at the intersection. The updated traffic control plan is attached.

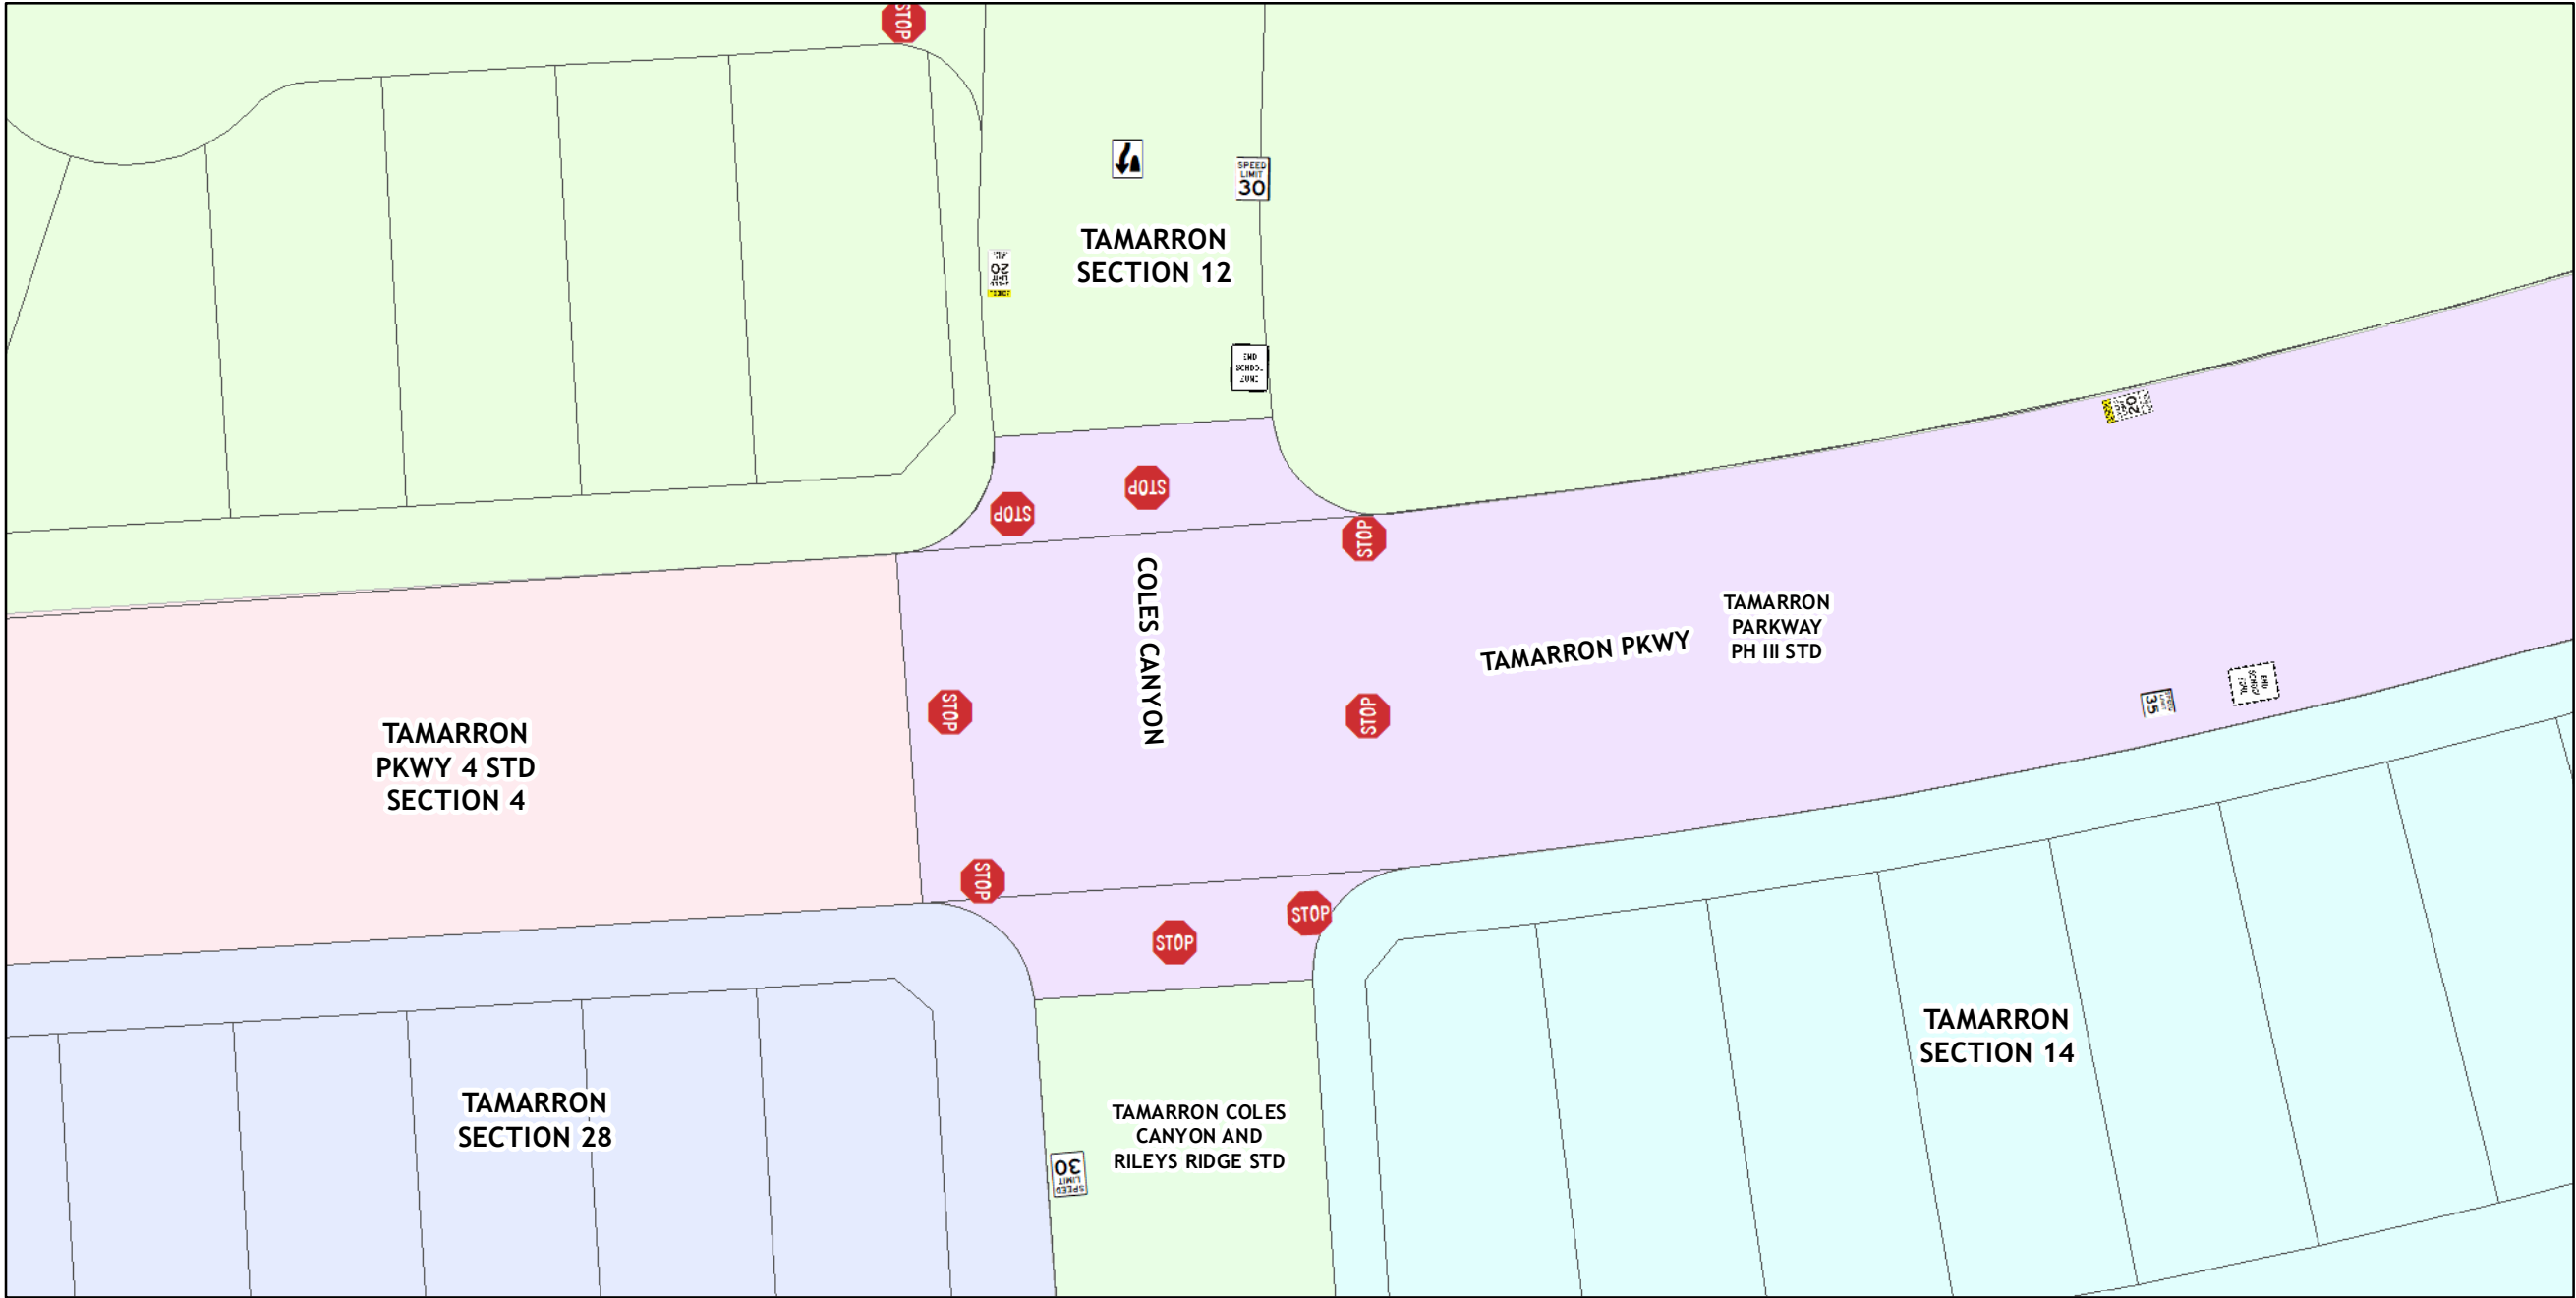

Based on the above results, Engineering recommends the conversion of the intersection to all-way stop control. If you have any questions please do not hesitate to contact me at 281-633-7528 or [chris.debaillon@fortbendcountytexas.gov](mailto:chris.debaillon@fortbendcountytexas.gov).
