Hello Fort Bend County,

In reference to Bid 22-098, please see below for the price increase in Dibrom in 2025. Based on the 4+ drum quantity, the price increased 5% from \$8,325.30 per drum in 2024 to \$8,745.00 per drum in 2025.

For this reason, we would like to request that our price per acre, which is currently at \$2.52/acre to be amended to \$2.65/acre to reflect this increase in cost.

Thank you,

RE: Pricing update - 2025

To whom it may concern,

Please be advised that continuing regulatory costs associated with re-registration of the active ingredients for Dibrom and Trumpet and the increased logistics costs for delivery and disposal has resulted in price increases for these products distributed by ADAPCO.

As well, we are experiencing significant price increase in raw materials for Dibrom and Trumpet. These input costs have resulted in price increases of approximately 5% for these products in 2025.

Thank you for your continued support as we work to manage these costs in the future products of these products. If you require any additional assistance, please contact me personally at our Customer Service Center @ 949-260-6051.

Sincerely,
