To Whom it may Concern;

This letter is to confirm the agreement between Fort Bend County and Brazoria County in regards to trading load for load Asphalt Millings for Grade 5 Traprock. Fort Bend County is having trouble finding a vendor that supplies Grade 5 Traprock. Brazoria County has a pile of this material that they no longer use and are going to dispose of it. Fort Bend County has a supply of Asphalt Millings they are willing to trade load for load so that Brazoria County can utilize the Asphalt Millings and Fort Bend can utilize the Grade 5 Traprock. Fort Bend County Dumptrucks will be the ones doing the hauling. Both Counties have come to the agreement that it will benefit both.
