If County disputes charges related to the invoice submitted by Netsync, County shall notify Netsync no later than twenty-one (21) days after the date County receives the invoice. If County does not dispute the invoice, then County shall pay each such approved invoice within thirty (30) calendar days. It is specifically understood and agreed that in the event no funds or insufficient funds are appropriated by Fort Bend County under this Agreement, Fort Bend County shall notify all necessary parties that this Agreement shall thereafter terminate and be null and void on the last day of the fiscal period for which appropriations were made without penalty, liability or expense to Fort Bend County. County is a body corporate and politic under the laws of the State of Texas and claims exemption from sales and use taxes. A copy of a tax-exempt certificate will be furnished upon request. Interest resulting from late payments by County shall be governed by Chapter 2251, TEXAS GOVERNMENT CODE. County reserves the right to withhold payment pending verification of satisfactory work performed.

4. **Limit of Appropriation.** Netsync clearly understands and agrees, such understanding and agreement being of the absolute essence of this Agreement, that County shall have available the total maximum sum of Five Million, One Hundred Forty-six Thousand, Two Hundred Fifty-eight and 65/100 (\$5,146,258.65), specifically allocated to fully discharge any and all liabilities County may incur. Netsync does further understand and agree, said understanding and agreement also being of the absolute essence of this Agreement, that the total maximum compensation that Netsync may become entitled to and the total maximum sum that County may become liable to pay to Netsync shall not under any conditions, circumstances, or interpretations thereof exceed Five Million, One Hundred Forty-six Thousand, Two Hundred Fifty-eight and 65/100 (\$5,146,258.65). In no event will the amount paid by the County for all Services under this Agreement exceed this Limit of Appropriation without an amendment executed by the parties.
5. **Public Information Act.** Netsync expressly acknowledges that County is subject to the Texas Public Information Act, TEX. GOV'T CODE ANN. §§552.001 *et seq.*, as amended, and notwithstanding any provision in the Agreement to the contrary, County will make any information related to the Agreement, or otherwise, available to third parties in accordance with the Texas Public Information Act. Any proprietary or confidential information marked as such provided to County by Netsync shall not be disclosed to any third party, except as directed by the Texas Attorney General in response to a request for such under the Texas Public Information Act, which provides for notice to the owner of such marked information and the opportunity for the owner of such information to notify the Attorney General of the reasons why such information should not be disclosed. The terms and conditions of the Agreement and this Addendum are not proprietary or confidential information.
6. **Indemnity.** The parties agree that under the Constitution and laws of the State of Texas, County cannot enter into an agreement whereby County agrees to indemnify or hold harmless another party; therefore, all references of any kind to County defending, indemnifying, holding or saving harmless Netsync for any reason are hereby deleted.

7. **Applicable Law; Arbitration; Attorney Fees.** The laws of the State of Texas govern all disputes arising out of or relating to this Agreement. The parties hereto acknowledge that venue is proper in Fort Bend County, Texas, for all legal actions or proceedings arising out of or relating to this Agreement and waive the right to sue or be sued elsewhere. Nothing in the Agreement shall be construed to waive the County's sovereign immunity. County does not agree to submit disputes arising out of the Agreement to binding arbitration. Therefore, any references to binding arbitration or the waiver of a right to litigate a dispute are hereby deleted. County does not agree to pay any and/or all attorney fees incurred by Netsync in any way associated with the Agreement.
8. **Certain State Law Requirements for Contracts.** The contents of this Section are required by Texas Law and are included by County regardless of content. 9. **Modifications and Waivers.** The parties may not amend or waive this Agreement, except by a written agreement executed by both parties. No failure or delay in exercising any right or remedy or requiring the satisfaction of any condition under this Agreement, and no course of dealing between the parties, operates as a waiver or estoppel of any right, remedy, or condition.

The rights and remedies of the parties set forth in this Agreement are not exclusive of, but are cumulative to, any rights or remedies now or subsequently existing at law, in equity, or by statute.

