Security:

The Fort Bend County SO Parks and Recreation Division is the security authority for Fort Bend County Parks rentals. The Renter is responsible for contacting the appropriate leasing office to coordinate the facility rental process and for making payment directly to the officers at the conclusion of the event. All Officers will be assigned by the Fort Bend County SO Parks and Recreation Division Office. Private Security Officers hired by Renter will not be allowed. It is a condition of rental that Renter contacts the appropriate leasing office at least thirty (30) days in advance to start the application process to rent a facility. The current rate for Officers is \$50 per hour per Officer (\$60 per hour for County holidays) paid at the time of service by cash/money order/cashier's check. Officer(s) must be on duty at all times during Renter's event. At the Officer's discretion any or all Officers hired may remain on duty for as long as the Officer deems necessary. Renter will be responsible for any additional time as determined by the Officer. A hired Officer is required any time where there is a concern for public safety as determined by the Fort Bend County SO Parks and Recreation Division or assigned Officer or whenever alcohol is being consumed. NO alcohol may be consumed on premises until an Officer is present and on duty. The Fort Bend County SO Parks and Recreation Division is responsible for determining the number of Officers required for each event and may choose to increase or decrease the number of Officers for any event at any time due to security concerns. All additional Officers will be at the expense of the Renter at the current rate per hour. If the officer does not arrive at the scheduled time, please contact John Morales with the Fort Bend County SO Parks and Recreation Division at 832-361-9809. The number of hours reserved by the Renter will be used to calculate the cost of security, based on hourly rates set above. Renters are required to make payment at the end of the Rental period directly to the Officer(s). Renter should keep in mind that fees may increase should the event last longer than expected or if the Officer deems that additional security will be needed. All Fort Bend County Officers fall under their department's Standard Operating Procedures and will report all concerns to the property's management.

The Fort Bend SO Parks and Recreation Division and its employees are not responsible for management of the Officers or staff on scene unless instructions have been provided by Commissioner's Court.

Fort Bend County Fire and Life Safety Code shall be enforced at all events; in addition, any requirements listed on this form shall also be enforced.

Fire Code enforcement:

- **Exits:** All exit doors, emergency doors, entrances to lobbies, corridors, walkways and fire extinguisher access shall not be blocked. Emergency exit doors shall be used for emergencies only.
- **Fire Lanes/Exit Egress:** An accessible and unblocked fire lane shall be maintained to all fire hydrants. All marked fire lanes will be kept open at all times.
- **Electrical Conduits:** Nothing shall be attached by Renter to electrical conduits. Any event needing electrical tie-in requires prior approval from the Parks Department and a licensed electrician. Electricians utilized must be a County approved vendor. Scheduling and cost for a licensed electrician's review is the responsibility of the Renter.

Exceptions: If cooking is to be conducted in any area other than normal areas utilized for cooking, the Renter must receive prior approval from the Fire Marshal to allow cooking in this area. The Renter will be responsible for providing and paying for an on-duty Officer from the Fire Marshall's Office to provide for supervision of cooking in any area not normally used for cooking. In addition to Fire Code/Security, only prior approved portable cooking equipment may be used. If food will only be heated and not cooked, then there is no requirement for an Officer to be present at the cooking site, but all equipment must still be approved by the Officer prior to use to ensure safe operation. Approved Cooking Equipment: LP-gas fueled cooking appliances must meet the requirements of NFPA 58. All Charcoal and oil needs to be discarded in County approved containers.

- **Candles:** shall be permitted to be used on food service tables if securely supported on substantial non-combustible bases located so as to avoid danger of ignition of combustible materials and only with prior approval from the Fire Marshal's Office.
- **Building Capacities:** Building Capacities of all facilities or buildings are clearly posted in each building and will be enforced by the Fire Marshal/Security at all events. It is the Renter's responsibility to conform to these capacity ratings.
- **Campfires (Jones Creek Ranch):** are only allowed in designated areas, with supervision of the Officer on duty.

An Officer shall have the right to end any event at the Officer's discretion.

I (the Renter) have read and understood all requirements listed on this Form and agree to abide by them in their entirety. I further acknowledge and agree that I will be financially responsible for any and all damages that may occur during my use of the Fort Bend County facilities, regardless of who actually caused the damage.

Dear Taxpayer:

This is in response to your Mar. 04, 2011, request for information regarding your tax-exempt status.

Our records indicate that you were recognized as exempt under section 501(c)(3) of the Internal Revenue Code in a determination letter issued in July 1985.

Our records also indicate that you are not a private foundation within the meaning of section 509(a) of the Code because you are described in section 509(a)(2).

Donors may deduct contributions to you as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Please refer to our website www.irs.gov/eo for information regarding filing requirements. Specifically, section 6033(j) of the Code provides that failure to file an annual information return for three consecutive years results in revocation of tax-exempt status as of the filing due date of the third return for organizations required to file. We will publish a list of organizations whose tax-exempt status was revoked under section 6033(j) of the Code on our website beginning in early 2011.
