LJA Job No. 1931-6070 (6.1)

Dear Commissioner Morales:

On behalf of D.R. Horton and Fort Bend County Municipal Utility District No. 182 and No. 222, we would like to request an emergency temporary road closure of Tamarron Parkway East between Jordan Ranch Boulevard and Benholm Garden Road with a duration of closure being until construction repairs are completed. The road closure will take place in accordance with the attached Traffic Detour Plan Layout.

We are requesting the road closure to allow for Dimas Bros. Construction to repair the pavement failure due to subsidence along a portion of Tamarron Parkway caused by the pipeline company. The closure will also allow for proper soil compaction and repairs to the cracked concrete. This work will include the construction of paving and appurtenances to service the area. Traffic will be rerouted in accordance with the approved Traffic control plan, and a copy of the detour plan is included as an attachment to this letter. Every effort will be made to complete this project in a timely and efficient manner. A high-early-strength concrete mixture will be used to help ensure the roadway can be reopened as quickly as possible.

Should you have any questions or need any additional information concerning this road closure plan, please call me at 281.793.5253

Sincerely,

Melony Gay, PE  
Vice President