10. **Human Trafficking.** BY ACCEPTANCE OF CONTRACT, SURETY SYSTEMS ACKNOWLEDGES THAT FORT BEND COUNTY IS OPPOSED TO HUMAN TRAFFICKING AND THAT NO COUNTY FUNDS WILL BE USED IN SUPPORT OF SERVICES OR ACTIVITIES THAT VIOLATE HUMAN TRAFFICKING LAWS.

Netsync warrants to County that the Services will be free from material errors and will materially conform to all requirements and specifications contained in the attached Exhibit A.
13. **Conflict.** In the event there is a conflict between this Addendum and the attached Exhibits, this Addendum controls to the extent of the conflict. In the event there is a conflict between this Addendum and the DIR Contract, the DIR Contract controls to the extent of the conflict.
14. **Understanding, Fair Construction.** By execution of this Addendum, the parties acknowledge that they have read and understood each provision, term and obligation contained in this Addendum. This Addendum, although drawn by one party, shall be construed fairly and reasonably and not more strictly against the drafting party than the nondrafting party.
15. **Captions.** The section captions used in this Agreement are for convenience of reference only and do not affect the interpretation or construction of this Agreement.
16. **Electronic and Digital Signatures.** The parties to this Agreement agree that any electronic and/or digital signatures of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as the use of manual signatures.
17. **Personnel.** Netsync represents that it presently has, or is able to obtain, adequate qualified personnel in its employment for the timely performance of the Services required under this Agreement and that Netsync shall furnish and maintain, at its own expense, adequate and sufficient personnel, in the opinion of County, to perform the Services when and as required and without delays.

All employees of Netsync shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of Netsync or agent of Netsync who, in the opinion of County, is incompetent or by his conduct becomes detrimental to providing Services pursuant to this Agreement shall, upon request of County, immediately be removed from association with the Services required under this Agreement.

When performing Services for the County, Netsync shall comply with, and ensure that all Netsync Personnel comply with, all rules, regulations and policies of County that are communicated to Netsync in writing, including but not limited to data and remote access procedures.

18. **Compliance with Laws.** Netsync shall comply with all federal, state, and local laws, statutes, ordinances, rules and regulations, and the orders and decrees of any courts or administrative bodies or tribunals in any matter affecting the performance of this Agreement, including, without limitation, Worker's Compensation laws, minimum and maximum salary and wage statutes and regulations, licensing laws and regulations. When required by County, Netsync shall furnish County with certification of compliance with said laws, statutes, ordinances, rules, regulations, orders, and decrees above specified. Nothing in this Agreement will be construed to waive the requirements of any record retention laws applicable to County.
19. **Confidential Information.** Netsync acknowledges that it and its employees or agents may, in the course of performing their responsibilities under this Agreement, be exposed to or acquire information that is confidential to County. Any and all information of any form obtained by Netsync or its employees or agents from County in the performance of this Agreement shall be deemed to be confidential information of County ("Confidential Information"). Any reports or other documents or items (including software) that result from the use of the Confidential Information by Netsync shall be treated with respect to confidentiality in the same manner as the Confidential Information. Confidential Information shall be deemed not to include information that (a) is or becomes (other than by disclosure by Netsync) publicly known or is contained in a publicly available document; (b) is rightfully in Netsync' possession without the obligation of nondisclosure prior to the time of its disclosure under this Agreement; or (c) is independently developed by employees or agents of Netsync who can be shown to have had no access to the Confidential Information.

Netsync agrees to hold Confidential Information in strict confidence, using at least the same degree of care that Netsync uses in maintaining the confidentiality of its own confidential information, and not to copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give, or disclose Confidential Information to third parties or use Confidential Information for any purposes whatsoever other than the provision of Services to County hereunder, and to advise each of its employees and agents of their obligations to keep Confidential Information confidential. Netsync shall use its best efforts to assist County in identifying and preventing any unauthorized use or disclosure of any Confidential Information.

