#### Project Description

Fort Bend County is requesting funding for contracted transportation services to maintain current service levels.

#### Project Benefits

Fort Bend County provides general public demand response and commuter services. Elderly and disabled demand response services are part of our overall project through an agreement with Fort Bend Seniors Meals on Wheels.

For general transportation, seniors must book their trips like any other individual seeking a ride. Reservations can be made up to 10 days in advance or no later than one (1) business day in advance. Reservations are accepted Monday through Friday between 8 am and 5 pm, excluding Holidays. Trips are scheduled Monday through Friday for first drop off by 8 am and last pick-up at 5 pm, excluding Holidays. General trip fare is \$1.00 per person each way. This service is curb to curb.

Fort Bend County coordinates with Fort Bend Seniors Meals on Wheels, a non-profit agency, whose

clients benefit by being able to utilize a transportation system that meets their needs. Fort Bend Seniors Meals on Wheels subsidize the costs so that seniors are not charged fares for trips to Senior Centers.

**Additional Information**

Fort Bend County does not directly operate services. All services are provided by a third-party contract for bus services.

**Location Description**

This project will occur throughout the Fort Bend County service area.

## Project Environmental Findings

### Finding: Class II(c) - Categorical Exclusions (C-List)

#### Class Level Description

Class II(c) consists of projects that do not have a significant environmental impact on the human or natural environment and are therefore categorically excluded from the requirement to prepare an environmental assessment or an environmental impact statement. FTA requires a sufficient project description to support a CE determination. The project may require additional documentation to comply with other environmental laws.

#### Categorical Exclusion Description

Type 04: Planning and administrative activities which do not involve or lead directly to construction, such as: training, technical assistance and research; promulgation of rules, regulations, directives, or program guidance; approval of project concepts; engineering; and operating assistance to transit authorities to continue existing service or increase service to meet routine demand.
