Good afternoon,

Yes, that is correct. Even though it is a no-cost extension, it will still need to go through CC court for approval.

Thank you,

Ameena Khan

Afternoon Ameena,

Please see below the no cost extension for the grant. Is this something I have to put through CC court?

Thanks,

-Michael

Thanks Kevin!

I've talked to Megan and the appropriate people regarding each of our projects receiving a no-cost time extension for their project. Your project "*Improving strategies for controlling Culicoides spp. with available ready to use adulticide*" is cleared for a no-cost extension. On behalf of the American Mosquito Control Association, I am pleased to confirm our approval of this extension request through April 30, 2026. So, there is nothing more you need to do.

Hope this helps!
Dan

Subject: September Report

Good Morning Dan,

Please see the attached report for the month of September.

Let me know if any action items are needed for no cost extensions.

We have made a lot of progress the last 2 weeks and are planning on keeping that momentum rolling through November.

Thanks,
Kevin
