

The National Association of University Women (NAUW) was founded in 1910. NAUW is a non-profit organization with the mission to serve women, youth and the disadvantaged in our communities by addressing educational issues, health and well-being and strategically partnering with allied organizations.

The Houston Branch of NAUW has been active in supporting the community since 1986. We serve Fort Bend and surrounding counties. Each year we award scholarships to deserving high school students who plan to attend college. We donate Thanksgiving boxes and gift cards to the families at the Fort Bend Boys and Girls Club. This year we donated two raised garden beds, along with soil, and plants to the Fort Bend YMCA. NAUW also donates funds and participates with the Rose B. Johnson Colon Cancer Foundation and in 2024 provided holiday gift bags to the Landon Ridge Memory Care Senior Facility. For 2025 we will do the same and participate with a Fort Bend Church in an adopt a family program for the Christmas Holidays.
