Subject to the rights granted to Grantee herein, Grantee will, at all times after doing any work in connection with the Easement, restore the surface of the Easement Tract as nearly as reasonably practicable to substantially its condition prior to the undertaking of such work; provided, however, Grantee shall not be obligated to replace or restore any trees, growth, shrubbery, or other improvements or obstructions

extent that Grantor has the ability to enforce any of the Permitted Encumbrances, Grantor will not do so in a manner that would unreasonably prejudice or interfere with Grantee's exercise of its rights in the Easement and use of the Easement Tract for the purposes set forth herein.

TO HAVE AND TO HOLD, subject to the matters set forth herein and the Permitted Encumbrances, the Easement, together with, all and singular, the rights and appurtenances thereto in any wise belonging, including all necessary rights to ingress, egress, and regress, unto Grantee, its successors and assigns, forever.
