## ABOUT SVI GRAPHICS

SVI Graphics has provided exceptional service and flawless vehicle graphics in Fort Collins, Colo., since 2004. We began our journey as a division of SVI Emergency Vehicles, a locally owned and operated fire apparatus manufacturer, servicing the fire and emergency industries since 1954. As our knowledge grew and technology advanced, so did our business. SVI Graphics has expanded into a full-service graphics company, fulfilling the needs of customers across the nation in multiple industries. We are passionate about our customers. It's our goal to deliver high-quality graphics while meeting stringent deadlines. In short, we're driven to exceed expectations.

## 14 YEARS OF OEM PARTNERSHIP

With 14 years in the emergency vehicle graphics business, we've created lasting partnerships with some of the nation's top fire truck manufacturers. We work with OEMs to integrate graphic pricing into their quoting systems, and utilize CAD drawings to create the proofs needed for pre-construction meetings.

Kip,

We will need the names of each person as they appear on their driver's license.  
And their date of birth.

Question: Do you prefer to fly Southwest ( Hobby ) or United (IAH)?

Which ever you decide is ok with us. And if you have a Southwest account or United account let us know that information as well.

We are set by the way for the 28<sup>th</sup> and return on Thursday 31<sup>st</sup>.

David

Good afternoon sir,

If I had to guess late July into August sometime ?

But just a guess.

I will let you know.
