Re: Tamarron Parkway Street Dedication Sec 1 in Tamarron West  
DR Horton - Texas, LLC, on behalf of Fort Bend County Municipal Utility District No. 222  
Authorization for Traffic Control Plan and Detour Route

We request approval for a proposed traffic control plan and detour for necessary pavement repairs along Tamarron Parkway just East of the Tamarron Point intersection. These repairs are critical for maintaining road safety and ensuring the long-term quality of the infrastructure. In compliance with Fort Bend County regulations and in order to minimize disruptions to traffic flow, we have developed a comprehensive traffic control plan and detour route. The key elements of the plan include:

1. **Temporary Lane Closures:** Propose shutting down both eastbound and westbound traffic along Tamarron Parkway in order to address pavement settlement.
2. **Detour Route:** Clear detour route for motorists, pedestrians, and cyclists to ensure safe navigation around the construction zone.
3. **Duration of Closure/Detour:** The work is anticipated to begin August 18<sup>th</sup>, 2025.

Enclosed, please find the detailed traffic control plan and detour route.

Thank you for your consideration of our request. Should you have any questions, please do not hesitate to call (832-913-4000).

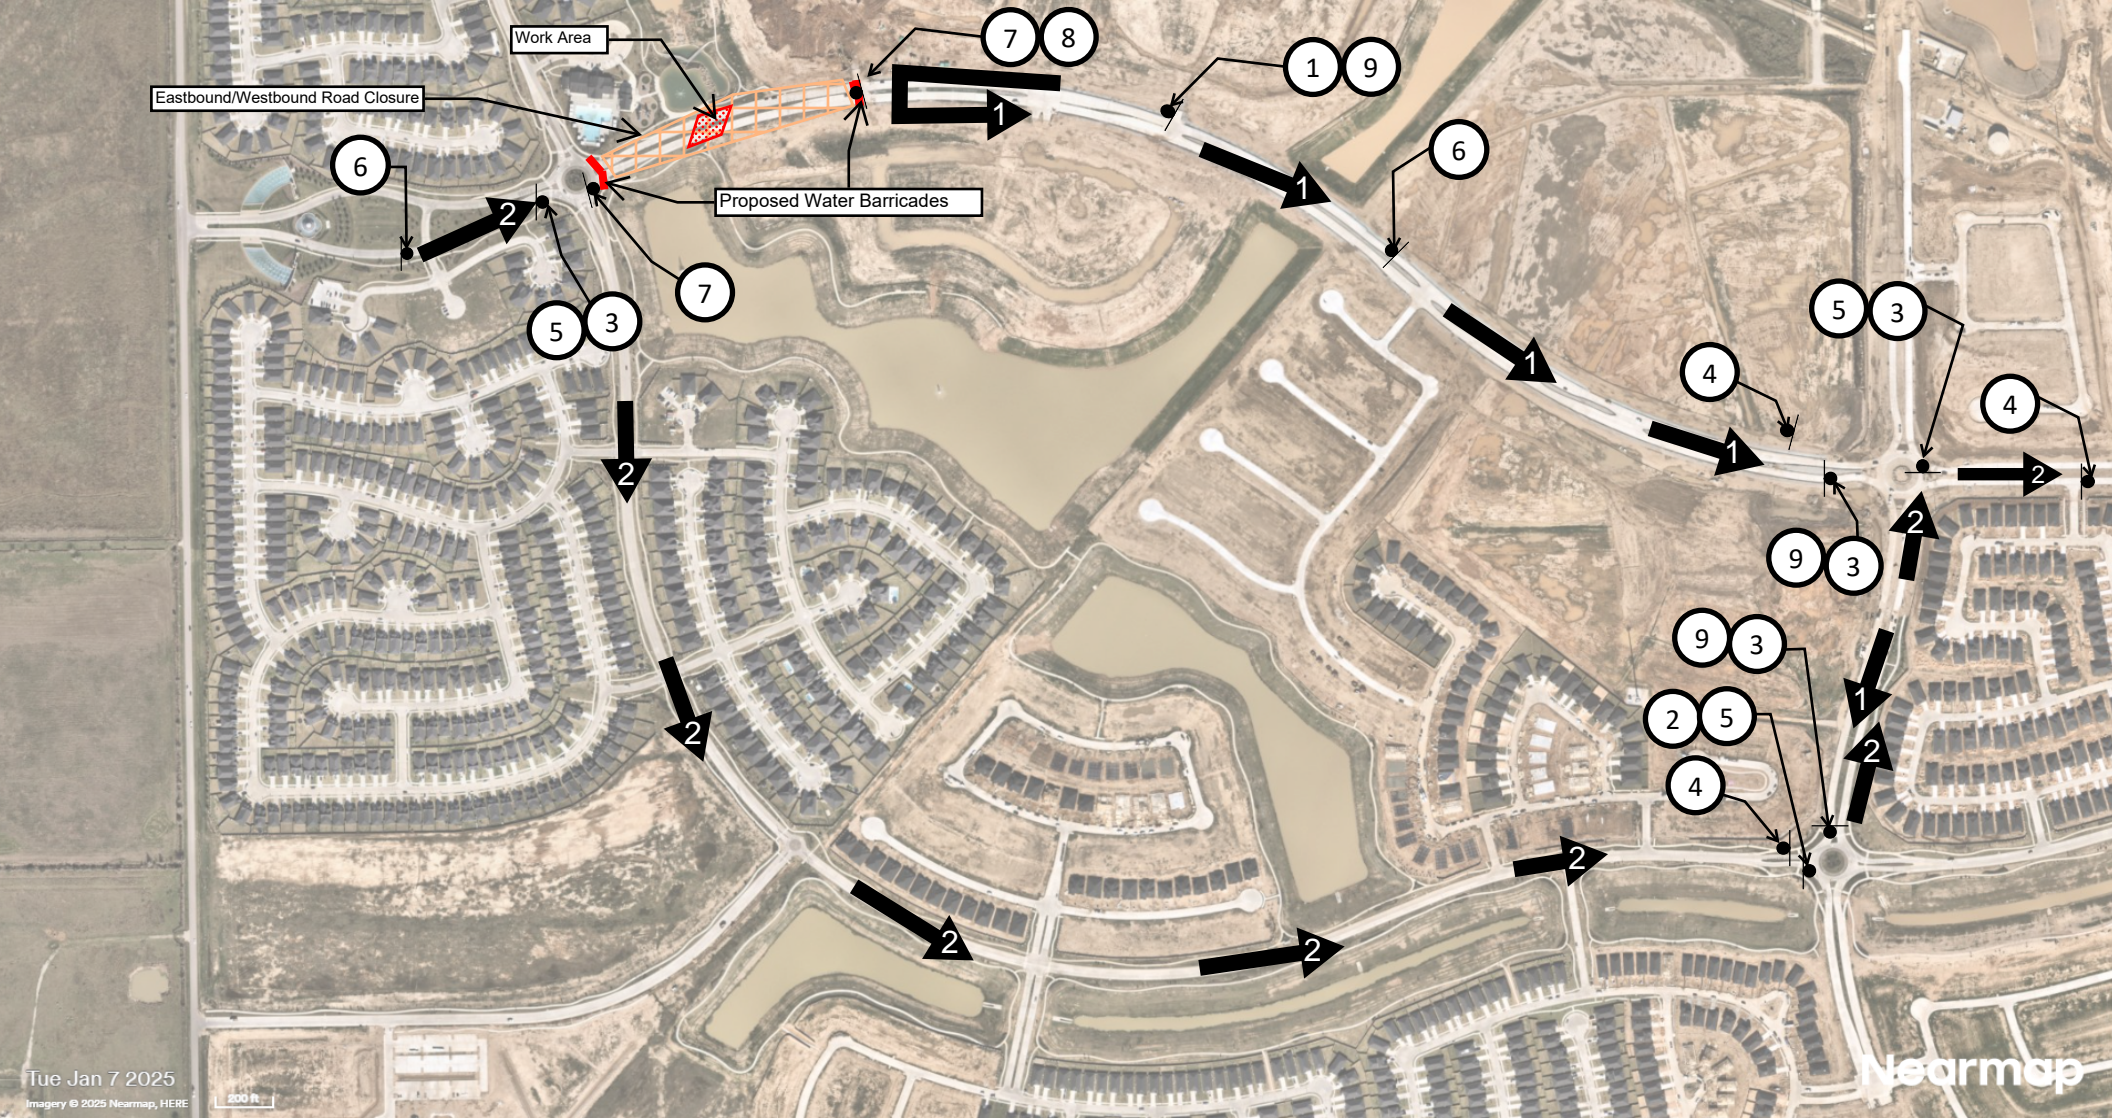

Sincerely,

A handwritten signature in blue ink, appearing to read 'Devin P. Espinosa'.

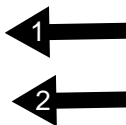

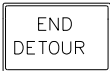

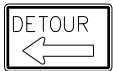

Devin P. Espinosa, P.E.