Without limitation of the foregoing, Netsync shall advise County immediately in the event Netsync learns or has reason to believe that any person who has had access to Confidential Information has violated or intends to violate the terms of this Agreement and Netsync will at its expense cooperate with County in seeking injunctive or other equitable relief in the name of County or Netsync against any such person. Netsync agrees that, except as directed by County, Netsync will not at any time during or after the term of this Agreement disclose, directly or indirectly, any Confidential Information to any person, and that upon termination of this Agreement or at County's request, Netsync will promptly turn over to County all documents, papers, and other matter in Netsync's possession which embody Confidential Information.

Netsync acknowledges that a breach of this Section, including disclosure of any Confidential Information, or disclosure of other information that, at law or in equity, ought to remain confidential, will give rise to irreparable injury to County that is inadequately compensable in damages. Accordingly, County may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Netsync acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interest of County and are reasonable in scope and content.

Netsync in providing all Services hereunder agrees to abide by the provisions of any applicable Federal or State Data Privacy Act.

20. **Independent Contractor.** In the performance of work or services hereunder, Netsync shall be deemed an independent contractor, and any of its agents, employees, officers, or volunteers performing work required hereunder shall be deemed solely as employees of Netsync or, where permitted, of its subcontractors. Netsync and its agents, employees, officers, or volunteers shall not, by performing work pursuant to this Agreement, be deemed to be employees, agents, or servants of County and shall not be entitled to any of the privileges or benefits of County employment.
21. **Severability.** If any provision of this Agreement is determined to be invalid, illegal, or unenforceable, the remaining provisions remain in full force, if the essential terms and conditions of this Agreement for each party remain valid, binding, and enforceable.
22. **Remote Access.** As applicable, if Netsync requires remote access to County Systems for support, installation, integrations, configurations, and/or maintenance of Netsync's Services, except as otherwise agreed by the parties and approved by the County's Director of Information Technology and Chief Information Officer in writing, the below requirements must be met before Netsync is granted remote access to County Systems:
 - (A) Netsync will adhere to the restricted and monitored channels that are provided by the County, or other technologies approved in advance in writing by the County's Director of Information Technology and Chief Information Officer.

- (B) Netsync will neither implement nor deploy a remote access solution which bypasses and/or is designed to bypass County provided or approved controls. Netsync will not access County Systems via unauthorized methods.
- (C) Netsync's remote access to County Systems will only be requested and activated on as-needed basis and disabled when not in use.
- (D) Remote access is restricted only to County Systems necessary for Netsync to provide Services to County pursuant to this Agreement.
- (E) Netsync will allow only its Workforce approved in advance by County to access County Systems. Netsync will promptly notify County whenever an individual member of Netsync's Workforce who has access to County Systems leaves its employ or no longer requires access to County Systems. Netsync will keep a log of access when its Workforce remotely accesses County Systems. Netsync will supply County with evidence of access logs concerning remote access to County Systems upon written request from County. Such access logs will be provided to County, within three business days from the date of County's request. These requests may be used to confirm compliance with these terms and/or to investigate a security incident.
- (F) If any member(s) of Netsync's Workforce is provided with remote access to County Systems, then Netsync's Workforce will not remotely log-in to County Systems from a public internet access device (e.g., airport computer terminal, or Internet café). This is due to the possibility of sensitive information being monitored by video or computer surveillance in public areas.
- (G) Failure of Netsync to comply with this Section may result in Netsync and/or Netsync's Workforce losing remote access to County Systems. County reserves the right at any time to disable remote access to protect County Systems.
- (H) For purposes of this Section, "Workforce" means employees, agents, subcontractors (where permitted), and/or other persons whose conduct, in the performance of work for Netsync, is under the direct control of Netsync, whether or not they are paid by Netsync and who have direct or incidental access to County Systems.
- (I) For purposes of this Section, "Systems" means any: (i.) computer programs, including, but not limited to, software, firmware, application programs, operating systems, files and utilities; (ii.) supporting documentation for such computer programs, including, without limitation, input and output formats, program listings, narrative descriptions and operating instructions; (iii.) data and/or media; (iv.) equipment, hardware, servers, and/or devices; and/or (v.) network(s).
