The National ADA Symposium has earned the reputation as the most comprehensive conference available on the Americans with Disabilities Act and related disability laws. The National ADA Symposium-Atlanta will offer over 80 sessions on a wide range of topics presented by nationally recognized experts on the ADA and disability issues. We're excited at the range and quality our session schedule offers as well as the many amenities offered by the Hilton Atlanta.

On June 15th, we encourage attendees to go out and **Find Your Fun** in Atlanta! We will be highlighting recreation and entertainment opportunities people can enjoy on Sunday in the local community. Information about these inclusive recreation activities will be posted and updated on the Find Your Fun page. Additional opportunities will be listed as they are identified, so be sure to check back here as June approaches!

Registration for the Atlanta venue is open to the first 700 registrations. **Registration will close on May 16th** or when the event is sold-out, whichever comes first.

We are pleased to announce our special Keynote Presenter will be Mark Schultz , National Rehabilitation Leadership Institute and former US Dept. of Education RSA Commissioner.
