**Re: *Retiree Medical Expense and Liability Calculations under GASB No. 75
Fort Bend County***

Dear Mr. Sturdivant:

Based on my recent correspondence with your office, I have enclosed a Statement of Work for performing the GASB 75 valuation for the fiscal year ending September 30, 2025. In addition, this valuation report will provide you with the disclosure items needed to separately account for the Drainage District's OPEB obligations.

GASB 75 requires plan sponsors such as you to disclose a Net OPEB Liability on their annual financial statements. The liability may be based on the results of the prior year's valuation if no "significant changes" have occurred regarding your plan design or census data since the prior valuation. As we have discussed, your external auditor is the final arbiter of any material changes as they relate to your financial statement reporting.

A Statement of Work is attached for your review and signature. Please review, sign, and return the Statement of Work to my attention. All work will be performed in accordance with the signed service agreement dated November 2, 2007.

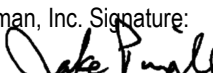

Please feel free to call me if you have any questions. I can be contacted at (713) 658-3013. Please let me know if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink that reads "Jake Pringle".
