## About the Conference

The National Association of Counties (NACo) Annual Conference is the premier gathering of elected and appointed officials from the nation's 3,069 counties, parishes and boroughs. Conference content includes discussion of federal policies impacting counties, workshops lifting up county best practices, engaging general sessions, mobile tours across our host county, and more. NACo members also have the opportunity to influence the association's direction and future during the Annual Business Meeting on the final day of the conference.
